Wright State University Academic Policy on Cambridge Assessment International Education

Wright State University accepts Cambridge Assessment International Education AS and/or A Level exam(s) listed in the above table. The guidelines that govern the application of transfer credit will be used to apply credit to degree requirements or students who grade at or above designated minimums on Cambridge Assessment AS and/or A Level exam(s). The above minimum scores are based on recommendations from the American Council on Education (National Guide).

Individual academic departments have determined how Cambridge Assessments AS or A exam credit is to be awarded. If the exam is the equivalent of a specific course, "Pass" or "CR" credit will be awarded for that equivalent class or credit as shown above.

The above course equivalencies and credit hours will be awarded only to students whose courses have not already been evaluated at Wright State. Course equivalencies and credit hours are subject to change without notice and will be granted in accordance with those current when Cambridge Assessment grades are evaluated.

Students who wish to appeal any decision related to the implementation of the Cambridge Assessments AS or A exam to WSU equivalencies, or any decision made related to Prior Learning Assessment (PLA), should contact Mr. Hideo Tsuchida, Director of Articulation, Transfer, and Institutional Partnerships at (937) 775-2123 or hideo.tsuchida@wright.edu.
