AGREEMENT TERMS AND CONDITIONS – 2021-2022 6/2021

This Student Housing Agreement, consisting of this License Terms and Conditions, Campus Housing Policies, Wright State University Student Code of Conduct, and all documents referred to therein, is entered into between Wright State University, and the Resident executing the Terms and Conditions Signature Page.

A. General Terms

Wright State University provides residence facilities for students as an integral part of its educational mission and as an academic support service. Upon return of the Application/Agreement and prepayment/deferment, the student will be guaranteed a room assignment and hence be obligated to the full term of the agreement. **By applying online or in writing and verifying my information, I hereby accept the Terms and Conditions of the Campus Housing Agreement and contract for a space in campus housing. The Housing Agreement is a legally binding contract. When the Agreement is electronically signed, serious legal and financial obligations are created. Please review the Terms & Conditions prior to applying.** If you are under 18 years of age, you must review this information with your legal guardian, and you are verifying their consent on the Housing Agreement. A room assignment will not be made prior to the receipt of the signed Application/Agreement, prepayment and under 18 parental consent (if applicable). All residents will be required to submit medical history and vaccination records to Med+Proctor. Wright State University reserves the right to deny housing to anyone who has been convicted of a felony or misdemeanor.

B. Fees/Payments

The balance of both the room and board fees are expected in accordance with published due dates or by use of the 4 Payment Plan option. All rents are payable without demand or notice before the date set forth, and shall be paid to Wright State University, Office of the Bursar, 3640 Colonel Glenn Hwy., Dayton, OH 45435-0001, or at such other place as the university or its assignees may from time to time direct. Students may make payments and view their Bursar account at: <http://wingsexpress.wright.edu>. Payment due dates are specified on the semester billing statements and are also available at Raider Connect. Student accounts must be paid in full, enrolled in a payment plan, or have sufficient financial aid to pay the balance by the payment due date to avoid cancellation of classes and possible eviction from campus housing. If payment is incomplete, student course registrations will be canceled on the third business day after the first due date for each term. For complete details, please visit <http://www.wright.edu/raiderconnect>. Failure to remit payments by due dates may result in a "HOLD" being placed on a student's academic record, a late payment penalty and possible eviction from campus housing. All accounts that are referred to collections are subject to reasonable collection costs, including attorney's fees and other charges necessary for the collection of any amount not paid when due. These provisions shall in no way prevent the university or its assignees from exercising any other remedy available under the terms and conditions of this agreement or the laws of the State of Ohio as specified in the Ohio Revised Code.

C. Policies/Procedures

By submitting the Application/Agreement, resident students agree to accept and abide by all Residence Life & Housing and university policies, procedures, and regulations and to accept any living unit space as assigned. Residential students are expected to read and abide by the policies, procedures, and regulations published in the Campus Housing Policies as appropriate, which is an addendum to the Application/Agreement, and the Wright State University Code of Conduct. These policies, procedures, and regulations may change from time to time, as designated by Residence Life & Housing.

To avoid any misunderstanding concerning Wright State University, the student is advised that University staff neither enters into any oral agreements, nor make or rely on any oral representation concerning the Terms and Conditions. The entire agreement is expressed in writing and the terms and conditions supersede any understanding by the student that may have been communicated

verbally. Neither the student nor University may rely on any oral agreement or representation for any understanding of fact or law that is not expressed in writing.

A current version of this document can be reviewed at <http://wright.edu/housing>. Violators of these regulations and procedures may be disciplined by a Conduct Review Panel or university staff, according to the due process procedure explained in the Wright State University Code of Conduct or Campus Housing Policies. A current version of the Campus Housing Policies can be viewed at <https://www.wright.edu/residence-life-and-housing/policies>

D. Eligibility Requirements

All campus housing is “smoke-free” and “tobacco free” and the use of any tobacco products will not be permitted in any of the buildings, including all porches and balconies of apartments and all grounds.

Students must be a high school graduate and must be admitted into Wright State University in order to live in campus housing.

Students who are not registered for classes may not check-in to campus housing. The University has discretion to terminate its Agreement with any student who fails to maintain active enrollment.

In order to live in campus housing, students cannot have a prior housing balance.

All students are eligible to live in the Hamilton Hall and The Woods. Those who request and are assigned to the Honors housing must be in the University Honors Program, have a 2.5 or above GPA, a Trustee Scholar, or must be accepted into a specialized theme & interest community scheduled to occupy that building. Other students may be assigned to Honors Hall if interest is insufficient to fill the community.

In order to be eligible to live in Forest Lane, College Park and University Park, students must be 21 years of age, be of sophomore status, transfer student or have lived on campus for two consecutive semesters.

In order to be eligible to live in The Village, students must be 21 years of age, be a graduate or professional student, be married and/or have dependent(s), or be of sophomore, junior or senior status. All occupants must be listed on the student’s lease.

E. Break Housing

Current residents may be permitted to live in their units during break. Students in the Residence Halls who specify that they desire housing for any part of the break period(s) will be charged a Break Housing Fee designed to cover the costs of facility operation during the break period.

F. Summer Semester Housing

Summer semester residents are housed in an area designated for summer semester housing, and if not enrolled in academic courses, must be pre-enrolled for the ensuing fall semester if they wish to obtain a contract during summer semester.

G. University Cancellation

The university reserves the right to cancel this Agreement for reasons including, but not limited to: university response to violations of the policies, procedures, and regulations as published in the Campus Housing Policies or Wright State University Code of Conduct. Any behavior or conduct which: 1) intimidates, threatens, or harasses another Resident/Staff, or 2) is disruptive to the residential community, or 3) compromises the safety and security of the community, or 4) is intended to pressure or cause a roommate to move out or appeal/cancel their housing agreement are all violations of this Agreement, and may be grounds for removal from on-campus housing by the Director of Residence Life & Housing or designee. In addition, Residence Life and Housing may cancel this agreement based on non-payment by student, and in the response to facility emergencies resulting from fire, excessive water flow, weather damage, acts of God, a national pandemic and Residence Life & Housing’s response to rental and/or damage history.

A college or university may terminate a rental agreement with a student tenant prior to the start/expiration of the term of the agreement and require that the student vacate the dwelling unit only when the termination follows a hearing in which it was determined by the college or university that the student violated a term of the rental agreement or violated the college's or university's code of conduct or other policies and procedures. The hearing must be preceded by a written notice to the student, must include a right to be heard, and must otherwise comply with the college's or university's procedures for disciplinary hearings. The written rental agreement must specify the conditions under which the rental agreement may be terminated and specify the college's or university's notice and hearing procedures that will be followed in making a determination under this section.

If a student is removed from campus housing as a result of behavioral misconduct and as determined by the University Discipline Process, the student will receive no refund for the percentage of time remaining in the contract. Removal from campus housing does not relieve the student from responsibility of previous debt, damages or rental obligations unless the misconduct is considered a trigger event. For more information, please visit <https://www.wright.edu/student-affairs/student-life/community-standards-and-student-conduct/code-of-student-conduct/section-xiv-distinguishing-the-student-code-provisions-from-local-state-and-federal-laws>.

H. Enrollment Requirements

Rooms are assigned to students enrolled at the university for the fall, spring, and summer semesters. All residents must be registered for classes and not have a prior housing balance prior to the semester before they will be permitted to check-in to their campus housing assignment. Summer semester residents not taking classes must be pre-enrolled for the ensuing fall semester if they wish to obtain a contract during summer semester.

If a student is currently living on campus for summer semester and has a 2021-2022 housing contract, they will not be permitted to move to their Fall housing assignment if they are not registered for Fall semester classes and/or have a prior housing balance. They will have to check-out July 30, 2021. If a student is currently living on campus for summer semester and planning to live in the same unit for 2021-2022, they will need to check-out July 30, 2021 if not registered for Fall semester classes.

If a student is not registered for classes and/or has a prior housing balance, the student will not be permitted to move into their Fall 2021 or Spring 2022 campus housing assignment. The housing assignment will be canceled, they will forfeit their \$150 prepayment and a registration hold will be placed on their account. Should the student choose to enroll at Wright State University anytime during the 2021-2022 academic year, they will be obligated to live on campus unless they have prior housing balance.

In the event that the student has moved in early for Fall 2021, they must move out of their housing assignment no later than August 17, 2021 and return keys to Residence Life & Housing. Once their keys are returned or the locks are changed, their housing assignment will be canceled, their \$150 prepayment will be forfeited and a registration hold will be placed on their account. Should the student choose to enroll at Wright State University anytime during the 2021-2022 academic year, they will be obligated to live on campus unless they have a prior housing balance.

Fall 2021 residents whose Spring 2022 registration is canceled/not registered for classes and/or has a prior housing balance must move out and return keys to Residence Life & Housing no later than January 3, 2022. Once keys are returned and/or locks are changed, their housing assignment will be canceled and a registration hold will be placed on their account. Should the student choose to enroll at Wright State University anytime during the 2020-2021 academic year, they will be obligated to live on campus unless they have a prior housing balance.

I. Meal Plans

The university requires that all residents assigned to the Residence Halls purchase a meal plan at the minimum prescribed level for each semester in residence.

J. Occupancy

The check-in date is subject to change due to official university holidays. If it is necessary to change the check-in date, continuing and new students will be notified. Early check-ins and late checkouts, when approved, will result in an additional daily charge to

residents.

K. Vacating the Premises

Students residing in a Residence Hall who withdraw or are suspended or dismissed from the university must check out properly and vacate their residences, with their belongings, within 24 hours after the termination of their enrollment. Students residing in a Residence Hall must vacate their unit within 24 hours of the completion of their last final exam of the semester this agreement covers, or by the publicized checkout date and time, whichever occurs first. Room charges are assessed up to the date keys are returned or a core lock change is completed.

L. Rates

All rates are subject to change and must be approved by the Board of Trustees. Final approval of future rates is received by the end of the university's current fiscal year.

M. Damages and Other Charges

The student agrees to use ordinary care in the use of the residence, the furniture, appliances and all other parts of the residential community. Charges for special cleaning, keys, and for repairing or replacing of any damage or loss to property/business necessitated by the lack of due care on the part of the student(s) and/or guests, will be billed to the resident(s) responsible for the damage or charge. If the damage and/or charge cannot be attributed to an individual resident, it will be appropriately divided and charged to all resident(s) of the unit, floor, building, or community. Any defective condition of the unit that comes to the resident's attention must be reported to the Residence Life & Housing at (937) 775-3372 for Forest Lane and Hamilton and (937) 775-4141 for Woods, Honors, College Park, University Park, and Village, as soon as practical or possible. Students will be billed for any pieces of furniture missing from the unit at the time of auditing.

N. Room and Roommate Assignments

The university is committed to a policy of nondiscrimination. Those students wishing to share a room must create a roommate group as per the instructions detailed on the application. Roommate requests based on race, color, religion, age, national origin, national ancestry, sex, pregnancy, gender, gender identity or expression, sexual orientation, military service or veteran status, mental or physical disability, will not be considered. Wright State University will attempt to honor roommate requests, but does not guarantee that all requests will be honored. Only members of the same sex may share the same room, with the exception of specialized housing outlined by Residence Life & Housing. **In the absence of a roommate request, the Residence Life & Housing staff will assign roommates without regard to their race, color, religion, age, national origin, national ancestry, sex, pregnancy, gender, gender identity or expression, sexual orientation, military service or veteran status, mental or physical disability.** Room changes based on race, color, religion, age, national origin, national ancestry, sex, pregnancy, gender, gender identity or expression, sexual orientation, military service or veteran status, mental or physical disability will not be considered. Assignments are made upon receipt of full pre-payment, under 18 parental consent (if applicable) and according to completed housing application date. Continuing students participate in a reassignment process prior to new incoming students. Assignment to a residential community and/or a particular roommate is based on the residents' preference(s), but is not guaranteed.

Final decisions regarding room and roommate assignments are made by the Director of the Residence Life & Housing or their designee. The university reserves the right to assign residents in non-single accommodations without roommates to vacancies in other units. Vacant units are thus available to meet other short-term university needs. Except for consolidating vacancies, no changes of assignments are made during the first two weeks of fall semester, first week of spring semester or the last week of any semester. At other times, changes of assignment are made at the request of the occupants of each residence unit involved and with the approval of the residential community or assignment staff or to consolidate vacancies. In addition, the university reserves the right to change any assignment. The right of occupancy in any residence is restricted to the students who have an accepted agreement and have been assigned to that unit. Assignments are not transferable. Students moving to rooms other than the one

assigned without authorization from Residence Life & Housing will be charged an additional fee of \$150. Overnight guests are only permitted with the consent of all other occupants of the residence unit and in accordance with the overnight guest policy. Residents are responsible for the conduct of their guests at all times. Additional information concerning this section can be reviewed at www.wright.edu/housing. A permission form is required for any minor visiting a Housing unit without their parent or legal guardian present past our posted quiet hours. A minor would be considered "overnight" at that point. The form can be found at <https://wsureslife.forms-db.com/view.php?id=21060> and must be completed and submitted at least five (5) business days prior to the date of the stay.

O. Failure to Prepare for Arriving Students

Vacancies may be assigned by the Residence Life & Housing at any time to students who meet eligibility requirements and desire to live on campus. For this reason, campus residents that have vacancies in their units must not use space or furniture that is not assigned to them. Shared unit spaces, such as bathrooms (and kitchens or living rooms, in the case of campus apartments), must be used by residents in a conscientious manner that ensures that the unit will be desirable for a new resident. Efforts will be made by maintenance and/or custodial staff to prepare vacant space for newly arriving students. Current resident(s) who do not make vacant space acceptable for use as described here will be charged a fee and/or subject to judicial action.

P. Residence Unit Entry by Staff Members

The University shall have the right to enter the premises occupied by the student for the purposes of emergency, health, safety, maintenance, management of applicable rules and regulations, or for any other lawful purpose. Staff members may enter any residence unit for the purpose of maintenance and/or repair and in emergency situations and/or health and safety checks. Entry to a room where there is reason to believe that illegal activities or violations of university regulations are taking place, or for purposes of search or seizure, will be made only when authorized by the Director of Residence Life & Housing or their designee and preferably when the occupants are present.

Q. Local, State, and Federal Laws

Residents should be aware that they are subject to all local, state, and federal laws, including those regarding gambling, firearms, computer use and connectivity, and the use and possession of alcoholic beverages and narcotic drugs. Residents are also subject to all federal, state, and local laws and university regulations and policies regarding computer use and connectivity.

R. Dangerous Items Will Be Confiscated

The Residence Life & Housing reserves the right to confiscate and dispose of any weapon, ordinance, explosive, electrical hazard, device used to contain burning material or other items within its discretion it deems inappropriate or dangerous. The resident agrees not to seek reimbursement for the cost or value of that item by signing this agreement.

S. Medical Forms, Insurance, and Treatment

Student residents are required to carry the WSU Student Health Insurance as provided on the registration forms or to indicate valid health insurance coverage provided by another carrier. In case of illness or injury, Wright State Physicians of Wright State University is authorized to administer treatment to a student. Residence Life & Housing staff members are authorized to obtain treatment or admit a student to a local hospital, if necessary. A reasonable effort will be made to contact parents or a person designated by the student in the event of an emergency requiring admission to a medical facility. Medical history and vaccination records must be submitted to Med+Proctor prior to occupancy. Failure to return the form may result in a "HOLD" being placed on a resident's academic record. Physically challenged students may be required to verify appropriate attendant care as determined by the Office of Disability Services in order to maintain occupancy. Residents requiring special or adaptive equipment, including assistance animals, must provide those items at their expense with the prior approval of Residence Life & Housing and the Office of Disability Services.

Any resident transported for medical treatment by EMTs or other service charging a fee may be required to attend a meeting with Student Advocacy and Wellness staff member or designee. The cost of transportation or summoning emergency transport services for any subsequent incident may be charged back to the student's Bursar account.

T. Personal Property

The university, its agents, owners, or assignees cannot be held responsible for the personal property of student residents or guests. Students are strongly encouraged to carry insurance coverage for any personal belongings brought to campus.

U. Cleanliness and Sanitation

Residents are responsible for the cleanliness and orderliness of their unit and surrounding area and must comply with all applicable laws, appropriate health codes and standards. Garbage, trash, and other waste must be deposited daily in proper receptacles. Each resident is responsible for managing their personal care which includes; but is not limited to, appropriate personal hygiene, mental health, management of medical conditions or illnesses and/or health-related personal needs.

V. Accidents

Residents must make all effort to avoid, and accept full responsibility and risk, for any accidents or injuries that may occur to them or guests on or about the premises. The university, Residence Life & Housing, its agents, or owners are not responsible for accidents or injuries sustained by residents or their guests.

W. Expanded Occupancy

The Residence Life & Housing reserves the right to over assign living units based on need and demand. Space not traditionally designated as living units may be converted into expanded accommodations in an attempt to manage optimum occupancy and to accommodate as many students as possible. Potential expanded accommodations may include, but are not limited to: converted public area space (such as lounges), expanded unit occupancy, and/or local motels/hotels. Students assigned to expanded accommodations will be advised of the same prior to arrival on campus or at the time of check-in. Assignment to expanded occupancy accommodations is not considered grounds for agreement release upon request. These are temporary assignments and will result in relocation to a permanent space. These relocations could occur anytime during the semester and will have the room rates adjusted at that time.

X. Special Provisions

In the event the university is unable to provide the services described herein, which is beyond the control of the university due to extraordinary circumstances, a refund will be determined.

Y. Maintenance

The university or its agents will make all necessary interior and exterior repairs to maintain the unit in a safe and habitable condition as prescribed by good practice and local or state housing ordinances. Failure to comply with a Three-Day Pay or Quit Notice may result in eviction.

3. Other Default

4. Other Remedies

In addition to the specific remedies set forth in this agreement, Wright State University, property owners of The Woods, Honors Hall, College Park, The Village, University Park and their assignee(s) shall have additional remedies available under the Ohio Revised Code for any term or condition in this agreement. CC. Holding Over After the Term of the Agreement

If the resident remains in possession after the termination of the agreement, whether termination is at the option of the university or not, the resident agrees to pay rent until possession is surrendered to the university, and to reimburse the University for Charges arising from said resident's holdover. Damages may include, but are not limited to: payment of rent until a new resident takes possession, costs incurred in finding a new resident (if resident's holdover results in a loss of subsequent resident), costs to the university for alternate housing for a subsequent resident during the holdover, costs of eviction of resident including reasonable attorney's fees.

No one may construe that the resident is authorized to assign this agreement or sublet any portion of this agreement except in a manner as allowed in the housing agreement. If a student is academically dismissed from the university prior to move in they will be refunded the full prepayment amount.

For Spring 2022 or Summer 2022: Students who submit a written request for release at least two weeks prior to the move-in day for

the semester that begins their agreement will be released and the full prepayment will be refunded. Students who provide a written request for release less than two weeks before their designated move-in day and who are released from their agreement will forfeit their entire prepayment.

Students who are granted a deferment of the prepayment will be subject to a fee equal to the amount of the prepayment forfeiture if cancellation occurs after June 1. Until released, the resident remains responsible for all applicable room and board fees.

4. Reactivation of Agreement

Residents who are released from their agreement based on non-student status, such as withdrawal, registration cancellation or academic dismissal from the university, will be re-obligated to their agreement should they return to the university within the specified contract period unless they a prior housing balance.

5. Food Service Release

Requests to be released from a meal plan must be submitted to Hospitality Services, W006 Student Union. Release from a meal plan is not considered grounds for housing agreement release upon request.

If you fail to move in to your housing assignment at the beginning of the Spring Semester 2022, and have not followed the appropriate procedures for obtaining a release from your housing agreement, and you are enrolled as a student of Wright State University you will be charged and will be responsible for paying all room fees (including room charges, communications fee and residential activity fee) for Spring Semester 2022 of your Residence Agreement. **Village Residents** are responsible for Spring Semester 2022 and Summer Semester 2022 of your Residence Agreement.

III. Campus Communities Terms and Conditions (College Park, The Village and University Park)

A. General Conditions

All terms and conditions for the campus apartments supersede the terms and conditions of the residence halls. The university agrees to provide space to the student in consideration of the housing Application/Agreement, and all applicable Terms and Conditions. The Resident will not assign this agreement, nor sublet the unit or any portion of their assigned space. The Resident may, however, sign a Replacement Lease Request for consideration of another qualified student, not already under a Campus Housing Agreement, to accept the remaining terms of the original agreement upon approval by Residence Life & Housing. The Residence Life & Housing office will attempt to find a replacement, BUT ultimately the student requesting a replacement is responsible for their contract if a replacement is not found. Students who wish to be replaced are strongly encouraged to actively seek their own replacement.

Campus apartments shall be managed by Residence Life & Housing (or party designated by the university or its assignees). Regarding the Housing Agreement, the student must communicate in writing to Residence Life & Housing and the Residence Life & Housing will, in return, issue a written response. From time to time Residence Life & Housing will issue written notices or demands regarding adherence to the Housing Agreement, and/or applicable Terms and Conditions. Residents are required to respond to these notices or demands.

B. Prepayment and Fees

The full prepayment initially submitted with the agreement will be applied toward the first semester's room charges. The resident is obligated to the agreement and responsible for all related expenses, regardless of student status once the agreement and prepayment are submitted. Deferral of prepayment results in the same obligations as paying of prepayment. The balance of rents are expected in accordance with the published due dates. Payment dates are specified on billing statements. Residents shall pay without demand or notice before the date set forth and shall be paid to Wright State University, Office of the Bursar, 3640 Colonel Glenn Hwy., Dayton, OH 45435-0001, or at such other place as the university or its assignees may, from time to time, direct. Student accounts must be paid in full, enrolled in a payment plan, or have sufficient financial aid to pay the balance by the payment due date to avoid cancellation of classes and possible eviction from campus housing. If payment is incomplete, student course registrations will be canceled on the third business day after the first due date for each term. For complete details, please visit <http://www.wright.edu/raiderconnect>. When Residence Life & Housing offers a unit to a student and they decline it, they will forfeit their prepayment prior to signing the addendum.

C. Rescinding Period

Once a student completes an apartment application and makes their required prepayment, a space will be held for that student. If the student has a change in circumstances or otherwise wishes to cancel their recently signed apartment agreement, they must provide a written notification of intent to cancel to Residence Life & Housing within three (3) business days from the date that both the application was submitted and the prepayment has been received. Validated cancellation requests that meet this requirement will be accepted, the apartment lease will be cancelled and the student will be refunded their prepayment. Cancellation requests received after the rescinding period will not be accepted and the student will be fully responsible for the terms of their housing agreement.

D. Replacement Lease Request Terms

If a resident wishes to end their agreement with the university, they must abide by the terms of the Replacement Lease Request as follows:

The resident gives permission to the Residence Life & Housing of Wright State University, to re-lease their apartment to another party. The resident also understands and agrees that if their apartment is re-leased to another party, they will vacate the apartment within 72 hours (if occupied) of notice.

Furthermore, the resident also understands and agrees that unless they provide a written letter withdrawing the request before the apartment is leased to another party, they are no longer permitted to live in the apartment after 72 hours from the time the new agreement has been signed by the new party. The resident understands that requesting to re-lease their apartment does not guarantee that they will be released from the agreement, and that future obligations remain their responsibility. If a resident finds their own replacement before move in day they are entitled to a \$75.00 refund of their prepayment. REPLACEMENT LEASE REQUESTS WILL BE FILLED BY NEW APPLICANTS ONLY IF ALL OTHER SPACES ARE FILLED, UNLESS A QUALIFIED STUDENT REPLACEMENT IS PROVIDED BY THE STUDENT REQUESTING RELEASE. The resident agrees and understands that they will be responsible for the rent on the apartment up to the day a qualified replacement moves into that apartment space. This includes a reasonable period of time required by the facilities staff for maintenance / repairs and cleaning of the unit in preparation for the new incoming replacement resident. Lastly, the resident agree to make arrangements with the Residence Life & Housing Main Office to arrange a proper check out date and time, or pay the corresponding charges for, but not limited to: improper check out and lock change. Residents currently residing in campus housing or bound by a campus housing agreement are not eligible to fulfill Replacement Lease Requests as replacement leasers. New incoming replacement lease residents will be responsible for payment of rent for the apartment from the agreed upon start date (provided the space has been prepared for occupancy), regardless of the actual physical date of occupancy. If, for some reason, the student's assigned space is not ready for occupancy on the start date

specified in the Apartment Addendum, rent charges will be prorated to reflect the date when their assigned space is actually ready.

E. Abandonment

Once a student moves into their assigned space, they are referred to as a resident. A resident's assigned space may be declared "abandoned" if the resident is absent from their assigned space for at least three (3) consecutive days, combined with action/inaction on the resident's part may indicate the student is attempting to abandon their assigned space. Provided the resident has paid in advance, absences of three (3) consecutive days or more would not be considered Abandonment. If the student abandons their assigned living space before the expiration of the housing agreement, the university shall make reasonable efforts to rent the space. However, the student remains liable for any and all rent, damages, administration charges, penalties and fees associated with their required occupancy until a qualified replacement has been found.

If the items are left unclaimed by the resident after the deadline set forth in the notice, the university will dispose of those items without any fair market value, and possibly sell those items with fair market value. Any proceeds received from sale of items with fair market value will be applied to the resident's rent or other charges due or to become due under this agreement. The university reserves the right to dispose of any items left in the unit that is reasonably deemed to be of no market value.

Cancellation and Refunds –College Park, University Park & The Village

1. General Terms

The Residence Agreement for College Park and University Park is binding for the specified period of two consecutive semesters, commencing with fall, and concluding with spring. The Residence Agreement for The Village is binding for the specified period of three consecutive semesters, fall, spring and summer. If the student residing in the campus apartments graduates or withdraws from the university, they must notify us in writing that they need to cancel their housing agreement. The agreement will be canceled and the student refunded the room fee for the percentage of time remaining in the semester after the date of cancellation and proper checkout including key return (if applicable). Village residents are not required to maintain active enrollment during Summer Term, but a student's failure to register for Summer Term classes does not constitute a withdrawal from the University, or confer upon the student any right to terminate this agreement. All other requests for release will be reviewed by the Appeals Board, which will decide as to whether the student is released from this agreement. If released, the student will receive a written notification. **All requests for release must be made, in writing, to the Residence Life & Housing office. A student must submit an online completed appeal form at wright.edu/housing, and submit the additional required paperwork at least 72 hours prior to the next scheduled Appeals Board meeting. In the event the Appeals Board denies your request; you may appeal a second time by resubmitting a 2nd Appeals Packet, providing additional supporting documentation, and by scheduling a personal appearance before the Appeals Board.** At your appearance, the Appeals Board will ask you to explain the facts surrounding your circumstance(s) and answer any questions needed to clarify your request. You will also be asked to present and discuss any additional information

you believe to be pertinent to your request. If you fail to show up at your scheduled time, the appeal will be an automatic denial. You will be notified in writing the following week of the Appeals Board final decision.

If released from your Campus Housing Agreement, the effective date of cancellation will be based on the date of request approval, proper checkout with key return, or withdrawal, whichever is latest. If released prior to the start of the semester, you will forfeit your prepayment.

2. Cancellation

There is no cancellation period for the campus apartments. Students not attending the university need to submit their cancellation in writing informing us that they no longer plan to attend. Upon verification of non-registration, the housing agreement will be canceled, a hold will be placed on the account preventing the student from re-registering during the same academic year and the \$150 prepayment will be forfeited.
