Welcome
Summer enrichment courses at Wright State University are designed to encourage your child’s creativity and enthusiasm for learning. Pre-College Programs is pleased to offer summer enrichment for students entering grades K-9. Students who desire challenge; are interested in learning and personal growth; and have the motivation to succeed are encouraged to take advantage of these hands-on, exploratory courses. Teachers and professionals from the Miami Valley provide exciting, educational, and challenging learning environments that encourages creativity and critical thinking.
All courses are held on the main campus of Wright State University.
For more information or to register: www.wright.edu/precollege

Weekly Fee: The fee for each session is $50 The balance must be paid in full the Wednesday prior to the start of the session.

Confirmation of Registration: Upon acceptance, you will receive an email confirmation of your student’s registration.

Cancellation/Refund Policy: All requests for refunds due to must be submitted in writing. A fee of $10 will be deducted from refunds requested after June 1, 2020. Course changes or cancellations will not be accepted past the registration deadline. In the event that a course is cancelled due to insufficient enrollment, a full refund will be issued. Refunds will not be issued for students dismissed for disciplinary reasons.

Classes: 2020 Online Courses have been modified. They are three hour courses with 5-10 minute breaks each hour. When you register, please make sure to review what time the course will begin as we are offering both AM (9:00 AM start) and PM (12:30 PM) start times.

Access to Classes: You will receive an invitation to join your instructor’s personal Webex room. This will be sent by email the Thursday prior to the course. Please note, this will be sent to the email that you have used for the registration. You will need to download the Cisco Webex Meetings App. Additionally, should the class not have enough participants to take place, you will be notified the Thursday prior to the course.

Supplies: Due to the current situation, and our online format, course materials will not be supplied to campers. We have tried to make the courses remote friendly, and the activities have been created to try to use many household items. The items recommended are located in the course description.

IMPORTANT INFORMATION

Discipline Policy: It is expected that students will take responsibility for their own behavior and act appropriately to foster a positive environment for all participants. If a student should act inappropriately during the program, a warning will be given to the student and to the parents on the day of the infraction. If inappropriate behavior recurs, the child will be removed from the class and may be removed from the program. Severe or malicious infringement of the Discovery rules or policies will result in immediate dismissal from the program.

Holiday: No classes will be held on Friday, July 3, 2020. All fees will remain the same for this week.

Pre-College Office: Our office is working throughout the summer. If we are not physically on campus, we can be reached at 937-775-3135 (please leave a voicemail, and someone will return your call within 24 hrs). We can also be reached by email at: precollege@wright.edu
WEEK 1: JUNE 8 -12, 2020

Registration Deadline for Session 2 is Wednesday, June 3, 2020 at Noon. No registrations accepted after deadline.

**Wacky Wednesday theme:** Super Heroes/Cartoon

---

**Discovery (Grades K-6)**

**Grades K-1**

**BOL PM 100 “Fun”damental Computing**
Everyone needs to learn the basics of a computer! Learn basic keyboarding and word processing. Explore various education games and safe sites of the Internet. Designed to introduce participants to the “fun”damentals of computing.

Computer with Keyboard

**Grades 2-3-4**

**BOL AM 103 Engineering Challenge**
What do parachutes, potato chips, and the sun have in common? All of these will be explored during this class. Can you mail a potato chip without it breaking? Can you cook with only solar power? Can you safely land a cup of water without it spilling using no lid but a parachute you design? Learn how to take on challenges that will test your logic and reasoning skills.

- Paper cup (any size)
- Scissors
- 1 plastic grocery bag
- 1 paper plate (any size)
- tape (scotch or masking)
- paper, straws (30-40)
- a couple of coins
- pencils or markers

**BOL PM 102 Rainbows and Unicorns**
Grab your diffraction glasses and prisms for a week full of color, light, rainbows, and bubbles. Explore optical illusions and how the eye sees various colors. Make art projects exploring the mixing and blending of colors. Study the mythology behind unicorns while exploring other one horned animals.

**Color Wheel Project:**
- Sheet of white construction paper
- Red paint
- Blue paint
- Yellow paint
- Paint brush
- Unicorn Headband
- Colored construction paper /or glitter scrapbook paper
- Stiff headband, Goody brand make colored ones
- Tape/glue
- Scissors

**Optional decorations:**
- Flowers
- Glitter
- ribbon
- Bubble wand supplies
- 2 dowel rods (¾” by 12”)
- 8’ string
- Washers
- 2 screw eyes

**Printables:**
- Packet
- Unicorn pattern

---

**Grades 4-5-6**

**BOL AM 106 Art Adventures**
Create different projects each day! Learn about basic water-colors, chalk drawing, painting, clay, and more. Students will get a foundation in a variety of art mediums.

- Watercolor set 8 assorted colors with a brush
- Origami paper
- Clay can do with Sculpey Clay it is an oven bake clay
- Pastel chalk

**BOL AM 107 Hands-On Algebra**
Get a head start on Algebra. Topics will include variables, expressions, integers, solving equations, inequalities, factors, fractions, and exponents. Prepare for your next math year at school by getting your mind to think Algebra.

- Calculator w/ exponents & negative numbers capability
- Pencil
- 12” ruler
- Paper: (at least 10 sheets per student)
- Computer, Lined & Graphing
- Deck of cards
- Dice
- Scissors
- Glue sticks
- Markers
- Colored pencils
- M&M candies (standard or fun size)
- Scotch tape

**Camp Odyssey (Grades 7-9)**

**BOL PM 110 Mock Trial**
Learn the different components of a trial while developing critical thinking and persuasive speaking skills. Students will play the roles of attorneys, witnesses, judge, and jurors while engaging in this class.

- Pens/Pencils
- Paper
- 1-3 Large notecards.
**WEEK 2: JUNE 15 - 19, 2020**

Registration Deadline for Session 3 is Wednesday, June 10, 2020 at Noon. No registrations accepted after deadline.

---

**Discovery (Grades K-6)**

**Grades K-1**

**COL PM 100 Mummy Mysteries**

Get “wrapped up” in ancient Egypt. Learn how ancient civilizations made their mummies; explore how the pyramids were built as you create your own miniature model to take home. Write your name in hieroglyphics. Join us as we discover Egyptian mysteries.

- Letter sized printer paper
- Crayons/Colored Pencils/markers
- Glue Stick
- Popsicle Stick
- ½ cup table salt
- 1 cup baking soda
- Sugar Cubes
- 2 Sheets construction paper
- Liquid Glue
- Foam Sheet/Cardboard — Sturdy material to place pyramid

**Grades 2-3-4**

**COL AM 102 Energy In/Energy Out**

Students will spend half the day creating science experiments while learning about potential and kinetic energy. The other half will be allotted to games and activities for students to release their own kinetic energy. A great class for students with lots of energy.

- Paper
- Scissors
- Pencil
- 1-2 marbles (or small ball)
- tape (scotch or masking)

**COL AM 103 The Great Outdoors**

This course will give you new meaning to the phrase “the great outdoors!” Hiking, outdoor games, and basic camping skills will be just a few of the topics covered in this course.

- popsicle sticks
- bottle of glue
- string
- White paper
- pencils, crayons/markers

**Grades 4-5-6**

**COL AM 104 Building Blocks of Creativity**

Students will utilize Lego style building blocks to work through engineering challenges. How can you create a floodgate that operates? What tower design produces the most structural support? How can you problem solve with limited resources? Students will research, develop plans, build structures, and problem solve when challenging scenarios are given to them.

- Lego’s would be helpful multi-purpose paper
- Tape pencil and pens
- Scissors Crayola

**COL PM 106 Travel the World**

Discover a different part of the world each day. Try different foods, play games, read stories, and create projects based on different countries. Explore unique cultures, plant life, and animals from the different locations.

- 2c Flour
- 1c water
- Mixing bowl and spoon
- Bowl to hold balloon
- Balloon
- Paint to decorate
- Strips of paper towels, newspaper, computer printer paper
- Printable Glue
- markers/crayons/colored pencils
- Feathers & other decorations

Optional High Tea:

- Scone recipes will be sent separately
- English Breakfast or Earl Gray Tea Hot Water
- Sugar and/or cream

---

**Camp Odyssey (Grades 7-9)**

**COL PM 110 Social Psychology**

Have you ever wondered why you act, talk, or interact with your peers the way you do? Start with an introduction to social psychology. Examine your personality as we explore how brain structure and culture can explain only a portion of the question, “Who am I?”

- Pens/pencils, 1-3 note cards
- sheet of colored paper
Discovery (Grades K-6)

Grades K-1

DOL 100 PM Reading the Sky

Have you seen Orion and the Big Dipper? Learn about the sun, stars, and the constellations. Activities will focus on math and science. Students will create their own planet mobile.

- Printer Paper
- Printer
- Crayons
- Glue Stick
- 2 paper plates
- Watercolor Paint
- Scissors
- Tape
- String
- White Crayon
- Small Marshmallows
- Toothpicks
- Markers
- White and Gray Paint
- Sheet of foil
- Construction Paper- at least 2 black sheets

DOL AM 101 Nature Around Us

Discover the world of nature. Examine trees, birds, and bugs as you explore the campus nature trails. Create your own nature journal, map, and creepy crawly crafts.

- Bottle of glue
- Construction paper
- White paper
- Pencils, crayons/markers

Grades 2-3-4

DOL PM 102 Night at the Museum

Help historical figures come to life! Learn about famous people from different decades. Stand in as a wax statue of your favorite historical figure in Discovery’s very own Museum of History. Create your own costume and show off your wisdom of the past when you come to life for museum visitors!

- Multi-purpose paper
- Pencil & pens
- Scissors
- Crayola
- Tape
- Items found around the house for making a costume

DOL AM 106 DC v Marvel

Who would win a fight between Superman and the Hulk? Explore the DC and Marvel Universes. Compare and contrast superheroes and their powers. Learn how to deliver a persuasive speech on who would win. Create your own superhero and develop your own illustrations.

- 10 sheets min computer & lined paper
- Markers
- Crayons/Colored Pencils
- Glue Sticks
- Poster Board
- 3x5 lined notecards
- 3x5 blank notecards

Camp Odyssey (Grades 7-9)

DOL AM 110 If You Build It

Develop a cardboard boat that will float while holding a teammate. Design an egg contraption to protect dropped eggs. Create your own invention to make life easier. Prepare to research science, use your logical thinking skills, and trial and error to invent something new.

- 1 Egg
- Pencil or markers
- masking tape
- pencil or markers
- newspaper or plastic tablecloth to drop egg on outside recycled materials (cardboard tubes, plastic bags, cardboard, styrofoam, etc),

DOL PM 111 Dissecting Disney

Explore a variety of Disney movies in order to compare and contrast them to the original versions of the stories in history. Where did the story originate? Did the protagonist change from the original story?

- Coloring utensils
- Packet

WEEK 3: JUNE 22 - 26, 2020

Registration Deadline for Session 4 is Wednesday, June 17, 2020 at Noon. No registrations accepted after deadline.

Wacky Wednesday theme:
Book or Movie Character
Discovery (Grades K-6)

EOL AM 100 Hola Amigos
Learning another language can be easy. Participants will learn Spanish greetings, colors, numbers, and the alphabet. Games, crafts, and hands-on projects will introduce the Spanish culture.

WEEK 5: JULY 6 - 10, 2020

Registration Deadline for Session 6 is Wednesday, July 1, 2020 at Noon. No registrations accepted after deadline.

Discovery (Grades K-6)

Grades K-1

FOL AM 100 Sight Word Smash Up

Sight words everywhere! Get a head start on the school year, by learning your sight words. Using different sensory techniques, students will find, write, sing, and smash their way into reading.

- Playdough
- Chalk
- Glue
- White paper
- Pencils, crayons/markers

Grades 2-3-4

FOL PM 102 Rainforest Wonders

Learn about the eco-systems that exist in the canopy of the rainforest. Research your favorite rainforest creatures and discover the climate they inhabit. Explore books on the rainforest and create projects based on your findings.

- 4 Paper plates
- Paper fastener
- Painting utensils
- Large googly eye
- Streamers/yarn/string
- Glue (stick/liquid)

Colorful markers/colors NEED: Red & Green marker/crayon

Colorful paints NEED: green paint if not a green marker or crayon

- Masking tape
- Scissors
- 5 pieces white computer paper
- 2 paper towel rolls
- 3 pieces color construction paper
- Roll aluminum foil
- 1 piece brown construction paper
- 2 toilet paper rolls
- Fresh tree leaf
- Clear bowl
- Lukewarm water
- Dry rice & dry beans

Stickers/fun scrapbook paper/tape paper

- 3-4 food coloring colors
- Shaving foam (NOT gel kind)
- Clear cup (mason jar size, bigger the cup...bigger the ‘rain cloud’)
- 3-4 cups (depending on how many food coloring options you give)
- Pipe cleaners (Brown & yellow if possible)

Grades 2-3-4

FOL AM 103 Junior Detective

Put your crime scene skills to the test when you learn about fingerprints, handwriting analysis, and more. Learn how to interview suspects and how detectives use logic and reasoning to solve mysteries.

- Paper
- Pencil
- scotch tape
- markers
- coffee filters (4-5)
- cups with water (any size)

Grades 4-5-6

FOL PM 106 Mysteries in History

Have you been wondering who shot JFK or what is housed at Area 51? Unsolved mysteries intrigue us. Examine evidence of various historical events to determine what happened. See if you can unlock the answers to an unsolved mystery.

- A notebook
- Writing utensil

Camp Odyssey (Grades 7-9)

FOL AM 110 Art Expo

Drawing, sculpting, and computer designs are all forms of art. Explore with us as we create unique works of art from these and other various art forms. Students will also be introduced to artists and artwork that relate to their own creations.

The computer they can use to create their digital art
https://www.sumopaint.com/home/

A computer for Zoom meeting

Watercolor set 8 assorted colors with a brush

Clay can do with Sculpey Clay it is an oven bake clay

- Patel chalk
- 10 pieces mixed media paper

Yarn if they have

- multi-purpose paper

pencil and pens

- scissors

Crayola

- tape
Discovery (Grades K-6)

GOL AM 100 Weather Watchers
When you get up each morning do you check your window to see what kind of weather we are having? In this class, students will learn about weather and what causes rain, snow, sleet, hail, and storms. Students will do hands-on experiments and create their own weather instrument.

White, pencils, crayons/markers
2 paper plates
1 paperclip,
Tape
1 small Dixie cup

GOL PM 102 Perfect Pets
Have you been wanting a new furry friend or maybe you already have one? Learn about the different variety of pets available. Research the skills and training needed to properly care for a wide variety of pets. This class is not appropriate for children with allergies to animals as special appearances will be made.

Large Smooth Rock
Googly eyes
Markers
String
Glue/Tape

GOL AM 103 Art All Around
Join us and experience multiple art forms. Imagine yourself in Asia, Africa, Central America, or the Middle East! Make crafts from these areas as you create rain sticks, masks, and more. Explore these and other art forms as it is made all around us.

Tempera Paint Set, 2-Ounce, 6 Count
Crayola Paint Brushes 8 per Package, Assorted Colors & Sizes
12" Latex Royal Blue Balloons, 10ct
Paper towel tube or pringle tube
pencil and pens
Crayons
1 Cup Flour
Pinch of Salt

GOL PM 106 Popular Books
Do you love reading? Discuss what makes a book great and what it takes to make it popular. From Goosebumps, to Harry Potter, to Dork Diaries, and more, discuss popular themes throughout the stories. Play games, create art, and make a favorite snack from one of the many popular books.

Printables
Colored yarn & string
Scissors
1 2L cream soda chilled
2 TBSP butter flavor3 tsp butter rum flavor
1c heavy cream1 7oz jar marshmallow cream
Sorting House Quiz in PowerPoint
Camp Half Blood Parent quiz In PowerPoint
Camp Half Blood God and Goddess matchup In PowerPoint
**WEEK 7: JULY 20 - 24, 2020**

**Discovery (Grades K-6)**

**HOL AM 100 Art and Science Safari**
Set your compass for an adventure. Explore different trees, animals, bugs and their habitats around campus. Create art projects using natural resources you find while exploring!

- White paper
- Pencils, crayons/markers
- Construction paper
- Glue

**HOL PM 101 Math Patterns**
Discover the rhythmic side of math. See how patterns emerge in addition and subtraction. Learn to tell time and determine the patterns involved with seconds, minutes, and hours. Develop your own pattern key to help you.

- Bag of skittles
- Paper Plate
- Crayons/Colored Pencils
- Craft Foam Numbers
- Sticker Numbers
- Paper brad
- Beads
- String
- Printer
- Pattern
- Markers

**Grades 2-3-4**

**HOL PM 102 Sea Life**
Curious about the life cycle of a sea turtle? Do you wonder if all sharks are aggressive? Study sea life in this class and learn how to help our oceans stay clean. Create your perfect sea animal by combining traits of different sea animals.

- Large paper plate
- Green & white construction paper
- Gray construction paper - two sheets
- Black coloring utensil
- Tape
- Coloring utensils

**Grades 4-5-6**

**HOL AM 106 Artful Antics**
Discover the world of art as you explore a different art technique each day. Learn how to papier mâché, paint, draw, sculpt, and more. Use your creativity and explore the many mediums of art.

- 1 sheet card stock black preferred
- Multi-color card stock/construction paper
- Liquid glue
- Salt
- Watercolors paint
- String
- Cardboard
- Scissors
- Markers
- Glue stick
- 10 + pieces computer paper
- Canvas (1)
- Paint bottles (many different colors)
- Reusable items that can be used for painting: plastic water bottle, TP rolls (more the better), old toothbrush, plastic fork, etc.
- Aluminum foil
- Cardboard/hard square surface
- Painters/masking tape
- Spray bottle with water
- Colorful tissue paper
- Colorful construction paper

**Camp Odyssey (Grades 7-9)**

**HOL AM 110 Leadership**
Learn the importance of good character. Complete a variety of tasks that require cooperation and leadership. Improve on your problem solving, conflict resolution, decision making, and communication skills. Discover your leadership style.

- Multi-purpose paper
- Pencils/pens
- Scissors
- Crayola
- Tape

**HOL PM 111 Go Government**
Learn about the three separate branches of government and find out what it takes to be a leader in government. Create your own government, rules, and regulations. Explore voting procedures as you elect your own leaders.

- Pens/pencils
- Markers or colored pencils
- 3-5 sheets of paper
- 3-5 sheets of colored paper

**Registration Deadline for Session 8 is Wednesday, July 15, 2020 at Noon. No registrations accepted after deadline.**

**Wacky Wednesday theme:** 
**Famous Person**
**Discovery (Grades K-6)**

**JOL PM 100 Discovering Dinosaurs**
Have you wondered what happened to the dinosaurs of long ago? Study different dinosaurs, what they ate, where they lived, and discover how scientists have learned so much about them.

- Playdough
- White paper
- Pencils, crayons/markers
- Glue

**Grades: 2-3-4**

**JOL PM 102 Reptiles and Amphibians**
Can you be the next reptile wrangler? Students will learn all about their favorite cold blooded friends. Research where they live, what they eat, and if they are venomous. Create an art project based on your findings.

- 1c white flour
- 1c water
- Balloon
- Newspaper or plain paper cut into strips
- Paint: green, yellow, black
- Masking tape
- String
- Scissors
- Toilet paper or paper towel tube
- Multiple colors of paint
- Googly eyes
- Craft sticks (pre-colored green or you paint it green)
- White paper
- Black marker
- Glue

**Grades 4-5-6**

**JOL AM 106 Exciting Egypt**
Through hands on exploration learn the history of Egypt and how it impacts us still today. Examine pyramids and build your own. Discovery hieroglyphics and write your own. Explore mummification and what purpose it served.

- Computer they can download and run
  - [https://www.sumopaint.com/home/](https://www.sumopaint.com/home/)
- Legos
- Multi-purpose paper
- Pencil and pens
- Scissors
- Crayola
- Tape

**Camp Odyssey (Grades 7-9)**

**JOL AM 110 Life Lessons**
Are you ready to move out already? Discover what will help you when it is time. Learn basic skills of cooking, laundry, job etiquette, money management, and more. Get a heads up on important life lessons.

- Laundry soap
- Access to washer/dryer
- Access to vacuum
- Dish soap
- Pens/pencils
- 1-3 pieces of paper

**WEEK 8: JULY 27 - JULY 31, 2020**

Registration Deadline for Session 9 is Wednesday, July 22, 2020 at Noon. No registrations accepted after deadline.

**Wacky Wednesday theme: PJ Day**
