Dear Joanne,

On behalf of the Board of Directors and staff of Crayons to Classrooms, please accept our deep appreciation for partnering with us (once again) to facilitate a crayon drive to replenish our stock of our “signature” product. Your generosity and hard work will assist our organization to stock the shelves of our teacher resource center. As Ms. Robinson shared in the note above, your help in providing school supplies to teachers for their most at-risk students is very kind and generous. Crayons to Classrooms is striving to reach as many students in the Greater Dayton area as possible whose families live at or below the federal poverty line and cannot afford school supplies for their children. Teachers have shared that having essential tools for learning increases students’ self-esteem and self-confidence, their readiness to learn – and, they are motivated to improve their grades and take their education to the next level.

*Our mission is so simple – to collect and distribute school supplies at no cost to teachers of students in need. We strive to encourage and affirm innovative teachers who work with our community’s young people.*

To recognize your recent supply drive donation, we may include you (your organization) in a list of contributors in annual reports and newsletters, store displays and social media outlets, as well as on our website. The name would appear as **Wright State University – We Serve U** unless you request a change by contacting Laura Rapoch at (937) 528-6403 or via email, [l.rapoch@dc2c.org](mailto:l.rapoch@dc2c.org). In addition to viewing a list of our donors and partners, you can learn more about Crayons to Classrooms by visiting [www.dc2c.org](http://www.dc2c.org).

Your (and your organization’s) recognition of the importance of our mission and support to help us accomplish that work is outstanding. In the words of Margaret Mead, “Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.”

Sincerely,
