What is a Financial Aid Consortium Agreement? A financial aid consortium agreement is a contract between you, your “home’ school, and your “visiting” school. The “home” school (Wright State University) is the school where you plan to graduate. The “visiting” school is a school where you can complete approved courses and then transfer the earned credits to Wright State to complete your degree or certificate. A financial aid consortium agreement allows Wright State to offer and disburse your financial aid based on enrollment at both schools for a specific enrollment period (such as Summer, Fall, or Spring term) to help pay costs you may incur because you are enrolled at a visiting school.

Please Note: If you are already enrolled full time (12 credit hours) at Wright State University, you do not need to complete a financial aid consortium agreement.

**Important Information**
- Submit this form once you are registered at both Wright State and your “visiting” school.
- Please allow up to 15 business days to process this form.
- This financial aid consortium is different than the SOCHE Consortium/Cross-Registration program. More information: [http://www.wright.edu/raider-connect/loans-scholarships-and-grants/consortium-agreements](http://www.wright.edu/raider-connect/loans-scholarships-and-grants/consortium-agreements)
