If more than one instructor will teach the course, provide information for each:

Instructor 1: ________________________________________________
Title: ________________________________________________
Department: _____________________________________________
Title and term of your most recent Honors course: ________________
Briefly describe your teaching style:

Instructor 2: ________________________________________________
Title: ________________________________________________
Department: _____________________________________________
Title and term of your most recent Honors course: ________________
Briefly describe your teaching style:

Most courses are offered without cost to the University Honors Program, but when it is necessary and as budget permits, the Honors Program compensates departments for the instructor’s time or pays overload contracts. Please estimate the amount required. Funds for external guest speakers may be considered (up to $500).

Is compensation essential?  
Yes  
No  
$ ___________

Guest speakers (external only):  
$ ___________

Supplies:  
$ ___________

Other (specify):  
$ ___________

Total:  
$ ___________
