university center for
**INTERNATIONAL
EDUCATION**
AT WRIGHT STATE UNIVERSITY

Wright State University

International Festival

The Wright State staff, faculty and students, as well as the greater Dayton area community are all invited to the upcoming International Festival. The Festival will be held in the Spring semester (annually).

The International Festival is an exciting opportunity for the University Center for International Education to celebrate its ongoing relationship with Dayton's diverse international community. It features performances by ethnic groups, colorful displays by our international students, and food from all over the world. For nearly three decades, Wright State University, through the University Center for International Education, has hosted a wonderful event at which all WSU students as well as the Dayton area community have had the opportunity to learn about aspects of the culture and heritage of the Wright State international student body.

Over the years, it has developed into one of the most celebrated and unique events at Wright State University. It has provided the opportunity for people from both the Wright State University campus and the greater Miami Valley community to be able to share experiences with our international students. We take pride in the diversity and global perspectives of our international students who currently represent over 70 countries around the globe.

WELCOME TO WRIGHT STATE UNIVERSITY

Again, we at the University Center for International Education (UCIE) wish to extend you our welcome to Wright State University. We hope that you will enjoy your time here.

As an Exchange Scholar you will have the unique opportunity to experience a new culture up-close, and have a wonderful university community experience. In turn you will be an 'ambassador' for your country, giving an impression of your culture to all the American faculty, staff and students you meet at Wright State University. Moreover, you will become a member of the international student and scholar community at Wright State University.

Together the international community at Wright State University has created a positive relationship with Wright State University and the surrounding community. Now we ask you as incoming scholars to help us maintain and improve upon this relationship.

In this handbook we have compiled useful and sometimes necessary information to help you get settled in comfortably, but also to keep as a resource manual for the entire length of your stay at Wright State University. If you have any questions regarding any of the information in this handbook, please come and see one of our UCIE staff members or office Graduate Assistants. Also, more information can be found on our web-page: www.wright.edu/ucie/

Enjoy your stay at Wright State University,

Steve Lyons, Assistant Director, University Center for International Education

UCIE INTERNATIONAL SCHOLAR CERTIFICATE OF UNDERSTANDING

Directions: This form is intended to help you by providing you with a record of things you need to do in order to maintain your legal J-1 visa status in the United States while at Wright State University (WSU) as a visiting scholar. By signing below, you agree to the following:

- * I will inform the UCIE Office immediately of any change of personal data (name, address, SSN number, marital status, etc.). I must contact the UCIE to request a transfer to another school. I am aware of my obligation to inform the UCIE Office of a change of address within 10 days of moving.
- * I will take responsibility to insure that my visa status-related documents (DS-2019, and passport) remain unexpired and will apply for extensions and renewals of these documents in a timely fashion. I understand that passports must be kept valid for at least 6 months in advance and I-94 or DS-2019 forms must be renewed a minimum of 30 days before their expiration date.
- * I will not work on or off-campus without first obtaining written authorization from the UCIE office. I understand that to do otherwise will violate my J-1 visa status and will make me ineligible for any kind of employment in the U.S. or program extension, and/or could ultimately jeopardize my legal visa status in the U.S. I acknowledge the minimum period for on-campus work authorization processing is 5 business days, and off campus work authorization processing times range from 10 days to 3 months. I will make my applications in a timely manner considering these processing periods.
- * I will maintain continuous health insurance coverage for myself and my dependents on my DS-2019 during my stay. I understand that the health insurance must meet the minimum qualifications which were specified for me when I accepted my Wright State University DS-2019.
- * I will bring requests to the UCIE office in a timely manner realizing that I must give UCIE a minimum of 3 business days for requests to be processed and completed. I understand that making an appointment with the UCIE Exchange Visitor staff person is the most efficient and appropriate way to make these requests.

Date of Birth: _____

ACCESSING THE UNIVERSITY ID NUMBER (UID) & WRIGHT ONE IDENTIFICATION CARDS

Gaining Access to Wright State University online Account:

The scholar's host department head must complete the **Computer Account Application Form** to access the Wright State University Account and University Identification Number. This form can be obtained by contacting the Computing and Telecommunications Services (CaTS) , located in 025 Library Annex. Telephone: (937) 775-4827 or 1-888-775-4827.or accessing the provided link : <http://www.wright.edu/cats/forms/pdf/accountform.pdf>

The University Identification Number (UID) will enable scholars to access Wings Express features online and facilitate the Wright State University Identification Card (WSU-ID) application.

Wright State University Identification Cards:

Scholars affiliated with a WSU department are eligible to have a Wright1 Card ,The sponsoring department must complete the **Affiliate Card Authorization Form** that can be found at: <http://www.wright.edu/wright1-card/departmental-cards>. Scholars must take the form to the Wright1 Card Center, E234 Student Union, when they are ready to have their card printed. The cost of each card is \$5. The scholar's passport must be presented to the Wright Card Center to prove identity.

Computer Account Application
Computing and Telecommunications Services

Please read and fill out this application completely. Applications that are not complete or for persons not already processed in Human Resources, School of Medicine, or the Registrar will not be processed. If you have questions about this application, contact the Help Desk. Please return completed application to the **Help Desk in 025 Library Annex** or fax to (937)775-3331.

Legal Responsibilities:

The purpose of this statement is to inform you of your legal responsibilities and requirement as a user of Wright State University computer systems.

Your account is to be used only for authorized use. All users must be registered with Computing and Telecommunications Services. Frivolous applications, commercial use, and unauthorized use or misuse (game playing, unauthorized use of files, any form of personal harassment, etc.) are prohibited and could result in the loss of your account and charges being brought against you through an appropriate University office. Your account(s) is (are) for your use only; sharing of accounts and passwords is strictly prohibited. For acceptable use guidelines for campus computing, see: <http://www.wright.edu/wrightway/2002.html>

Students must be authorized to register for classes to obtain and maintain an account. Access will be disabled during unauthorized quarters.

Password resets will be done only in person, with a government issued identification card (example: driver's license). If this is not possible, please contact the CaTS Help Desk.

I have read, understand, and accept the above responsibilities as an account holder, and I agree to comply with these and all WSU Computing and Telecommunications Services policies and conditions.

WSU COMPUTING & TELECOMMUNICATIONS SERVICES (CATs)

Computing and Telecommunications Services (CaTS) provides service and support for university telephones, campus networking, Internet access, and administrative and academic computing resources. You are encouraged to use these resources to enhance your learning experience. We maintain computer labs (most open 24 hours) with machines networked to international resources, laser printers, and numerous software applications to complement your classroom activities. The computers in these labs not only provide desktop productivity applications, but also provide high-speed access to larger computer platforms, such as our UNIX system, the University Library databases, and other Internet resources. WSU has a strong commitment to providing accessibility to all of its students. In support of this commitment, a variety of adaptive technologies is available to provide computer access to students with adaptive needs.

Services

CaTS CAMPUS account. You will get an account name and password that you will need to access the Internet, your e-mail messages, and other computing resources. Your account remains active as long as you are enrolled in classes (including summer break if you are registered for the next Fall quarter). Your CAMPUS account is a stable resource for your university communications, and its use is required for all official university communication.

WINGS is your single sign-on portal to Wright State services, content and so much more. Visit wings.wright.edu to access campus announcements, email, and much more.

You can get software for free or at significantly reduced prices from CaTS to use on your personal computer. Wright State has teamed up with Microsoft, Apple, and other companies to offer popular software programs either free or at significantly reduced prices to faculty, staff, and students.

Location

Questions about computing at Wright State University can be directed to the CaTS Help Desk, which is located in 025 Library Annex. Telephone: (937) 775-4827 or 1-888-775-4827 www.wright.edu/cats/ or vi a e-mail at helpdesk@wright.edu

THE WRIGHT 1 CARD

The Wright1 card is just that - the one and only card you'll need on campus. With the Wright1 card, you can buy food at any of Wright State's food service areas, make purchases at the bookstore, buy items from the vending machines, make copies at the copy machines and at Wright Copy, and use the washers and dryers in Hamilton Hall & Forest Lane (residents only) - all without using cash or credit cards. Since the Wright1 card is also your Wright State ID card, you can use it to check out books and materials from the University Libraries.

Services

University ID: Issued to any new student, faculty or staff member at WSU. Wright1 cards are also available for purchase by any affiliate, alumni or contractor associated with WSU.

Door Access: Your Wright1 card also gives you access to certain doors on campus, depending on your status and classes that you are taking.

Recreation: Your Wright1 card also gives you access to the Student Union Fitness Center and the Nutter Center fitness facilities. Access is granted to currently registered students, paid faculty/staff and affiliates.

Location

The Wright1 center is located in 055 Student Union, and is open between 8:30 a.m. and 5 p.m. Monday through Friday. If this is your first term at Wright State, you must bring your a photo ID. Scholars will be charged a \$10 replacement fee for lost or stolen cards. Please note that this \$10 fee also applies when you change your student admission number in the WSU system.
www.wright.edu/bursar/wright1

DS-2019 TRAVEL SIGNATURE

All J-1 students/scholars, as well as their dependents, must have a travel signature on their DS-2019 that is **less than 6 months old** at the time of re-entry to the U.S. Travel signatures are located at the lower right hand corner on page 1 of DS-2019. When UCIE provides a travel endorsement on your document, it is confirming to the U.S. government that you are eligible to return to the University.

Due to the high volume of requests that is experienced around these periods, it is highly recommended that you submit a travel request in advance to allow health insurance verification which can take up to a week. For travel signature request, you should visit UCIE front desk. Additionally, you should pay attention to announcements for I-20 signing sessions that are scheduled to provide same day travel signatures during the semester.

For your queries related to travel signature requirement, please visit UCIE front desk.

WSU FACULTY AND STAFF WHO CAN HELP NEW J-1 SCHOLARS?

Your Faculty Host

- Co-responsible for airport pick-up
- Address research goals and offer guidance/assistance for location of WSU work-space
- Obtaining WSU ID Card and CaTS account and lab access
- Assistance with Housing Recommendations
- Introduction to faculty/staff colleagues in Dept.

UCIE Staff

- Co-responsible for airport pick-up
- “Check-In”, Scholar Orientation and Visa Validation
- Visa Status Maintenance (Visa Extensions, Health Insurance, Travel endorsements on DS-2019, etc.)
- Information for Opportunities to live with Roommates and/or Temporary Housing
- Introductions to other WSU and Dayton Community Resources

SOCIAL SECURITY NUMBER PROCESS FOR INCOMING NEW SCHOLARS

J-1 scholars who will be employed at WSU you are eligible to apply for a Social Security Number (SSN). To apply for an SSN you need a letter from the UCIE confirming your status as a WSU employee. The following is the process to obtain this letter:

When you complete your application (<http://www.socialsecurity.gov/online/ss-5.pdf>) for an SSN you need to bring the following documentation:

- ❶ Passport
- ❷ SSN Application
- ❸ Letter from UCIE (Please note the section above)
- ❹ Your Original DS-2019 and I-94 form (print I-94 please go to: <https://i94.cbp.dhs.gov/I94/request.html>)
- ❺ Your Original Employment Verification Letter from your employer and Employment Authorization Form
- ❻ Wright 1 Card or other form of a second photo ID

Note: The Social Security Administration advises that you should wait at least 10 days following your entry to the U.S. before you apply for a Social Security Number.

If you have a car or some form of transportation you can go to the **Xenia Social Security**.

**Office 80 N Progress Drive,
Xenia, OH 45385
Ph no: 1-866-755-5372**

If you do not have a car you can go to the **Ohio Social Security Office**. You can take bus number 1 departing from front of Student Union going downtown to the **Ohio Social Security Office**, which is located in the Federal Building at the intersection of Second and Perry Streets.

**Dayton SSN Office
200 West Second Street, Room 209
Dayton, OH
Phone #: (800) 772-1213 or (937) 225-2542
Monday - Friday 9:00 A.M. to 3:00 P.M., no appointments necessary.**

Appointments and Hours of Operation

The Social Security Administration Office Hours are Monday through Friday 9:00 A.M. to 4:00 P.M., no appointments necessary.

I-94 INSTRUCTIONS

sary. The phone numbers are: (800) 772-1213 and (937) 225-2542 <http://www.ssa.gov/pubs/EN-05-10096.pdf>

Beginning in April 2013, Customs and Border Protection (CBP) stopped issuing paper card I-94 records and begin issuing electronic I-94 records. Visitors entering the U.S. by air should now be issued electronic I-94 records and CBP officials will stamp the passport of the traveler indicating the date of admissions, visa type, and authorized period of stay. You can access your electronic I-94 record at <https://i94.cbp.dhs.gov/> by entering your biographical information, passport number and country of issuance (passport).

Your electronic I-94 record is important because it lists your authorized period of stay and shows legal entry to the United States. You will use your I-94 record when checking in with OIE or when applying for a drivers license, social securi-

MAINTAINING YOUR J-1 VISA STATUS & ADJUSTING TO CAMPUS LIFE

1. DO NOT WORK on or off-campus without first obtaining written authorization by the UCIE .
2. Keep your PASSPORT and papers (I-94, and DS-2019) current and un-expired. (Ask the staff at UCIE if you don't know how to determine the status of these documents). In all cases, it is required that you request your visa status extension PRIOR to its expiration.
3. Do not TRAVEL outside the United States without receiving the necessary endorsements on your DS-2019 by a UCIE international student advisor at least 3 days in advance of your trip.
4. You are required to BUY HEALTH INSURANCE year-round, while you remain in the USA. The staff at UCIE will be able to help you buy the health insurance should you have any difficulty purchasing it.
5. Report your current ADDRESS to the UCIE office within 10 days by changing your address at: <http://wings.wright.edu/cp/home/displaylogin>
6. Remember, you will encounter cultural differences between your academic experiences here and those you were accustomed to in your home-country. DISCOVER what these differences are AND ADJUST TO THEM.
7. You are REQUIRED to continually monitor your Wright State e-mail account where you need to read the UCIE e-mail newsletter for announcements relevant to international students' visa status and activities on campus. Additionally, do make an extra effort TO MEET and befriend your American colleagues and TO JOIN in campus activities and organizations. This informal exchange can prove to be both personally satisfying and valuable for later professional contacts.
8. READ AND DO steps 1 through 8 above.

SETTLING DOWN - CULTURAL ADJUSTMENT

Learning to live in a new culture is never easy. For most people it is like riding a roller coaster with many ups and downs. You may feel very happy or excited one day and very sad or lonely the next day. This is very common; everyone experiences some form of cultural stress. These feelings will eventually calm down or go away.

Suggestions for Adjusting to a New Culture

Learn and observe. Learn as much as you can about your host culture and your new environment.

Think positively. Try not to focus on the things you do not like about your host culture. Do not hang around people who have negative attitudes.

Keep your sense of humor: Look for the funny side of embarrassing situations. Everyone makes mistakes; learn from yours.

Speak English as much as possible. Don't worry about making mistakes. Practice, practice, practice!

Go out, take initiative: Find out where people meet and socialize, and make an effort to go to these places. Attend programs sponsored by UCIE! Americans may have had less international experiences than you have. International students usually have to take the first steps in getting to know Americans.

Student organizations provide an excellent opportunity to get involved on campus and allow you to meet fellow RIT students from around the world. Global Union is one of them.

Seeking Help in Coping with Culture Shock

The **University Center for International Education** staff is happy to meet with you. They have overseas experience and are very familiar with the cultural adjustment process. They will also answer questions about your immigration status. All conversations are confidential.

SURVIVAL TIPS

SURVIVAL TIPS - HELPFUL WEBSITES

www.daytondailynews.com	Info about current events in and around Dayton
www.wright.edu/admin/parking/shuttle.html	Campus shuttle schedule
http://career.wright.edu/student/studentemployment/index.html	On-campus employment opportunities
www.priceline.com	Cheap airline tickets
www.cheaptickets.com	Cheap airline tickets
www.reliablecom.com	Cheap phone-cards
www.simple2call.com	Cheap phone-cards

SETTLING DOWN - BANKING

- It is recommended that you open a bank account and obtain a debit/credit card and a check book, because a lot of payments in the US are made electronically, and by card or check. It is also much safer to keep your money in a bank than at home.
- Wright-Patt Credit Union (located in the Student Union) is an excellent choice for students, and offers free checking account and debit card.

In order to open an account, international students are usually required to provide following documents:

- International and current local address.
- Passport.
- I-20 or DS-2019.

SURVIVAL TIPS - MISCELLANEOUS

- If you need a phone number, call 411 or 937 555 1212 (there is a charge), or use a phone directory on the internet.
- Driver's license: For those of you wanting to get a car, you must have an American driver's license. Call 236-1763 or 372-6850 for directions and information on what to bring. You will need the following at the least (ask what else you may need to bring): I-94, Passport w/ Visa.
- Once you have your car and driver's license you **MUST GET INSURANCE!!!** This is very important, as there are heavy fines if you drive without insurance. Also, if you are at fault in an accident you are responsible to pay for the other car's damages if you don't have insurance. You do not need Full Coverage, only liability (covers the other car in case of an accident). If your car is worth \$4,000 or more, We suggest getting full coverage. Contact your insurance company for more information.
- The local newspaper is Dayton Daily News. www.daytondailynews.com
- The mall, located across the Interstate on North Fairfield Road, is also a great place to shop for clothes and other articles; however, it is more expensive usually. TJ Maxx, across from the mall on the left side of North Fairfield Road, is a place where they sell brand name clothes cheap. These are discontinued items and/or slightly irregular items.
- For any other information or help, please contact the UCIE at (937) 775-5745.

SURVIVAL TIPS - CELLPHONE

Plan or Pre-Paid

Most providers in the United States require either a Social Security Number (SSN) or a high security deposit for setting up a contract for your cell phone service. These contracts usually last for one or two years in which you are required to stay with that provider or pay a fee to cancel the contract. Recently, some providers have started to make their services more easily accessible for international students and do not require Social Security Numbers or high deposits for contracts (plans) anymore.

In addition, all providers offer pre-paid options, in which you pay your monthly bill in advance. These do not require a Social Security Number or high deposits and do not require you to stay with the provider for a fixed time period, but may have higher monthly fees. Almost all providers offer additional options to their plans or pre-paid options for international texting (SMS & MMS) and calls. Please note that placing international phone calls can be very expensive.

CONTRACTS

- Most cell phone companies charge for all calls, outgoing AND incoming, though many have free calling within their network.
- Some plans give you a set number of minutes per month. Overage minutes are charged at a much higher rate. Check your plan to see if weekend and nighttime minutes are free.
- If you don't have a US Social Security Number, expect to pay a deposit (the deposit should be returned at the end of the contract). Some providers have become more friendly toward international customers recently. T-Mobile, for example, allows J-1
- Text messaging (SMS) typically carries an additional charge if not included in a plan. Ask about adding texting to your plan.
- For most companies, you must have a compatible phone. Ask specifically if you want to use one you currently have.

Please note: Once a contract is signed, you will be obligated to pay for the entire contract period. Expect to pay a high fee if you break a contract. Contracts generally last 1-2 years.

PREPAID

- If you intend to make calls to your home country, ensure this is possible with your specific plan.
- May be month-to-month subscriptions or "add minutes as you go."
- No deposit required.
- Cheaper phones—generally basic features such as SMS and calling.
- Cost ranges from minimal to comparable to contract services

Major providers:

AT&T:	www.att.com
Verizon:	www.verizon.com
T-Mobile:	www.tmobile.com
Sprint:	www.sprint.com
Virgin Mobile:	www.virginmobileusa.com

SURVIVAL TIPS - HOUSING

Wright State University Housing

Most international scholars who choose to live in on-campus housing prefer the “Forest Lane” two-bedroom fully furnished apartments. Alternatively, scholars who choose not to live in campus housing can find an apartment in one of the neighboring communities. The information below will give you a better idea about the comparative costs, advantages and disadvantages of living on-campus or in private off-campus housing. If, after reading the materials, you decide you would like to live in Wright State University on-campus housing, you may correspond directly with the University Residence Services Office to request accommodation in on-campus living quarter. We encourage you to visit their website: <http://www.wright.edu/housing/>

The materials below will help you compare costs of on-campus and off-campus housing. During the beginning of any academic quarter other than Fall Semester, off-campus housing close to the University is relatively easy to find. If you choose to live off-campus any assistance we can offer is very limited. However, please be advised that off-campus housing is the most expensive in the general WSU area, and as such the prices go down and the standard goes up the by a 10 to 15 minute drive/commute. There are many landlords in the area, many of whom do not advertise on web-sites (e.g., www.apartmentguide.com), and it is advised that you drive around in the area to find out about the current rental offers. This is also very important in order to become fully informed about the location of the apartment. The table on the following page is a rough outline of campus housing costs and comparable off-campus living arrangements. The first three listings are University housing units. Please note that the off-campus housing is calculated with 3 to 4 roommates for living in close proximity to WSU (i.e., higher prices).

<http://webapp1.wright.edu/housing/rates2.php>

- With the exceptions of “College Park” and the “Village”, WSU campus housing is furnished with beds, desks, and other furniture. Most off-campus apartments are unfurnished and you are expected to buy or rent your own furniture. Some apartment landlords may provide furniture for an unfurnished apartment at a higher rental rate. Second-hand furniture can be purchased at thrift stores at very reasonable prices, please see the websites such as craigslist.com.

Off-Campus Housing Tips

- ① Shop around if you can. You will be able to find better deals. Also ask around for reputations of the apartments you are looking at. BEWARE: Some are not always what they seem.
- ② Carefully read the lease contract. If you are going to have more people in than what are on the lease, make sure you draft a separate Roommate Agreement. This will ensure that those not on the lease are legally bound to the apartment and the lease contract. Contact Legal Services for a sample contract or for additional help.
- ③ *Contact your local utility provider to setup water and waste disposal for your house or apartment.
- ④ *Your Landlord should provide utility company contact information.
- ⑤ *Internet & TV access for your home can be obtained through contacting and setting up accounts through local providers (AT & T, Time Warner Cable, Dish Network and Direct TV).

*Note a deposit might be needed along with a monthly cost association. A Social Security Number (SSN) may be requested.

Off-Campus Housing Tips for Parents

- The scholars who have children and want their children to be admitted into any particular school in Beavercreek or Fairborn area, please make sure that you are renting an apartment in that particular jurisdiction of the school neighborhood. All the schools in this area will ask parents about their residential address. Please confirm with the school authority **before leasing any apartment**.

APARTMENTS WITHIN WALKING DISTANCE FROM THE UNIVERSITY

SCHOLAR HEALTH INSURANCE

All visiting scholars are required to have health and accident insurance (for themselves and any accompanying dependents while in the United States) that is in compliance with regulations set forth by the US Department of State. Insurance should be purchased prior to, or as soon as possible after arrival in the U.S. WSU employee insurance alone does not meet these requirements. **The faculty sponsor or other person within the division in the graduate department (requesting the DS-2019 document) is responsible for informing visiting scholars about this requirement, since it involves the scholar's financial arrangements.**

UCIE has information on health insurance policies for international visitors. Visiting scholars who wish to use insurance from their home countries must provide verification that their coverage meets Department of State requirements. A scholar who does not have appropriate health insurance coverage is not employable at the university, and his/her program could be subject to termination.

Exchange visitors are required by US Immigration regulations to maintain adequate health and accident insurance for themselves and any accompanying spouse and/or dependent(s). Information on recommended plans is available in the Univ. Ctr. for International Education (UCIE) Office.

The minimum insurance coverage requirements are:

\$100,000 medical benefits per accident or illness.

\$25,000 repatriation of remains.

\$50,000 medical evacuation to home country.

\$500 ceiling on deductible per illness or accident.

Other considerations; Include provision for co-insurance under the terms of which the exchange visitor may be required to pay up to 25 percent of the covered benefits per accident or illness

Underwritten by an insurance corporation having an A.M. Best rating of "A-" or above, an Insurance Solvency International, Ltd. (ISI) rating of "A-" or above, a Standard and Poor's Claims-paying Ability rating of "A" or above, a Weiss Research, Inc. rating of B+ or above, or such other rating service as the Agency may from time to time specify;

DRIVERS LICENSE

If you have a valid International Driver's License or a valid driver's license from another U.S. state, you may drive a car in Ohio for up to one year from the date of your arrival in the U.S. Your DS-2019 must have been issued for a duration of time that exceeds one year in order to obtain an Ohio Drivers License. However, if you purchase a car and register it in your name, or if you do not have a valid driver's license from Ohio, the procedure for obtaining an Ohio Driver's license is as follows:

1. Get a copy of the Digest of Ohio Motor Vehicle Laws from any Bureau of Motor Vehicles.
2. Go to the nearest Ohio Highway Patrol driver's license exam station to take a vision test and a written test on Ohio motor vehicle regulations and traffic signs. After you pass the written test, you will be issued a temporary instruction permit, which authorizes you to practice for your road test only when there is a licensed driver seated in the front seat.
3. When you have developed your driving skills well enough, contact the nearest exam station to schedule a road test.
4. In order to be issued a license, a foreign national must present:
 - Valid passport;
 - U.S. visa;
 - I-94 card;
 - The following: a DS-2019 along with original letter from a recognized Ohio business or institution stating that the individual is affiliated with (i.e., employed by or attending), and a copy of your housing of your housing lease agreement as proof of residency;
 - The foreign national must show he or she will reside, or has resided, in Ohio for 12 months, which can normally be proven using the above documentation; and
 - Each applicant must state whether or not a permanent Social Security number has been assigned. However, a permanent number is not required to be issued a driver's license. Foreign nationals who will not reside in Ohio for more than 12 months can drive on an international driver's license.

More detailed information about getting an Ohio driver's license and license plates can be found in the [Digest of Ohio Motor Vehicle Laws](#). (also available in [Español](#) and [Somali](#)). You can also find information for new Ohio residents who hold a valid driver's license from another state and want to get an Ohio driver's license in the Digest. Please make sure you purchase auto insurance. It's against the law to drive without it!

AUTO INSURANCE

In order to obtain license plates for a car, you will be required to show proof that you have auto insurance. Many companies offer a variety of auto insurance policies, so you should "shop around". When you have selected a policy, read it carefully before signing any documents. The following companies offer auto insurance.

State minimum insurance requirements are the [car insurance](#) requirements for each state, by law, for their residents. These minimum requirements for each state must have liability protection that meet at least these standards:

- \$12,500 bodily injury coverage per person.
- \$25,000 bodily injury coverage for an accident involving two or more persons.
- \$7500 property damage coverage.

WRIGHT STATE UNIVERSITY POLICE DEPARTMENT

The Wright State University Police Department is dedicated to providing the highest quality law enforcement support services to ensure that faculty, staff, students and visitors enjoy a safe campus environment and institution of higher learning.

Police Department personnel encourage all members of the university community to join us in our effort to maintain a safe and secure environment through campus-oriented community policing. Community members can contribute to this effort by reporting suspicious activity and persons, hazardous or unsafe conditions, lighting conditions or environmental obstructions and traffic hazards. By working together in partnership, the Department and the campus community can achieve the goals of campus-oriented community policing and improve the quality of life at Wright State University.

Please be assured that the Wright State University Police Department takes the issue of campus security extremely seriously. The cooperation and understanding of every member of our community helps us to serve you more effectively and efficiently. Please do your part to help protect yourself and others. The Wright State University Police Department is dedicated to providing the highest quality law enforcement support services to ensure that faculty, staff, students and visitors enjoy a safe campus environment and institution of higher learning.

It is estimated that over 500,000 people will fall victim to identity theft this year. Criminals use a variety of methods to steal Social Security Numbers (SSN), driver's license numbers, credit card numbers, ATM cards, telephone calling cards, and other pieces of information like your birth date or address.

There are two types of identity theft. An account takeover occurs when a thief gets your credit account information and purchases products &/or services by physically using your card at a business, simply entering the number and expiration number on line, or reading the numbers over the phone.

WSU POLICE DEPARTMENT - IDENTITY THEFT CRIME PREVENTION TIPS

Application Fraud is when a criminal uses your SSN and other information to open new accounts in your name.

You cannot totally prevent identity theft, but you can reduce your risk of fraud!

- ❶ Do not carry extra credit cards, your Social Security card, birth certificate or passport in your wallet or purse. On campus – store your wallet in a safe & secure place.
- ❷ Reduce the number of credit cards you actively use. Cancel unused accounts. Don't fill out credit applications just to get the "free gift"!
- ❸ Always put your credit card receipts in your wallet rather than in the shopping bag.
- ❹ Keep a list or photocopy of all your credit cards, bank accounts, & investments in a secure place. Make sure you have the phone number to call to report each stolen card.
- ❺ Never give out your SSN, credit card numbers or other personal information over the phone, by mail, or on the Internet unless you have a trusted business relationship and you have initiated the call.
- ❻ Remove your name from the marketing lists of the four credit reporting bureaus: Equifax, Experian, Novus/Innovis, and Trans Union. Call 1888-5OPTOUT. This will limit the number of pre-approved credit offers you receive, and remove a potential target for identity thieves who use them to order credit cards in your name.
- ❼ Check your credit report at least once a year. If you become a victim of identity theft, you can catch it early by checking your credit report regularly.

Participate in privacy! Only you can reduce your risk of identity theft.

For more information, visit the Privacy Rights Clearinghouse at <http://www.privacyrights.org/index.htm>.

UNIVERSITY PARKING INFORMATION

Services

The Parking Policy web site, <http://www.wright.edu/admin/parking> will help you to understand the parking permit options, and where you are eligible to park. Avoid waiting in line at the Parking and Transportation office for your parking permit, you can access a parking permit application online. Fill it out and drop it off to our office today, or mail it to us and we will have the parking permit fee added to your Bursar bill. You also may order your permit directly either through ROX or Raider Express, call (937) 775-4400, choose option #6, the Raider Express Voice will step you through the parking permit application process, and the fee will appear on your Bursar bill. If you choose, you may mail the application to us with a check.

Location

The Parking and Transportation office is located at 224 Medical Sciences Building and is open 8:30am to 5pm Monday through Friday. If you need any further information, please do not hesitate to contact us, at (937) 775-5690, or go to: <http://www.wright.edu/admin/parking/permit.html>

UNIVERSITY LIBRARIES

When you need information for a class assignment, job interview, travel plans, or just about anything, you can find it at the University Libraries. We offer special databases for class, online articles and pictures in Course Reserves, and access to the best search engines for the World Wide Web. Visit, call or e-mail, or chat with real people interested in helping you succeed.

Mission

The University Libraries are the scholarly information center for the University. In support of the University's mission of educational excellence, the Libraries collect, organize, preserve, and facilitate access to scholarly resources in all formats; support teaching, learning, and research in an intellectually open environment; and provide instruction in the use of traditional and new information resources and technologies

Services

Provide users with the tools and training to enable access to the University Libraries' collections and to resources available nationally. Maintain designated quiet study areas, providing a clean and comfortable study environment. Providing access to professional reference assistance to help patrons use the Libraries' collections and resources

Access

The University Libraries can be accessed via their web site, where you can use many of their online services such as search engines and catalogs.

Location

Paul Laurence Dunbar Library is the main academic library for Wright State University, and is located on the east side of campus, accessible from Loop Road. It supports undergraduate and graduate programs in the liberal arts, sciences, engineering, and business. Telephone: (937) 775-2525 Fax: (937) 775-2356

Fordham Health Sciences Library, is located in the School of Medicine building and supports the School of Medicine, the College of Nursing and Health, the School of Professional Psychology, and graduate programs of the College of Science and Mathematics. Telephone: (937) 775-2003 Fax: (937) 775-2232

For detailed information regarding hours of operation and location: <http://www.libraries.wright.edu/about/lohours/>

STUDENT TECHNOLOGY ASSISTANCE CENTER (STAC)

The Student Technology Assistance Center on the second floor of the Paul Laurence Dunbar Library is dedicated to providing Wright State University students with new ways of using information and preparing students for a lifetime of learning in an increasingly technological world. Students using the STAC have access to Windows and Macintosh computers and the latest software available in multimedia. The STAC helps users to transform traditional materials, such as printed documents, photographs, and analog media, into digital formats with the aid of advanced equipment. The STAC employs trained student mentors who share a wealth of experience, skills, and backgrounds. In a unique peer-to-peer learning environment, knowledgeable mentors are always available to assist students with their projects. All Wright State University students welcome.

Telephone (937) 775-2656 <http://www.libraries.wright.edu/services/stac/>

CHILD CARE SERVICES & SCHOOLING

Wright State University Child Development Center

This center, on the campus of Wright State University in Dayton, Ohio, was founded in 1987. The Wright State University Child Development Center offers Quality Early Care and Education for children 6 weeks to 12 years old. The center was first accredited by NAEYC in January 1990 and was the first early childhood center in Greene County to attain NAEYC Accreditation. Wright State University Dayton, Ohio 45435(at the intersection of University Blvd. and Wright State Rd.) Tel: 937.775.4070 Fax: 937.775.2832

Immunizations

Please note [school health regulations](#) require you to show proof that your child has received the health immunizations listed below: Children are required to have proof of the necessary immunizations in order to enroll in the local public and private schools. Check with your doctor to obtain a history (including dates [immunizations received](#)) of your child's immunizations. Required immunizations include: [Tetanus-Diphtheria](#), Measles, Mumps, Rubella ([MMR](#)), and [Tuberculin \(TB\)](#) [may show recent x-ray rather than immunization for TB](#)

How to Apply:

Complete an application for Mini University, Inc. Child Care Assistance at www.miniuniversity.net. Applications can be obtained from Mini U or [Raider Connect](#). Applications must be returned to [Raider Connect](#).

Infant and Toddler Programs

Mini University's infant and toddler teaching staff use the *Creative Curriculum for Infants, Toddlers and Twos*, developed by Teaching Strategies. They also incorporate the educational quality standards from [NAEYC's Accreditation Criteria](#), [Ohio's Infant and Toddler Guidelines](#), and the [Resources for Infant Educators \(RIE\)](#) philosophy. The RIE philosophy is based on the research of Magda Gerber and Dr. Emmi Pikler.

The RIE (pronounced "rye") philosophy is based on **RESPECT** for each child. The educator respects an infant by talking directly to the child, explaining what he/she is about to do, making eye contact, and by waiting for the child's response. RIE's goal is to help nurture **AUTHENTIC** infants who are: Competent, Confident, Curious, Attentive, Exploring, Cooperative, Secure, Peaceful, Focused, Self-Initiating, Resourceful, Involved, Cheerful, Aware, Interested and Inner-Directed.

Preschool Program

Mini University's preschool teachers use the [Creative Curriculum for Preschool](#), a written research-based curriculum created by Teaching Strategies. This curriculum has been aligned to the Ohio Department of Education (ODE) [Early Learning Content Standards](#).

Ohio Department of Education Core Themes

1. All children are born ready to learn
2. Environments matter
3. Relationships are influential
4. Communication is critical

CHILD CARE SERVICES & SCHOOLING– CONTD

Off-Campus Housing Tips for Parents

- The scholars who have children and want their children to be admitted into any particular school in Beavercreek or Fairborn area, please make sure that you are renting an apartment in that particular jurisdiction of the school neighborhood. All the schools in this area will ask parents about their residential address. Please confirm with the school authority **before leasing any apartment**. To learn more about the school neighborhood boundaries and various school programs, please see the websites at the bottom of the page and contact the school authorities.

Infant & Toddler Program and Preschool Program (6 weeks– 5 Years of Age)

Mini University's preschool teachers use the [Creative Curriculum for Preschool](#), a written research-based curriculum created by Teaching Strategies. This curriculum has been aligned to [Ohio's Early Learning and Development Standards](#).

Kindergarten Program (5–6 Years of Age)

Mini University offers a developmentally appropriate private Kindergarten at our Wright State University location. This program is implemented with a focus on the individual needs and differences of each child enrolled. Kindergarten stimulates each child's learning in all developmental areas physical, social, emotional, and cognitive. This integrated approach to learning, development, and curriculum takes into consideration "the whole child."

Parents often choose Kindergarten at Mini University because of our **small class size** and professional teaching staff. The class generally consists of 16-20 children and is staffed with two teachers, providing a ratio of approximately 1:10. **School-Age Program (6–12 Years of Age)**

The oldest children in a Mini University center are the school age children, affectionately referred to as "the Seniors." These children range in age from 6-12 years old, and are transported from local elementary schools to our Wright State University and Miami University centers. The emphasis in our school-age program is placed on group activities that stress cooperation and respect for others. The children are allowed time to explore, socialize and complete homework with their peers. The classrooms are full of technology and fun, providing opportunities to relax after school, eat a hearty snack, and learn.

High School/ Middle– School/ Elementary School

In order to register a child for school it would be best to contact the board of education office of the intended district and let them know that you have a new student to register. They will then direct you to the appropriate school. It is also important to mention the need for any ESL services that the child/children may require. The Federal government requires that all public schools provide ESL services (English learning programs) for those students that require them. Additionally, bus services are provided for k-12 students. When the child/children are registered the school will work out the bus route. **It is important to note that children can only attend a school located within the district that they live in.** There is also a district registration form that needs to be filled out prior to taking the child/children to register. The form can be downloaded and printed from each school's respective website.

CAMPUS RECREATION

Mission

The Office of Campus Recreation is dedicated to providing quality recreational opportunities for the Wright State community. To meet the diverse needs and interests of students, faculty, and staff, a comprehensive and innovative recreational program has been developed. Among the benefits of participation in Campus Recreation programs are physical exercise, friendship, leadership opportunities, and development of esprit de corps.

Intramural sports include men's, women's, co-recreational, and wheelchair team sports, individual and dual sports, and one-day special events and tournaments. Intramural sports and special events are a great way to make friends and participate in healthy competition.

In addition to intramural sports, a variety of open recreation and fitness programs are available, including a recently expanded, state-of-the-art fitness center, non-credit instructional classes such as aerobics and spinning, recreational and lap swimming, and open gym.

Although our programs are inclusive, there are many adapted activities offered for students with disabilities, including wheelchair basketball and handball, deaf volleyball, and goal ball.

Our outdoor recreation activities, such as rock climbing, white water rafting, and horseback riding, are great opportunities for our diverse community to interact in exciting natural venues.

Sport clubs take a step beyond intramural sports. Clubs are groups of students with a common interest in a single sport/activity. Often, these self-directed groups participate in leagues, tournaments, or activities outside the University.

Registration

To register for Wright State University gym and pool area, J-1 visa scholars are required to pay \$15 per month. For additional family members, registration fees is \$20 per month. There is no cost associated to use temporary lockers available in the fitness center but extra fees will be required if you wish to reserve a permanent locker in general locker room of Student Union.

Please visit campus Recreation Office to complete registration form.

Location (Recreation Office)

The Campus Recreation office is located in E009 in the Student Union. Telephone: (937) 775-5815 Fax: (937) 775-5527.

CAMPUS TUNNEL MAP

A system of tunnels connects almost all buildings on the central campus at the basement level. The tunnels are linked to the upper floors of buildings by elevators and stairways. Signs and color coding help you find your way around the tunnels. To maintain indoor access between the Biological Sciences Building and the Health Sciences Building, you must take the elevator up to the first-floor level.

Legend:

1. Russ Engineering Center
2. Student Union
3. Hamilton Hall
5. University Hall
6. Rike Hall
7. Allyn Hall
8. Millett Hall
9. Fawcett Hall
10. Oelman Hall
11. Brehm Laboratory
12. Mathematical and Biological Sciences Building
13. Medical Sciences Building
14. Biological Sciences Building
15. Health Sciences Building
16. Frederick White Health Center
17. Paul Laurence Dunbar Library
18. Telecommunications
