Definition
The Ohio Board of Regents defines articulation as a planned process that allows students to move without hindrance through the education process, including the transition between secondary and post-secondary levels of instruction.

Purpose
A partnership between the Agriculture Programs of Wright State University–Lake Campus and Jay School Corporation has been designed to recognize and to reward those graduates who have acquired the skills for credit in specific introductory courses. Wright State University–Lake Campus will recommend credit to graduates who fulfill course requirements agreed to in this document.

Advantages
- The student will be able to complete a degree in less time.
- The student will save money by completing fewer classes.
- The student can supplement the degree program with optional courses, if desired.

Process:
1. Complete Articulated Credit Verification of Course Completion form.
