

Application Requirements for International Graduate Students

Major (Degree)	Pharmacology and Toxicology (Master of Science)		
College	Boonshoft School of Medicine		
Program Description			
<p>The program leading to the Master of Science degree in the Department of Pharmacology and Toxicology will prepare students for careers in industry, government, education, and research organizations or for further professional training. It is offered in close cooperation with the U.S. Air Force and Navy Toxicology Laboratories located at Wright-Patterson Air Force Base. This program differs from other undergraduate major or master's-level programs currently offered at Wright State University, both conceptually and with respect to employment and career options. It provides a comprehensive introduction to the broad range of theoretical concepts that comprise these disciplines, providing both historical context and state-of-the-art technical approaches to solving pharmacological and toxicological problems. This goal of providing students with a career-oriented yet theoretically based education will be accomplished within the core curriculum through the combination of text and literature-based lectures, complemented by laboratory instruction and journal club type seminars, and culminating with a thesis research project.</p>			
Admission & Assistantship Deadlines			
Admission Semester	Application Deadline		Deadline to Apply for Departmental Funding
Spring	Not Applicable		Not Applicable
Summer	Not Applicable		Not Applicable
Fall	May 15		Contact Department
Admission Requirements			
GPA (Minimum)	GRE/MAT (Minimum)	GMAT (Minimum)	Proof of English Proficiency (Minimum) <i>One from the below</i>
3.0	Not required		TOEFL IBT 79
			IELTS 6.0
			Pearson PTE 57
			LEAP 4 Yes, Conditional Admission
			Degree Earned in the USA
Letter of Reference	3		
Personal Statement	Essay	Undergraduate Background Requirements	Other Requirements
A personal goals statement		A baccalaureate degree in physical, chemical, or life sciences with undergraduate level courses in biochemistry, molecular biology, molecular genetics, and cell biology is generally required.	
<i>Notes: Official transcripts from all colleges/universities attended (other than Wright State) and degrees are required for most programs. Financial Statement is required for I-20 processing. Proof of English Proficiency is required from all international students.</i>
