1) Participate in the Biggest Multicultural Event at Wright State - International Friendship Affair (IFA)

International Friendship Affair (IFA) is an annual event organized by the University Center for International Education to give the WSU students an opportunity to share their cultural heritage with surrounding communities.

This is a chance for you to share your talents and cultural heritage with every one by performing (Dances, songs, play instruments etc).

Do **You** want to participate in **International Friendship Affair (IFA) 2015** on Sunday, **April 19th** ? This year's theme is **“Movies Around The World”**.

If interested in participating please view the message below.

Performance – If you want to put on an artistic performance you may dance, play instruments, sing a song etc. Please contact **Anoop** at ucie19@wright.edu and he will provide you with the information that you need.

The performance slots are expected to be no longer than 15 minutes.

TABLE DISPLAY – You can help to create the most colorful and interesting features of the IFA: the Table Displays. This is your opportunity to present your culture and traditions of your home country by using interactive media, posters, books or any artifacts that you may have brought from your country. You are more than welcome to contact **Dez** or **Dubem** at (isidore.munyeshuli@wright.edu or ucie5@wright.edu) and they will provide you with the information that you need. The table displays must be ready by 12:30 pm on April 19th, 2014 and the displays are expected to be open until 4:30 pm.

*For more information contact **Anoop or Chugo** at ucie19@wright.edu or ucie18@wright.edu*

4) Tax Tips: 1098-T, W-2, and 1042-S

Each week until the tax filing deadline, which is 15th of April 2015, UCIE office will supply you with information briefs about various tax topics and forms. Below is a list of some of the tax related forms you may be receiving over the next few weeks.

1098-T

Some international students may receive a form in the mail from WSU called 1098-T. This form (1098-T) may be the first of many forms that some of you will receive. Most of international students will not be able to use the 1098-T form. The 1098-T form is excluded from filing purposes for nonresident aliens (i.e. F-1 students and J-1 scholars who have been in the country for 5 years or less and 2 years or less respectively). Only resident aliens for tax purposes and U.S. citizens are allowed to make use of the 1098-T for tax filing purposes.

W-2

W-2 is the form that an employer must send to an employee and the IRS at the end of the year. The W-2 form reports an employee's annual wages and the amount of taxes withheld from his or her paycheck.

1042-S

1042-S is the form used to report all non-employee payments made to nonresident aliens and payments made to non-resident employees who claim exemption from federal income taxes due to a tax treaty. Types of income reported on this form are scholarships, fellowships or grants awarded to students.

A student may receive all the forms 1098-T, W-2, and 1042-S respectively or he/she may receive only one. You will be receiving the forms either electronically and by mail. Therefore it is necessary for you to ensure that your current local mailing address is accurate in WINGS EXPRESS located in the WSU WINGS portal.

Tax Workshops

Please watch for more tax-tips and tax workshop announcements in future newsletters. UCIE plans to offer the workshops beginning in the 2nd half of the month of February. *At these workshops you will be able to receive assistance in preparing your US tax forms.*
