Alumni Association Graduation Message

*Dr. Michael J. Robertson
President*

I want to welcome you as the newest members of the Wright State University Alumni Association. Our association was founded in 1971 and has remained committed to its original mission of fostering the relationship between the university and its alumni. Today we have more than 120,000 members. Alumni live in each of the 50 states and in more than 75 countries. We have 12 networks and societies spread across the country.

Over the past 50 years, the association has gifted more than \$1 million to the university and provided almost \$900,000 in scholarships to more than 900 students. You can see some of the named donors in places like the Alumni Grove on campus. However, there are many more unnamed donors who allow the association to serve current and future alumni.

The association sponsors more than 80 virtual and in-person events each year to engage alumni around the world.

Your Alumni Association is here to support you on your path of future successes and to help you stay connected with your Alma Mater. I wish each of you the best as you take the next steps in your lives and careers.

Honors

Graduation Honors

Graduation honors are listed in the program following recipients' names. There are two distinct kinds of honors—those based on specific course work in the Honors Studies program, and those based on the achievement of high grades (Latin honors).

The Honors Studies Program

The Honors Studies program is a selective admission program limited to students with high academic potential. There are three honors designations.

University Honors Scholar is the highest academic distinction the university confers. It indicates the student has completed at least seven honors courses and has completed a program of advanced, independent study in the major.

General Studies Honors Scholar indicates successful completion of at least seven honors courses and the maintenance of a cumulative grade point average of at least 3.5 in all courses attempted.

Departmental Honors Scholars complete an approved program of independent study in the major. Most involve a two-term research or experimental project under the direction of a faculty advisor.

Students who have completed the requirements for these honors wear honors medallions in recognition of their achievements.

Latin Honors

Undergraduate students with outstanding academic records are recognized at commencement. Three distinctions are made: *summa cum laude* (Latin for with highest honors) recognizes a cumulative GPA of at least 3.9; *magna cum laude* (Latin for with high honors) indicates a cumulative GPA of at least 3.7; and *cum laude* (Latin for with honors) indicates a final cumulative GPA of at least 3.5.

Academic honors are based on meeting the minimum honors GPA requirement for work attempted at Wright State University, as well as for all transfer college work accepted, as of the end of the term in which the student graduates (that is, by the day on which term grades are due). This recalculation of the GPA may result in the student's Wright State transcript GPA not matching the student's Latin honors eligibility. To be eligible for academic honors at graduation, students must have earned at least 30 credit hours at Wright State University.

Students who hold a baccalaureate degree from an accredited institution, including Wright State, and who earn a second baccalaureate degree at Wright State per the academic policy requirements for second degrees, are eligible for Latin honors. Latin honors are based on all coursework at Wright State University attempted for the second degree following and excluding the first degree's coursework.

Every effort has been made to ensure the accuracy of the printed program with respect to degrees awarded and honors conferred. Since some final grades will not be submitted until after commencement, the honors indicated in this program are based upon the student's GPA at the end of their last fully graded semester. The appearance of a name in the list of degree candidates is not to be regarded as conclusive. The student's permanent academic record is the official record.

Academic Costume

Academic costume has a history of nearly eight centuries. In medieval Europe, all townspeople wore long, flowing robes or gowns. Materials and colors varied according to wealth and rank and were governed by royal decree. The distinctive gowns that developed for various professions, trades, and guilds survive today in the gowns of religious orders, the judiciary, and academics.

As students in the medieval universities of Paris, Bologna, Oxford, and Cambridge organized into guilds, they developed distinctive costumes for Bachelors (apprentices) of Arts, Masters (teachers), and Doctors (teachers who had completed postgraduate studies). Distinctions appeared mostly in the hood, which derives from the cloak. Originally attached to the cloak at the back of the neck, the hood eventually became a separate article. When caps and hats became fashionable in the 15th century, the hoods became merely ornamental and were draped over the shoulder and down the back.

The academic cap, a later development, was first conferred as a symbol of the Master of Arts degree. Some caps were stiff, some square, and some round with a tuft in the center. The tassel used today derives from the tuft. The mortar-board style comes to us from Oxford.

In Europe there is still great variation in the color and style of academic costume, but American usage has long been standardized by the Intercollegiate Code. Taking the Oxford costume as a starting point, the bachelor's gown has long, pointed sleeves; the master's gown oblong sleeves, open at the wrist; and the doctor's gown round, open sleeves, with three bars of velvet and velvet facing. The gold tassel on the cap is reserved for doctors and presidents. University presidents may wear four bars of velvet on their sleeves to represent their leadership role.

The royal blue of the Doctor of Psychology is a variant of the traditional dark blue of the Doctor of Philosophy, acknowledging the common heritage of these two professions. The Doctor of Medicine is signified by green, the color of herbs used in healing during medieval times.

The hoods, of the same material as the gown and lined with silk in the colors of the institution, are most distinctive. The bachelor's hood, infrequently used in this country, is three feet long; the master's hood is three and one-half feet; and the doctor's hood is four feet with panels at the sides.

Costume of the Day

At this ceremony, the hoods or tassels represent the college, school, or major field in which the student is receiving the degree.

The University Mace

During the Middle Ages, the mace was a weapon used against armored warriors. Through the years, it was transformed into an ornamental staff that served as a symbol of authority of a ruler. Colleges and universities have adopted the mace as an ornamental staff or baton that is carried by the grand marshal of the university in all formal academic processions. The mace may also be displayed at other significant events.

The Wright State University mace has a three-foot staff of turned walnut. Badges around the top of the staff represent the colleges and schools comprising Wright State. On top of the staff is a replica of the Wright Flyer.

The Wright Flyer represents the innovation and ingenuity of our university namesakes, Orville and Wilbur Wright. On December 17, 1903, the now famous brothers demonstrated to the world that heavier-than-air flight could be transformed from an idea to reality. That same spirit of success embodies the graduates of Wright State. The actual Wright Flyer is now housed in the Smithsonian Institution, and the plane adorns the official State of Ohio license plate.

The Presidential Chain of Office

Medallions, as worn in higher education, represent the evolution of a practice arising in the Middle Ages and the very early beginnings of universities in the Western world. The medallion identifies the wearer as the designated leader of the university. Representing both the authority and the responsibility of the person who wears it, the medallion is worn by the president of the university at all formal academic occasions.

The Wright State University Chain of Office not only signifies the wearer as the president of the institution, but it also pays homage to the past presidents by including their names and years of presidential service on individual banners that compose the chain itself. Crafted of bronze, the face of the medallion has the university logo, the Latin words "Ad Docendum, Investigandum, Serviendum," and the year of establishment. The reverse side of the medallion is engraved with a biography of the current president.

College Gonfalons

Gonfalons are ceremonial flags or banners suspended on a crossbar. The use of ceremonial banners dates back to the 1500s. Italian towns, for example, each have a gonfalon, which is the official emblem of the town, showing its coat of arms. These gonfalons represent our colleges and schools.

Doctor of Education conferred July 2023

Kelly Ann Price Rabah, Organizational Studies
Dissertation title: *Exploring the Impact of Personal, Emotional, and Relational Elements That Influence the Decision to Speak Up During Critical Safety Moments*
Dissertation directors: David Bright, Ph.D., and Dan Noel, Ph.D.

Doctor of Philosophy conferred July 2023

Venicia Alhawach, Biomedical Sciences
Dissertation title: *DNA Instability at (ATTCT) Microsatellites in Human Cells*
Dissertation director: Michael Leffak, Ph.D.

Muhammed Qasim Jabbar AISlaiman, Computer Science and Engineering
Dissertation title: *Effective Systems for Insider Threat Detection*
Dissertation director: Bin Wang, Ph.D.

Rujuta Yashodhan Gadgil, Biomedical Sciences
Dissertation title: *Microsatellite Induced Genomic Instability and Mutagenesis Through Break Induced Replication*
Dissertation director: Michael Leffak, Ph.D.

Ashley Nicole Julian, Environmental Sciences
Dissertation title: *Quantifying the Effects of Dredged Sediment Application on Soil Properties and Plant Responses in Combination with Common Agricultural Field Management Practices*
Dissertation director: Megan Rúa, Ph.D.

John Andrew Miller, Biomedical Sciences
Dissertation title: *Calpains in the Peripheral Nerve and During Demyelination and Degeneration in Rodents*
Dissertation director: Keiichiro Susuki, M.D., Ph.D.

Joy Prakash Sain, Computer Science and Engineering
Dissertation title: *Reliable Named Entity Recognition Using Incomplete Domain-Specific Dictionaries*
Dissertation directors: Michael Raymer, Ph.D., and Krishnaprasad Thirunarayan, Ph.D.

Mariam Najdat M. Saleh, Computer Science and Engineering
Dissertation title: *Encryption and Compression Classification of Internet of Things Traffic*
Dissertation director: Bin Wang, Ph.D.

Doctor of Education conferred December 2023

Randi Jo Bargo-Smith, Organizational Studies
Dissertation title: *Responding to Escalating Student Behavioral Health Needs: A Comparative Case Study of Multi-Tiered System of Support Team Functioning*
Dissertation director: Noah Schroeder, Ph.D.

Hope Strickland, Organizational Studies
Dissertation title: *Teaching Physics While Female: A Phenomenological Study of Female High School Physics Teachers*
Dissertation director: Yoko Miura, Ed.D.

Doctor of Philosophy conferred December 2023

Ankita Agarwal, Computer Science and Engineering
Dissertation title: *Data-Driven Strategies for Disease Management in Patients Admitted for Heart Failure*
Dissertation directors: Tanvi Banerjee, Ph.D., and William Romine, Ph.D.

James Dillard Anderson, Computer Science and Engineering
Dissertation title: *Accelerating Precision Station Keeping for Automated Aircraft*
Dissertation director: Thomas Wischgoll, Ph.D.

Atticus Justin Beachy, Engineering
Dissertation title: *A Machine Learning Framework for Hypersonic Vehicle Design Exploration*
Dissertation director: Harok Bae, Ph.D.

Joseph James Glavan IV, Human Factors/Industrial Psychology
Dissertation title: *Short-term Learning for Long-term Retention: Dynamic Associative Memory*
Dissertation director: Ion Juvina, Ph.D.

Daniel James Grahn, Computer Science and Engineering
Dissertation title: *Enhancing the Efficiency and Efficacy of Machine Learning-Assisted Software Vulnerability Detection*
Dissertation director: Junjie Zhang, Ph.D.

Rachel Elizabeth Tullis, Engineering
Dissertation title: *Investigation of Surface Roughness Effects on Additively Manufactured Metals Under Dynamic Loading*
Dissertation directors: Joy Gockel, Ph.D., and Nathan Klingbeil, Ph.D.

Kumar Vishal, Electrical Engineering
Dissertation title: *Bandgap Engineering of 2D Material and its Properties*
Dissertation director: Yan Zhuang, Ph.D.

Exiting the Wright State Nutter Center after Commencement

Due to heavy traffic, please follow signage, parking attendants, and police guidance to exit.

Parked in lower lots (6–9)—You will be directed to Kauffman Rd. (left) to I-675 N/S or to Rt. 844 (right) to I-675 S directly.

Parked in upper lots (1–5)—Exiting the main entrance—The center lane of traffic will go across the bridge (expect back-up). The right lane of traffic will be directed onto Colonel Glenn, which also goes to I-675 N/S. Signage will be in place on Colonel Glenn to guide you to the highway.

We appreciate your patience and attention to this matter.

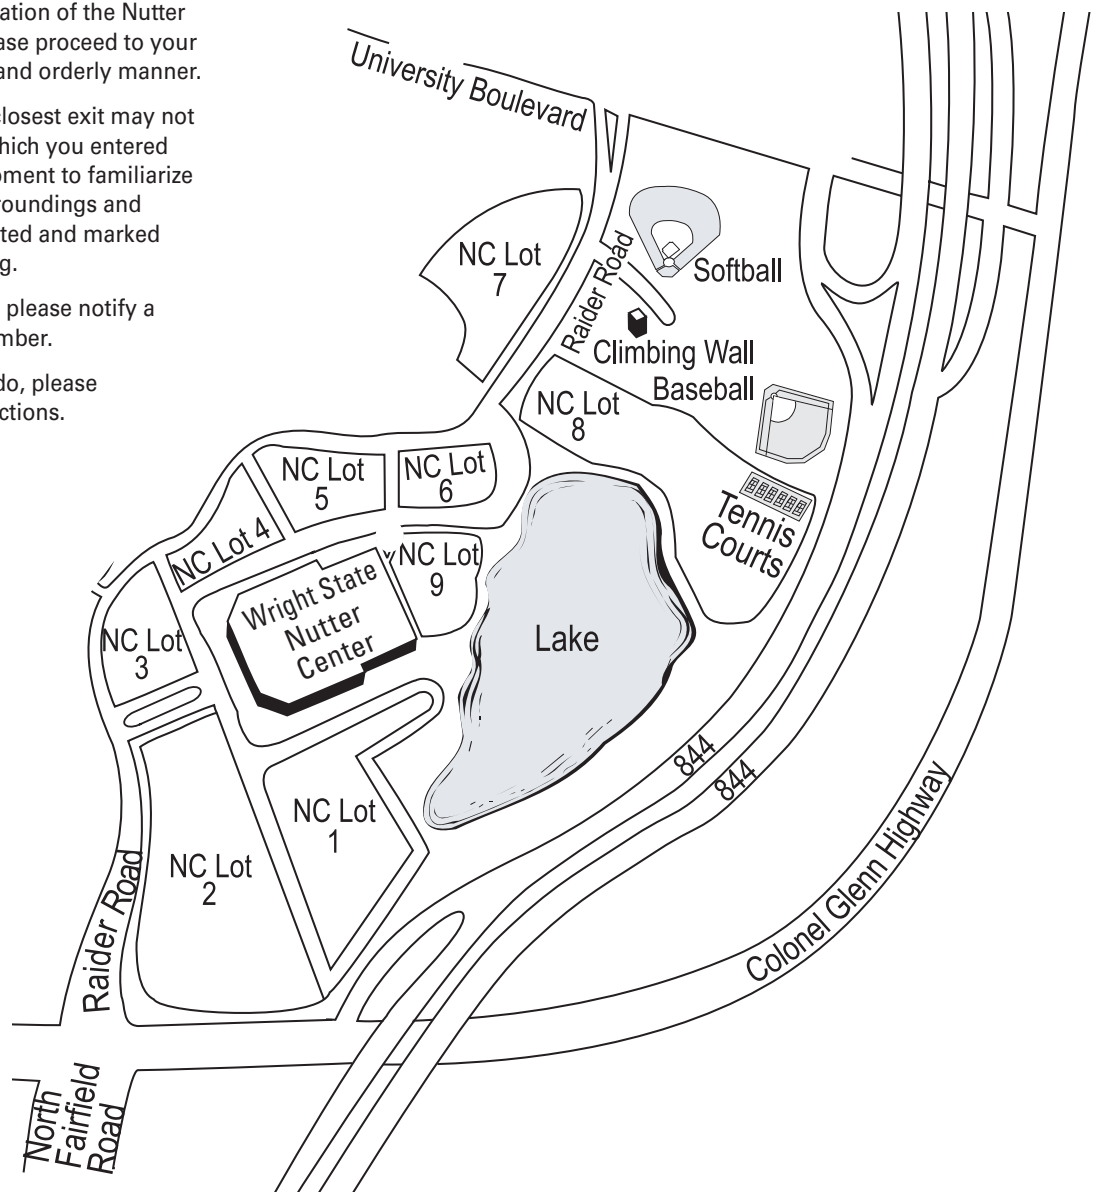

Emergency Evacuation Procedures

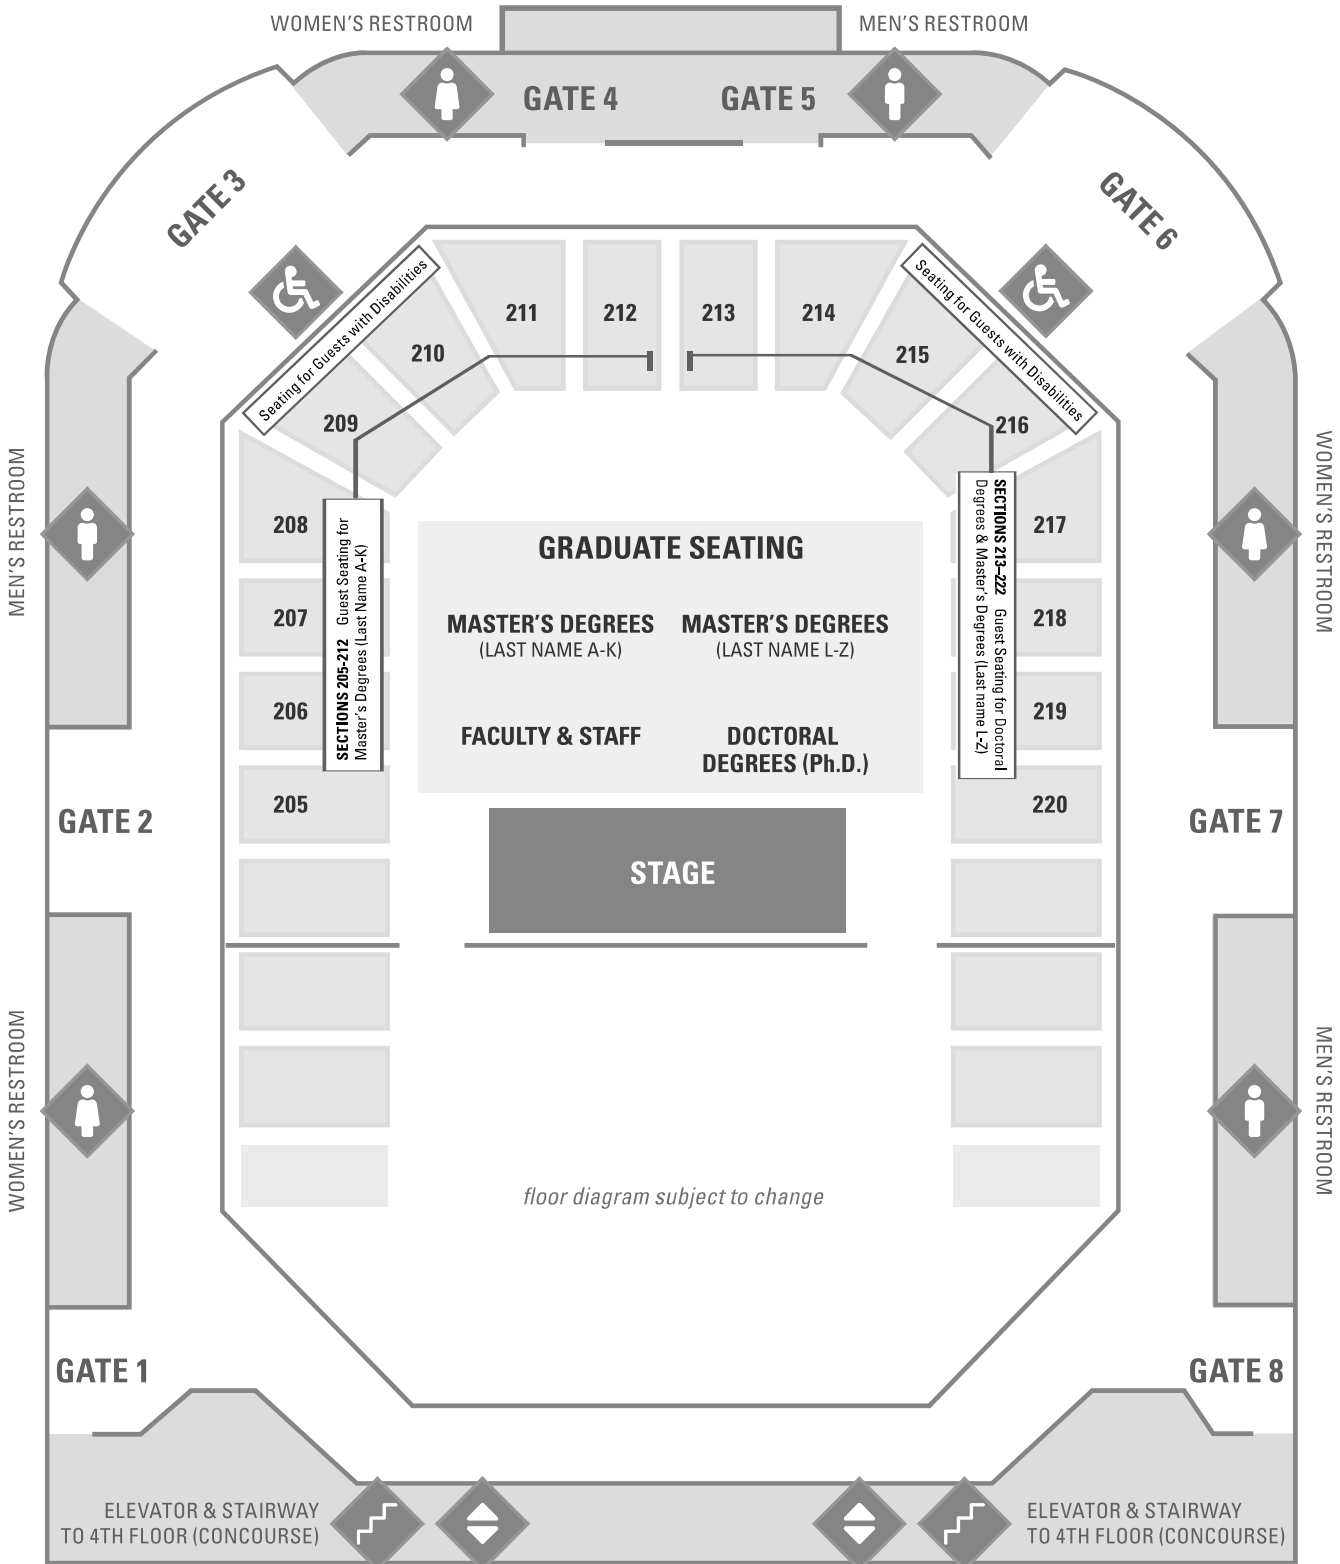

If an emergency evacuation of the Nutter Center is required, please proceed to your nearest exit in a quiet and orderly manner.

Please note that your closest exit may not be the door through which you entered the building. Take a moment to familiarize yourself with your surroundings and your closest exits, located and marked throughout the building.

If you need assistance, please notify a Nutter Center staff member.

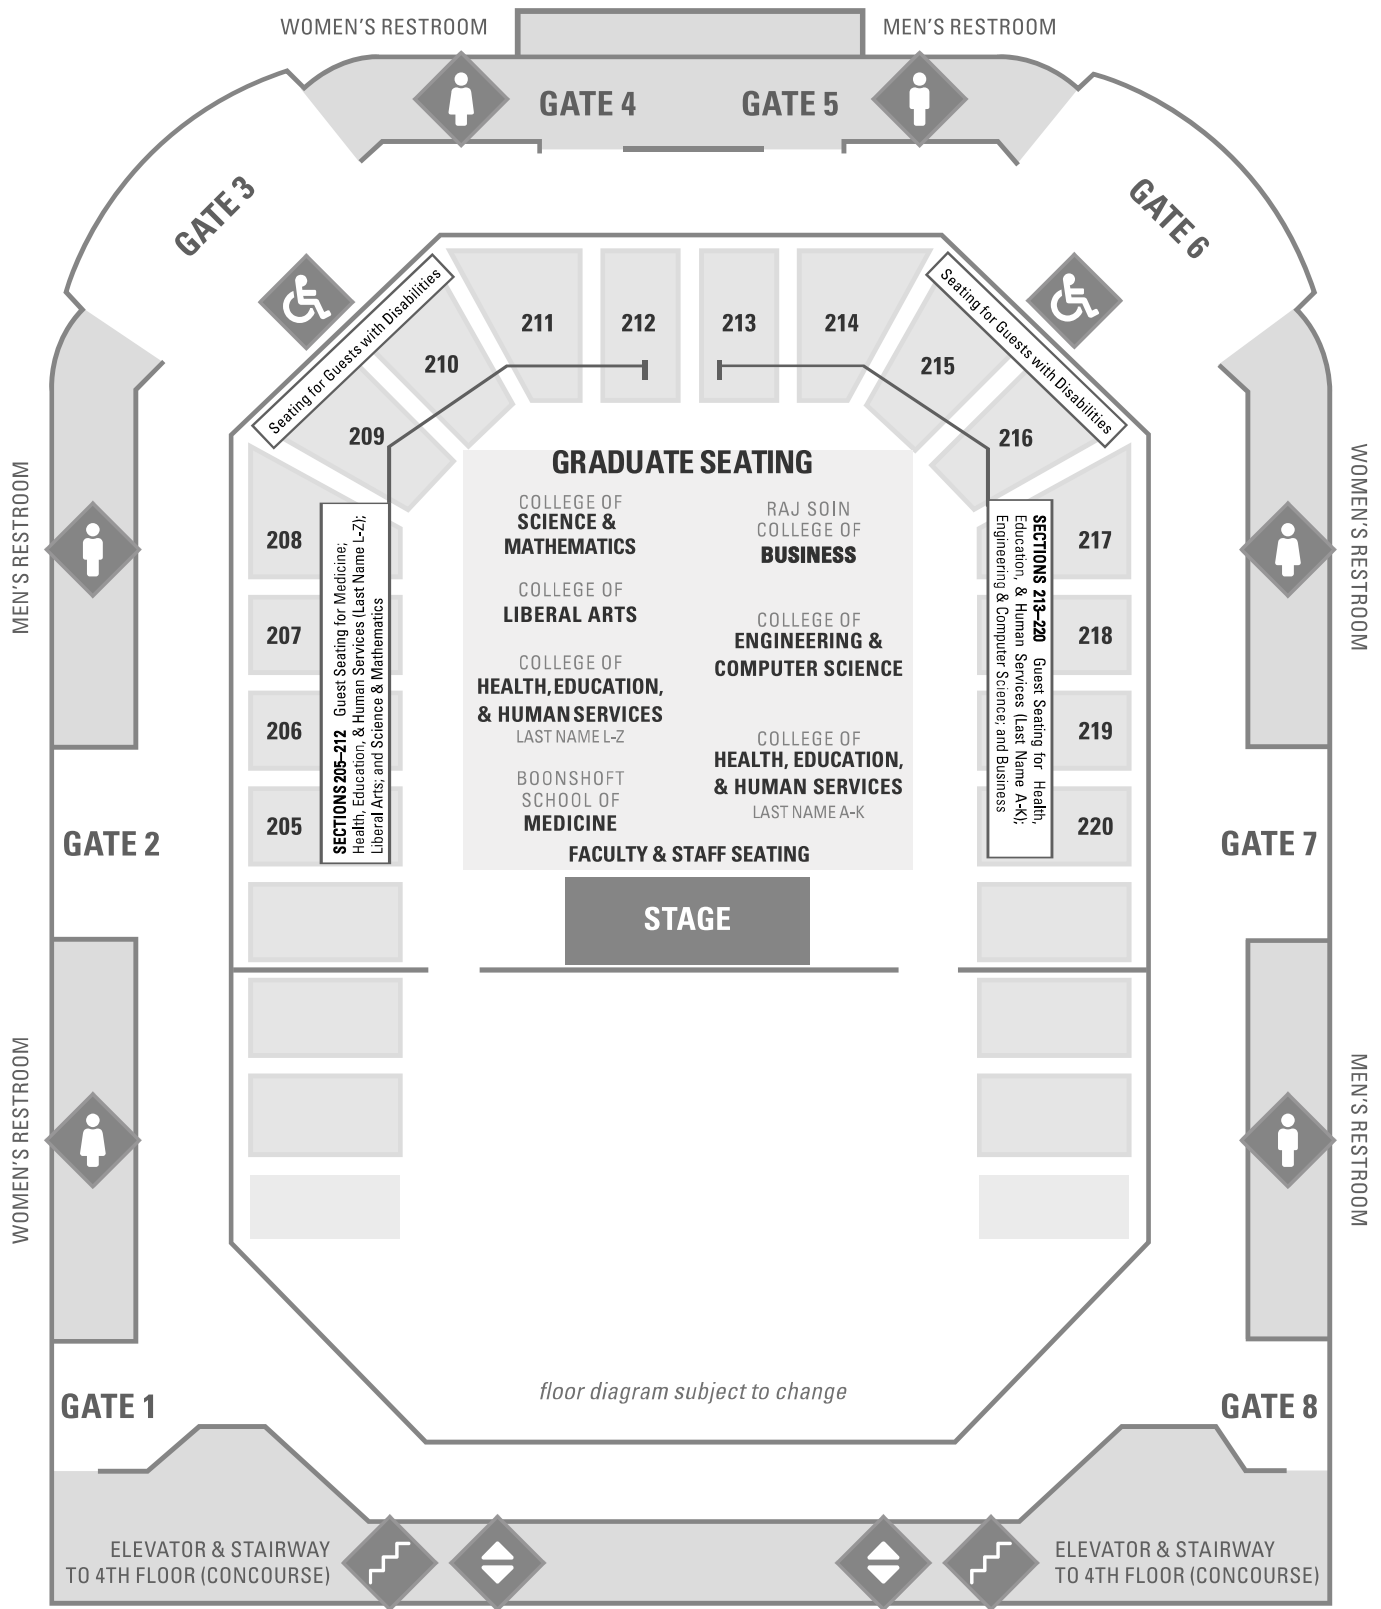

In the event of a tornado, please listen for further instructions.

Wright State University Alma Mater

Wright State stands above the valley
Glorious banner green and gold!
Helping build Ohio's future
With a vision grand and bold!

First to fly were Dayton's brothers!
Great deeds old inspire the new!
Wright State is our Alma Mater!
Hail Wright State! Hail Wright State U!

School of promise, school of spirit,
With great hopes and dreams endowed!
We shall ever love and serve you!
We shall strive to make you proud!

In the classroom, on the sportsfield,
We shall always honor you!
Wright State is our Alma Mater!
Hail Wright State! Hail Wright State U!

Faith and hope in our endeavors,
Ever onward day by day!
Bravely shaping new traditions,
Letting knowledge light the way!

Green and Gold, we'll not forget you!
Through the years we shall be true!
Wright State is our Alma Mater!
Hail Wright State! Hail Wright State U!
