Services within the Faculty Menu are specific to course assignments and will not be functional for users who are not assigned to teach courses.

*These services require specific accesses beyond access to the menu.

**Class List will display courses assigned to a faculty member. For Advisors and others who are not assigned to courses or require more access, Class List will display all courses by term.

***Look Up Classes is a Legacy service which will be upgraded prior to the end of Fall 2025.

Services listed using red text are available within the Student Search for users with appropriate access.
