A financial aid consortium agreement is a contract between you, Wright State University (the school from which you plan to graduate) and a visiting school (the school you’d like to “visit” and transfer credits back to your home school for degree/certificate completion). It allows Wright State to award and disburse your financial aid for a specific enrollment period (such as a term, like Fall or Spring) to help pay for costs you may incur because you are enrolled at a visiting school.

This Financial Aid Consortium differs from the SOCHE Consortium/Cross-Registration. For more information go to http://www.wright.edu/raider-connect/loans-scholarships-and-grants/consortium-agreements.
