

Application Requirements for International Graduate Students

Major (Degree)	Public Health (Master of Public Health)		
College	Boonshoft School of Medicine		
Program Description			
<p>Wright State University Boonshoft School of Medicine is pleased to offer the Master of Public Health (M.P.H.) degree, a graduate program for leaders in public health. Two concentrations are available including: Population Health and Health Promotion & Education. The WSU M.P.H. program is operated in partnership with 28 health districts throughout Southwest Ohio and seven academic divisions within Wright State University. The university and faculty are committed to working with key stakeholders and organizations in the community.</p> <p>As Southwest Ohio's first M.P.H. program, the program is responsive to the educational needs of working public health and other professionals who serve a population of nearly three million residents. Its diverse student body includes in-career professionals, medical students, recent college graduates and individuals making a career change.</p> <p>Note: Classes for this program are offered at all off-campus facility (7 miles from the main campus) with no mass transportation available. A program fee is billed in addition to fees and tuition billed by the Graduate School.</p> <p>M.P.H. website: medicine.wright.edu/mpH</p>
