Enriching the lives of children in need

At Hannah's Treasure Chest, we provide so much more than the distribution of necessities for children in need. HTC prioritizes the health, safety, and dignity of each child we serve. We give them the opportunity to feel seen and valued; every item they receive is chosen specifically for them. HTC is the only organization in Southwest Ohio that freely distributes all the items a child might need to grow and thrive from birth to adulthood. Through our 70 community partners, we meet caregivers where they are and support them during difficult times as they work to secure their families. As the need increases in our community, HTC's dedicated volunteers and staff remain unwaveringly committed to serving vulnerable children in Southwest Ohio. We invite you to join us and become a Champion for Children.
