Areas of Strategic Focus

Collaborative Delivery of Services

We will strengthen our service-oriented culture by identifying and eliminating barriers to increase efficiency and support accessibility.

Research, Innovation, and Entrepreneurship

We will leverage our innovative education, research, service, and entrepreneurial partnerships to produce graduates who excel in their fields and generate economic and societal prosperity for our region.

Strategic Relationships and Partnerships

We will engage the community in creating innovative, strategic, and deliberate, win-win partnerships.

Teaching, Learning, and Programming

We will deliver accessible, experiential, high-quality programs that address the diverse educational and professional development needs of our students and community.

Student and Academic Life

We will provide an inclusive, diverse student-centered experience through a holistic support-system.
