Welcome to Wright State University

It is great to have new people on campus! Some of these folks have been at WSU and now have permanent positions or are returning to campus after being away. And some are brand new to WSU. Please give them a warm Raider Welcome. If there are any new personnel in your department, please let us know so we can welcome them.

Mini University

Child Development Center

[Mini University](#) is in the top 1% of child care centers! WSU faculty, staff, and students are given priority on the waiting list to get children into Mini University. Mini University is a Child Development Center and focuses on “educare” not day care. Additionally, Mini University has different programs that may help with the cost of the services. Staff and Faculty receive a \$100 discount and if Pell Grant eligible there is up to \$700 discount! Want more information? Contact Diane at 937-775-4070.

Employee Assistance Program Available

Please reach out to this service when you need help. If you or someone you know is having a difficult time transitioning back to the office, please reach out to the Employee Assistance Program as they can help. This is the link to the information about the Employee Assistance Program (EAP) [link](#)

Reminder that not only elected senators can be on the committees. Please send [Michael Griest](#) an email if you would like to serve on a committee. All voices are welcome!
