DIRECTOR'S MESSAGE

Welcome Back! I hope that you all had a fun and restful summer, and are looking forward to the start of the new year. This year we look to grow our service usage back to our normal numbers. So, please make an effort to encourage those who need our help to come early and often. And, remind them that our service is free. In conclusion, I want to thank you for all that you do for Math Learning Center!

TUTORS OF THE MONTH:

Alexa Sutton

TUTOR SPOTLIGHT: *HARLEEN BAJAJ*

I became a math tutor because math has always been my favorite subject. During grade school, I always wanted to be a math teacher. I have always enjoyed helping and working along my classmates and friends. I noticed that teaching someone else helps me learn the concepts myself!

Fun Fact: I love exploring new coffee shops. This past summer I visited over 12 new coffee shops!
