

## Statement of Selective Service Registration Compliance DocuSign Instructions

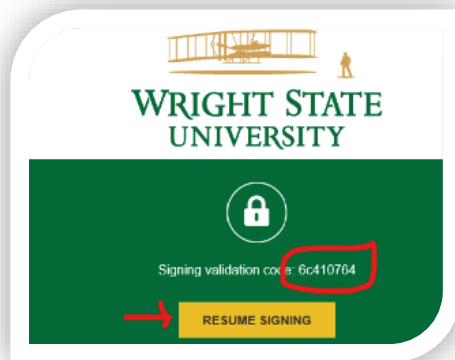

Federal law requires male U.S. citizens and permanent residents between the ages of 18 and 26 to register with the Selective Service System within 30 days of their 18th birthday. Section 3345.32 of the Ohio Revised Code requires Wright State University to determine the Selective Service registration status of its eligible male students. The regulation also stipulates that those students who are required to register and have not done so are to be charged out-of-state tuition and may not be eligible for various federal and state financial aid benefits.
