Subj: Inclement Weather Schedule

Severe winter weather conditions may result in a delay in the opening of campus or closure of the university. These actions will result in the postponement/cancellation of events effected by the delay/closure. Please note that intercollegiate athletics and events booked at the Nutter Center are reviewed on a case-by-case basis and may continue during a delay/closure.

Despite a university delay/closure, the Student Union will maintain a modest schedule with the primary purpose of serving the needs of our residential population. The Student Union will operate under the following schedule if inclement weather leads to university delay/closure while classes are in session:

**Delay in opening:**

- All events scheduled before the designated opening time will be postponed/cancelled
- Building Hours:
  - Monday-Friday: 9am to normally scheduled closing time
  - Saturday-Sunday: 10am to normally scheduled closing time
- Rec Center Hours:
  - Monday-Friday: 10am to 10pm
  - Saturday-Sunday: 1pm to 8pm
- Union Market/Tim Horton Hours:
  - Monday-Friday: Open one hour prior to delayed opening time to normally scheduled closing time (i.e. If WSU delays opening until 10am, the Union Market/Tim Horton's will open at 9am)
  - Saturday-Sunday: Closed

**University Closed**

- All events cancelled (WWP Series Miscellaneous)
- Building Hours:
  - Monday-Friday: 9am-9pm
  - Saturday-Sunday: 10am-9pm
- Rec Center Hours:
  - Monday-Friday: 10am-8pm
  - Saturday-Sunday: 1pm-8pm
- Union Market/Tim Horton's Hours:
  - Monday-Friday: Closed
  - Saturday-Sunday: Closed

### **Early Closure**

- All events will end at the designated closure time
- Building: Close at 9pm
- Rec Center: Close at 8am
- Union Market/Tim Horton's: Close at 3pm

Please visit the University Police website (<http://www.wright.edu/emergency-preparedness>) for more information on university procedures or to sign up for Wright State Alert.

Please note that extreme weather may result in changes to these guidelines.
