3) Student Safety

This is a note from the **On campus Police Department:**

We have had a lot of issues with Students not using walking paths when walking and jogging and instead walking in the roadways (especially walking from Lot #4 to Meijer) which poses a huge risk to their safety.

Students please make sure to ALWAYS use walkways, crosswalks, and bike paths when walking or jogging on or off campus for your safety. There have been a lot of close calls and we do not want anyone to get seriously injured or worse from being struck by a vehicle
