There are two Calculus Pathway choices for STEM majors and the correct choice depends upon your major. Ask your academic advisor which mathematics course choices are right for you. To find your advisor, visit www.wright.edu/advising.

1. Students can take the Math Placement test to increase their MPL. See www.wright.edu/testing for instructions.
Math Placement Level Policy

Math Placement is determined by your Math Placement Level. The courses you need will be determined based on your intended major. Ask your academic advisor which mathematics course choices are right for you.

TO LEARN WHAT YOUR MATH PLACEMENT LEVEL IS, PLEASE USE THE TABLE BELOW.

MPLs of 23, 24, & 25 are earned placements for eligible Wright State University students. These levels do not apply to DEV coursework from other institutions.

**PLACEMENT SCORES AND TRANSFER CREDITS**

- Students who wish to challenge their current MPL should take Wright State’s proctored ALEKS Math Placement Test.

- Students should not test or retest once enrolled in statistics, math, or developmental math past final drop date or after earning course letter grade.

- Transfer students who do not have transfer credit (within two years) for an equivalent Wright State math course may take the ALEKS Math Placement Test.

**TO TAKE WRIGHT STATE’S PROCTORED ALEKS MATH PLACEMENT TEST**

- The ALEKS Placement Assessment can be scheduled at the Dayton Campus or at the Lake Campus.
  - **DAYTON CAMPUS:** [https://www.wright.edu/student-success/testing/math-placement-testing#registration](https://www.wright.edu/student-success/testing/math-placement-testing#registration)
  - **LAKE CAMPUS:** To test in Celina, Ohio, call (419) 586-0300.

- A non-refundable $25 Math Placement Test fee will appear on an upcoming tuition statement or separate bill after initial ALEKS score posts to Wings.

**REMEDIATION-FREE STANDARDS**

Students with non-expired ACT math scores ≥ 22, "old" SAT math scores ≥ 520, or "new" SAT math section scores ≥ 550 cannot be placed in developmental math due to state remediation-free standards.
