Program Description

The Student Affairs in Higher Education program provides practical educational experiences for individuals interested in careers in student services. The emphasis of this program is on the administrative perspective of student services that support student development. The Student Affairs in Higher Education program consistently graduated most entering students within two years of entry. The primary mission of this program is to prepare students for leadership roles in higher education student affairs. Integrating theory and practice, maintaining strong interdisciplinary relationships, fostering high-quality research, and sponsoring activities that enhance the development of professionals are high priorities of the program.
