

# MLC MONTHLY

Updates | Exciting News | Upcoming Events

## Birthdays

This month's birthdays include:

Baylee Mayhugh on October 25th!

Be sure to wish her a happy birthday!

## Tutors of the Month

September's tutors of the month are Shannon O'Sullivan, David Berhow, Rebecca Ewing, and Paige Combs! Thank you all for your hard work! Congratulations!

## Quote of the Month

"Mathematics consists in proving the most obvious thing in the least obvious way." -- George Polya

what part of

$$\mathcal{L}_{0,EW} = -(\overline{\psi_{eL}}, \psi_{eL}) \gamma^\mu \left( \partial_\mu - i \frac{g}{\hbar} \vec{A}_\mu \cdot \left( \frac{1}{2} \vec{\sigma} \right) - \frac{1}{2} i \frac{g'}{\hbar} B_\mu \cdot (-1) \right) \begin{pmatrix} \psi_{eL} \\ \psi_{eL} \end{pmatrix} - \overline{\psi_{eR}} \gamma^\mu \left( \partial_\mu - \frac{1}{2} i \frac{g'}{\hbar} (-2) B_\mu \right) \psi_{eR}$$

don't you understand?

## Director's Message

Let me first say thank you for all the hard work you have done during the Fall 15 – Summer 16 year, and welcome back for the Fall 16 semester. This is the first edition of our newsletter, and it will highlight our activities, provide updates, and much more. By offering support programs and a welcoming place for students to gather, study, and learn we are helping students to find a home here at the MLC. Your amazing work has contributed to the doubling of our sessions and visits in the Math Learning Center, and I look forward to continuing this journey as we increase our programming, resources, and training.

- Emanuel Clayton, MLC Director

## Upcoming Conferences, Programs and Workshops:

.....  
 These are some upcoming events that could be beneficial to you as a tutor:

- **CRLA Annual Conference, Nov. 3-6th, Louisville, KY**
- **OCTM Annual Conference, Oct. 29-30, Sandusky, OH**
- **Women in STEMM Leadership Institute Research Symposium, Friday, Oct. 21, 12:30-5:30 pm, Student Success Center**
- **SPSS Workshops, Math and Micro 170:**
  - The Statistical Consulting Center is offering an introductory hands-on tutorial using version 21 of SPSS for Windows. This 2 hour tutorial has no prerequisites and assumes no prior experience with SPSS. The tutorial is offered free of charge. Dates offered:
    - Oct. 7th, 10 am -12 pm
    - Oct. 14th, 3 pm -5 pm
    - Oct. 21st, 10 am - 12 pm
    - Oct. 28th, 3 pm - 5 pm

If anyone has any questions about these workshops, or would like further information, please email Emanuel Clayton at: [emanuel.clayton@wright.edu](mailto:emanuel.clayton@wright.edu) .

## *CRLA Certification*

The MLC submitted its application for the CRLA – International Tutor Training Program Certification (ITTTC). The turnaround time is approximately four months. So, we hope to officially be able to certify tutors by January. Information and training modules to be completed for CRLA certification have been posted to our Pilot page.

## *Sunday Hours*

Don't forget to remind students that we are open from 2pm-7pm in the Dunbar Library.

## *Just Some Reminders:*

- Remember to keep noise levels down.
- Make sure to keep aisles clear and to clean tables at the end of the day.
- Be aware of students entering the MLC and those who raise their hands for help, and keep electronics usage to a minimum.
- Ask students if they have signed-in.

## *Current Lead Tutors*

The current lead tutors at the MLC are:

David Berhow - MTH 2300, 2310, 2320

Shannon O'Sullivan - STT 1600/2640

Alex Vaughan - MTH 1280, 1350

Baylee Mayhugh - MTH 2280

If anyone has any questions, or needs help while Emanuel is out of his office, please let them know and they will be sure to help!

## *Praxis Workshops*

During the month of October, the MLC lead tutors will be holding Praxis Core Math Prep Workshops for Education Majors. These workshops will be held in the MLC on Fridays from 4-6pm.

## *Tutor Spotlight — Shannon O'Sullivan*

I started tutoring other students while I was in high school and absolutely loved it, so I was so happy when I got the opportunity to tutor here at WSU! I love tutoring because I love helping people understand something they're having trouble with, and I love the moment when a student really grasps a concept. A fun fact about me is that I'm a crazy cat lady — I have three cats and I'm not ashamed! I love them!
