***[Election Procedure updates for Spring 2021 & Reorganization Transition](#)**

1. Unless the Board of Trustees finalizes the creation and reorganization of a new college in time to initiate and complete an amendment to the Faculty Constitution, Faculty Senators will be elected under the constituencies as listed in the Faculty Constitution and as clarified in the AY2020-21 updates to the Senate's [Fully-affiliated Constitutional Requirements & Constituency Guidelines](#).
2. Upon the official creation of a new college and subsequent update of the Faculty Constitution, current and newly elected Senators from affected departments will convert from their original constituency to the new college's constituency. (i.e. A College of Nursing Senator will convert to a 'New College' Senator).
 - o There will be no changes to term expiration dates of converted Senators, except in cases when a Senator vacates their seat or volunteers to shorten their term to re-balance the staggering of their college's Senate seat term expiration dates.
