

Graduate Faculty Qualifications Criteria

Department of Finance and Financial Services

Alternate Criteria for FIN 6000-level courses, MBA 5300 and FIN 7120

Person needs to meet all the criteria below:

- ☐ 1. Recent (within the last five years) professional work and/or an internationally recognized certification in the finance or financial services industry, e.g. Chartered Financial Analyst (CFA) designation, Certified Financial Planner (CFP), Financial Risk Manager (FRM), or Energy Risk Professional (ERP), (this list is to serve as a suggestion and is not intended to be exhaustive).

- ☐ 2. Graduate degree in business with coursework in Finance or Financial Services at the graduate level from an AACSB-accredited school.

- ☐ 3. Otherwise qualified under Instructional Professional standards (AACSB as currently adopted by RSCOB and incorporated by reference) with a **minimum of three activities** within the last five years as listed below. For checked boxes, please find in the line with the number of times it is being counted.
 - ☐ a. Ongoing professional experience in a field related to one's regular teaching field _____
 - ☐ b. Director for a business or professionally oriented board _____
 - ☐ c. Acquisition or maintenance of professional certification _____
 - ☐ d. Development or presentation of continuing education or executive education courses _____
 - ☐ e. Consulting _____
 - ☐ f. Article published in a recognized outlet _____
 - ☐ g. Publication of a book related to one's regular teaching field _____
 - ☐ h. Significant role with a business enterprise _____
 - ☐ i. Participation in a business or teaching conference as a presenter, discussant, or panel expert.
 - ☐ i. Similar professional related activities _____

NOTE: Three activities can be from the same category, e.g. maintaining three different professional certifications.
