

Flipgrid is a website that allows students to interact with questions posed by faculty. Each grid is like a message board that contains questions, within an area called "topics." Students can post video responses that appear in a tiled grid display. On mobile devices, Flipgrid works within the flipgrid app available on iOS and Android devices.

Use:

Flipgrid will be used for group-based discussions and activities. Access to a class Flipgrid will be provided in Pilot through with a direct URL.

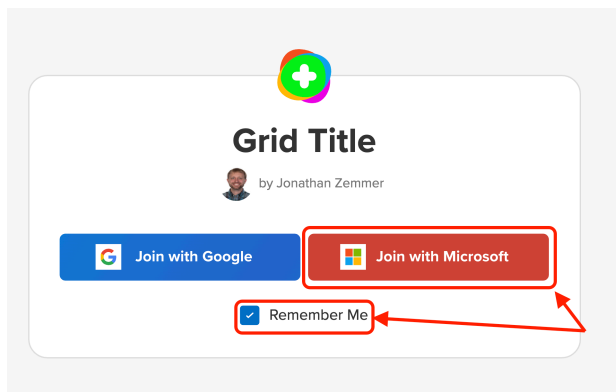

System Requirements:

Flipgrid works best with the latest version of Google Chrome. Flipgrid requires the use of a standard webcam and microphone.

Step 1 Accessing Flipgrid

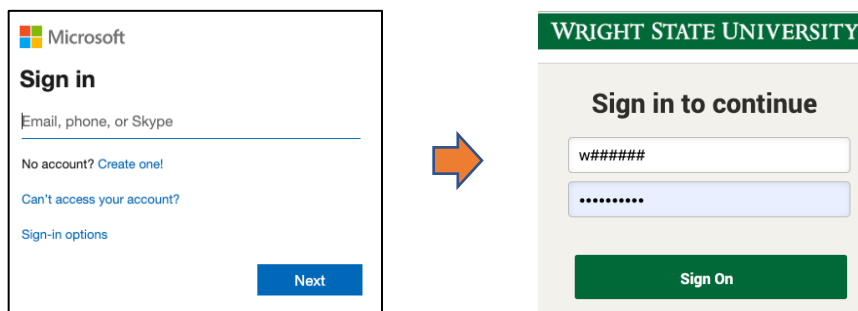

1.1 Click on the Flipgrid link provided in Pilot.

1.2 Select "Login with Microsoft" and "Remember Me"

1.3 Enter your Wright State email address in the provided field.

1.4 Use your W# and password

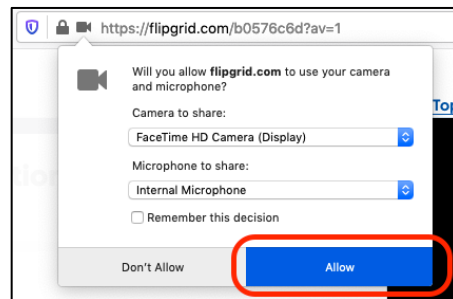

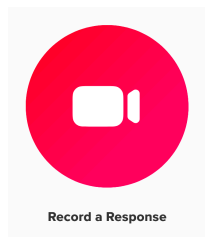

Note: Once you are logged into a Flipgrid, the default topic will be displayed on the screen.

Step 2: Creating a topic response.

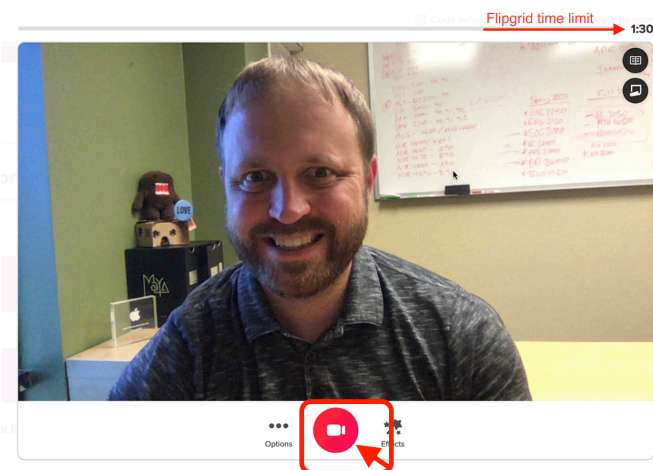

You will need a webcam with a microphone to create a topic response.

2.1 Click on the red record icon

2.2 Select “Allow”

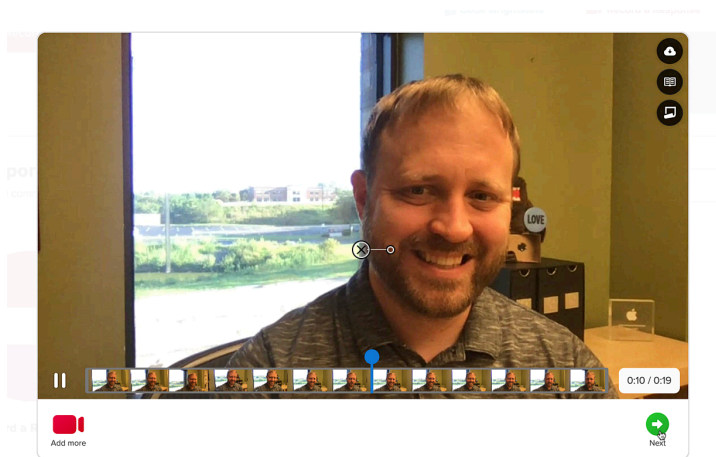

2.3 Use the record button to record your response. There is a set time limit for each response. When recording your response, the timer will count down until the time limit is reached.

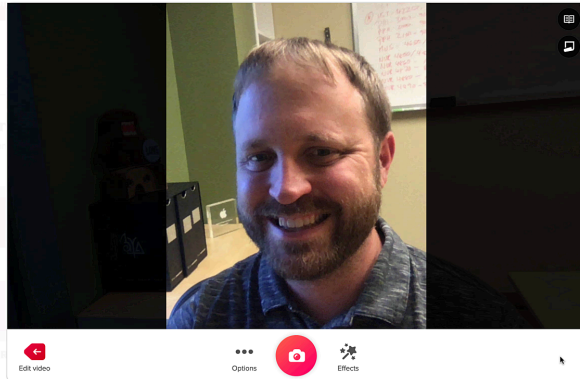

2.4 When you are done recording your response click the “Next” button on the bottom right

2.5 Review your response. Click the arrow button to complete the response submission

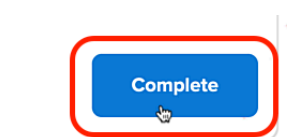

2.6 Create a Selfie for your response thumbnail

2.7 Add your name to the “Display Name” field and click “Submit.”

A screenshot of the 'Submit your video' form. The form is titled 'Step 4 of 4 Submit your video'. On the left is a video thumbnail of the man from the previous screenshots. On the right are three input fields: 'Display name' (with 'Student Name' entered), 'Link (optional)', and 'Title (optional)'. At the bottom right is a blue 'Submit' button with a white arrow pointing right.

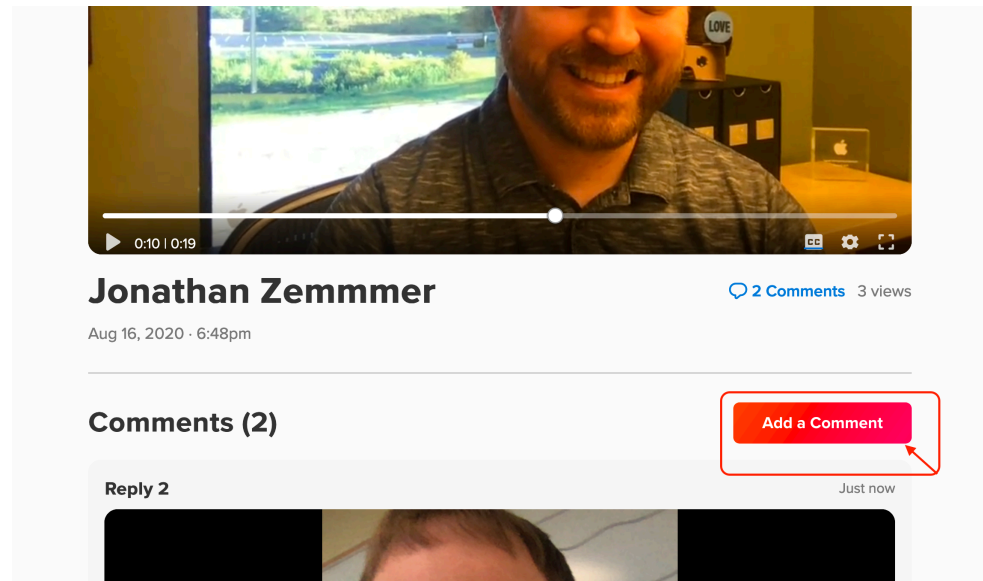

2.8 Click the “Complete” button to finalize the submission.

Step 3: Responding to Flipgrid post

3.1 Click on the Flipgrid post you want to respond to

3.2 Click on the red “Add a Comment” icon

3.3 Record and post your response. Creating a reply is similar to the steps used in creating an initial post.

Note: Flipgrids can contain more than one topic. Other topics can be accessed by clicking on the dropdown arrow below the topic title.
