Be Aware: Policies

All students are expected to read, understand, and abide by all housing policies, available at wright.edu/housing-policies.

Tobacco
Tobacco use is prohibited in all university housing, facilities, and grounds. This includes any product that contains tobacco or nicotine, whether smoked, vaped, chewed, or ingested by any other means.

Substances
Possession/use of alcohol and drugs may also result in sanctions up to and including loss of housing privileges.

Weapons
Students found to be in possession of weapons on campus will be evicted from housing and will be subject to university judicial action and/or criminal prosecution. Being judicially removed from housing does not release a student from their housing contract.

From the Housing Team

We are excited to welcome you to campus this fall and are working hard to prepare for your arrival.

Once you receive your housing assignment, your next step is to reserve your move-in time. Instructions on how to schedule your appointment are in your housing assignment email.

All residential students are required to provide a negative COVID-19 test result completed no sooner than 48 hours prior to checking in. Visit wright.edu/coronavirus/residential-living for information on testing and submission requirements.

On Move-In Day, enter campus through the main entrance on Colonel Glenn Highway and proceed to Lot 4 for further instructions. Once you move in your belongings, take time to unpack, meet your neighbors, and settle in. Check out the First Weekend event schedule at wright.edu/engage, explore the upgraded fitness center (located on the first floor of the Honors Community), take a lap around the fitness trail, or try your hand at disc golf.

If you have questions about campus housing or the move-in process, email us at housing@wright.edu, visit wright.edu/housing, or call us at 937-775-4712.

We look forward to seeing you soon!

Campus Safety

To provide a safe and welcoming community, the Wright State Department of Public Safety, Police Division, strives to build positive relationships and provide excellent service to the community it serves. Campus Police have a robust community policing program, including educational training for faculty, staff, and students. While the department focuses these programs on specific topics such as alcohol use awareness, sexual assault awareness, general safety tips, and recognizing distressed individuals and violent intruders, officers are always willing to address other current or prudent educational topics. If you are interested in our community resources or programs, please email wsupolice@wright.edu.

If you need immediate assistance, please call 9-1-1 or contact the Emergency Communications Center. Program the Emergency Communications Center number, 937-775-2111, into your cell phone so you always have it handy.

Resident Assistant (RA)

Each building (or area) has an assigned resident assistant (RA). The RA is there to help build community among residents, point residents to the right resources, and enforce campus housing policies. They are looking forward to meeting you and will be in touch soon.
### Parking Permits

You will need to purchase a parking permit to park a vehicle on campus. After you receive your housing assignment, visit [wright.edu/parking](https://wright.edu/parking) and use the My Parking Account tool to order your permit. Please note: the university no longer processes permits in person.

- **Single Semester Permits** are valid for the semester in which they are purchased. This permit provides access to all general parking areas.
- **Full Academic Year Permits** are valid for the entire academic year. This permit provides access to all general parking areas (yellow and white spaces).
- **Full Academic Year “Raider” Permits** allow for parking in select premium spaces throughout campus. These parking spaces are closest to all campus buildings.

Permits can be purchased using most major credit cards or by adding the permit fee to your tuition bill.

Physical parking permits are not issued. Our parking management system uses your vehicle’s license plate to verify your permit status. After purchasing your permit, you may link up to three vehicles to your account using your license plate number and the make and model of your car(s). Your parking permit allows for only one vehicle to be parked on campus at any time.

We strongly urge new and returning students to visit [wright.edu/parking](https://wright.edu/parking) to familiarize yourself with parking privileges and other parking policies before coming to campus.

Contact the Customer Care Center at 937-775-4444 or visit [wright.edu/parking](https://wright.edu/parking) for more information.

If you fail to move into your housing assignment at the beginning of the Fall Semester 2022, have not followed the appropriate procedures for obtaining a release from your housing agreement, and you are enrolled as a student at Wright State, you will be charged and will be responsible for paying all room fees according to your Residence Agreement. This includes room charges, communications fee, and residential activity fee for Fall Semester 2022 and Spring Semester 2023. Residents of The Village have additional financial responsibility for Summer Semester 2022 as indicated in their Residence Agreement.

Tobacco use, including the sale, advertising, sampling, and distribution of tobacco products and tobacco-related items, is prohibited in all university facilities, on all university-owned or leased grounds, university-owned or operated residence halls and apartments, and at all university sponsored events, regardless of location. Tobacco use is also prohibited in all university vehicles or on any equipment owned, leased, or operated by Wright State University.
