*School of Medicine Senator Duby (2025) has announced his intention to vacate his seat after the conclusion of the Spring 2024 Semester. Ideally, the upcoming School of Medicine ballot should have at least three candidates; the two candidates with the most votes will receive a two-year term and the top-runner up will fill Senator Duby's vacated seat with a term expiring at the end of Spring 2025. In the absence of at least three candidates, a special election to fill the vacated seat will need to be held during Fall 2024.
