

Environmental Health Sciences Completion Program

Students who complete an **Associate of Science (A.S.)** degree at Sinclair Community College may transfer into the **Environmental Health Sciences (B.S.)** program at Wright State University. Students should verify their satisfactory academic progress (SAP) requirements with the financial aid office before pursuing classes outside of their AS.

Admission Requirements to the Environmental Health Program at Wright State

1. Cumulative GPA of 2.0
2. Grade of C or higher in two science courses

Additional Information

- Academic information, advisor contacts, and faculty research can be found at science-math.wright.edu/earth-enviro-sciences.
- All Environmental Health students are required to complete a 400-hour internship program; this is typically accomplished during the summer terms.

This agreement will expire two years from date of signature.
