

What is a Financial Aid Consortium Agreement? A financial aid consortium agreement is a contract between you, your “home” school, and your “visiting” school. The “home” school (Wright State University) is the school where you plan to graduate. The “visiting” school is a school where you can complete approved courses and then transfer the earned credits to Wright State to complete your degree or certificate. A financial aid consortium agreement allows Wright State to offer and disburse your financial aid based on enrollment at both schools for a specific enrollment period (such as Summer, Fall, or Spring term) to help pay costs you may incur because you are enrolled at a visiting school.

Please Note:

1. If you are already enrolled full-time (12 credit hours) at WSU, you do not need to complete a Financial Aid Consortium agreement.
2. If you are only eligible for loans and are enrolled at least half-time at WSU, you do not need to complete a Financial Aid Consortium agreement.
3. If you have a Renewable Scholarship awarded from WSU and enrolled less than full-time, you must complete this form.
4. If you have a Transfer Scholarship awarded from WSU and enrolled less than half-time, you must complete this form.
