Terms and Conditions of the Payment Plan for 2017-2018

What is the Payment Plan?

The Payment Plan is a way to spread your term fees for tuition, insurance, university housing, and other fees over installments. Books, personal expenses, and non-university housing are not included. A non-refundable application fee is assessed each semester for students using the plan and is paid with the first payment which must be paid on or before the due date. The 4-Payment Plan requires 5 percent down for the first payment if paid prior to the second payment due date, followed by three equal payments by the scheduled due dates. If the first payment is made on or after the second due date, a 37% down payment is due. You are given the option in subsequent terms to continue on the payment plan if all terms and conditions are met.

4-Payment Plan Due Dates

\$25 Non-refundable Application Fee

Summer Term (Available 4/1/18– 5/31/18)

Due Date #1: April 15

Due Date #2: May 15

Due Date #3: June 15

Due Date #4: July 15

What if I am receiving financial aid?

The total amount of financial aid that is approved by the Office of Financial Aid is deducted before the amount of your payments is determined. The first payment cannot be paid by your financial aid. If the amount of term financial aid received exceeds the amount which is owed on your account, a refund check will be mailed or electronically deposited to you as outlined on the financial aid award letter.

What if I miss a payment or make a late payment?

It is your responsibility to know when payments are due and to pay on time. Electronic billing notices for upcoming payments are provided as a courtesy notice only and payments must still be made by the due dates even though an electronic billing notice may not have been received. If installment payment is not received by the due date, you will be assessed a \$50.00 late fee for each late payment. A "HOLD" will be placed on your account which will prevent dropping or adding classes and your ability to receive an official university transcript. Delinquent balances will be reported to the credit bureau(s) and if you fail to repay the plan as agreed, legal action could be taken against you. In addition, you may be assessed and required to pay any costs incurred in the collection process of this plan including, but not limited to, late charges, collections and litigation costs. If your check is returned from the bank, a \$25.00 returned check fee will be assessed in addition to the \$50.00 late fee. Late fees and penalties must be paid first before payments will be applied to the outstanding principal balance.

What if I drop a class or withdraw from school?

See term class schedule for dates on Raider Connect's website

If you receive federal financial aid, including loans, contact Raider Connect **before** you withdraw from classes. The Federal Refund Policy affects students receiving federal financial aid and withdrawing from all classes. Withdrawal most likely will result in a **balance owed** to Wright State University.
