

Resolution 18-01:
**A Resolution Urging a Bipartisan Resolution for the Beneficiaries of the
Deferred Action for Childhood Arrivals (DACA)**

WHEREAS, President Donald J. Trump and his administration rescinded DACA, affecting approximately 800,000 undocumented immigrants nationwide; and

WHEREAS, Over 20,000 students in the State of Ohio benefit from the DACA program; and

WHEREAS, Wright State University values all individuals from diverse backgrounds and its Diversity Statement reads, "...Wright State University will be a model for our geographic region, exemplifying that a human community can exist that celebrates diversity, enjoys the richness that diversity brings to our lives, and grows stronger with every new member;" now, therefore, be it

RESOLVED, That the Student Government here assembled at Wright State University urges U.S. Senator Sherrod Brown, U.S. Senator Rob Portman, and U.S. Representative Mike Turner to craft bipartisan legislation that protects current DACA recipients from deportation from the United States and empowers them to become naturalized citizens.
