Biology Baccalaureate Completion Program

Students who complete an AS degree in Biology at Sinclair Community College may transfer into the Biological Sciences B.A. program at Wright State University. Students should verify their satisfactory academic progress (SAP) requirements with the financial aid office before pursuing classes outside of their AS.

Admission Requirements to the Biology Program at Wright State

1. Cumulative GPA of 2.25
2. 15 credit hours earned
3. Grade of C or higher in BIO 1120 or 1150 equivalency

Additional Information

- Academic information, advisor contacts, and faculty research can be found at www.wright.edu/biology.
- All science and math courses require a grade of C or better to count towards the bachelor's degree.

This agreement will expire two years from date of signature.

**Total: 61**

(*) Five hours of general electives are required, which are all satisfied by the A.S. program. Not all required AS degree hours will apply toward the Bachelor’s degree program.

By completing the AS degree in Biology and the Ohio Transfer Module at Sinclair, students will have met the requirements for the Wright State Core. However, students will still need to complete any remaining courses required by the department within the Wright State Core. Students must also complete at least two designated Integrated Writing courses in the major at Wright State. If students complete Sinclair’s BIO 2130 and 2310 equivalencies, the Biology Department will help them identify two other Integrated Writing courses in the major to fulfill this requirement.
The following additional coursework will be required to complete the BA in Biology program at Wright State University. Sinclair equivalents are identified for students wishing to complete additional hours beyond the AS before transferring to Wright State. Students should verify their satisfactory academic progress (SAP) requirements with the financial aid office before pursuing classes outside of their AS.

**LIFE SCIENCE ELECTIVES**
Select 16 hours from 3000/4000 level courses from BIO and M&I

**NON-SCIENCE ELECTIVES**
Select 18 hours of courses from outside CoSM and CECS (4 hours are completed as part of the associate degree)
At least 3 hours must be at the 3000/4000 level
