Preference will be given to currently enrolled women with a cumulative GPA of 3.0 and dependant children. One-time awards of \$750 each.

WOW Scholarship: The Wright State Organization for Women (WOW) offers annual scholarships for non-traditional female students with a 3.0 or higher GPA. Any non-traditional undergraduate female student (age 25 or above or younger with extenuating circumstances such as single head of household, recent divorce, job loss, etc) can apply if she is **Enrolled part-time** (no less than 3 and no more than 11 credit hours and who have normally carried a part-time course load – unless receiving the WOW Scholarship enables the applicant to take additional credit hours classifying them as full-time) and fulfills the other listed criteria.

Dr. Mary Pryor and Mr. Richard Pryor Scholarship: Established in 1990 by the Department of Family Medicine in honor of Dr. Mary D. Pryor for her outstanding contributions to students, residents, the university, and the community. Dr. Pryor is specifically recognized for her commitment to adolescents and to women in medicine. The scholarship is to be awarded to a female medical student showing interest in primary care. Contact the Boonshoft School of Medicine.

Herman and Norma Hutzler Scholarship: Established by Mrs. Hutzler to honor her husband and to provide scholarship support to female medical students who are single, divorced, or widowed and at least 24 years of age. Contact the Boonshoft School of Medicine.

African American Alumni Scholarship: Established in 1994 by Wright State University School of Medicine African American alumni to provide financial assistance to African American medical students. Contact the Boonshoft School of Medicine.

Paul Harris Scholarship: Established in 1988 by the Wright State University School of Medicine and the Gem City Medical, Dental, and Pharmaceutical Society, to be awarded to African American medical students of high academic merit who have demonstrated a commitment to health promotion in the inner city. Contact the Boonshoft School of Medicine.

Beta Phi Omega Endowed Scholarship: Available to active inducted members of the Beta Phi Omega Fraternity for a minimum of a one year period. Must be in good academic standing at Wright State. Amount varies.

Hillel Organization Scholarship: Available to students active in Hillel Campus activities that maintain an overall GPA of at least 2.5. Amount varies.

Dr. Mohan Nuthakki and Gerald Ditmer Endowed Scholarship Fund: Dr. Mohan Nuthakki and grateful patient Gerald Ditmer established this scholarship to support African American medical students in their third or fourth year who have demonstrated leadership and excellence in community service and class activities.

Horizons in Medicine Fund: Established to provide support for Horizons in Medicine (HIM), a unique program that offers local high school students, mostly from disadvantaged or minority backgrounds, the opportunity to see first hand the science and delivery of health care that forms the foundation of a career in medicine. Participating students can begin to prepare for careers in science and health care, get a summer job that pays, and earn a college scholarship. Students spend mornings in classrooms and laboratories at WSU, and afternoons working in hospitals, doctor's offices and community clinics affiliated with WSU Boonshoft School of Medicine.

David M. Berry Memorial Endowed Scholarship: Available to full-time junior or senior education majors. Include commitment to multicultural issues in the required essay. Amount varies.

Dewitt and Henria McGee Endowed Scholarship: Dr. Alan McGee established this fund in memory of his parents' love, support, guidance, and direction. The fund will support talented, underrepresented minority medical students in their third or fourth years.

African American Alumni Society Scholars Fund (Student Affairs): Available to students of African American descent that live in the Greater Miami Valley area. Minimum enrollment of six credit hours required with a cumulative GPA of 2.5. Must have documented financial need. Amount varies

The Bolinga Cultural Resources Center Scholarship: A scholarship that recognizes and rewards leadership, service, and academic performance of African American students. Applicants should be African American students registered full-time with a 2.7 GPA or above. Amount varies.

The Bolinga Student Leadership Institute:

Adapted Recreation Scholarship: The scholarship awards a minimum of \$500 and recognizes a student's participation in adapted recreational and competitive sports while attending Wright State University. A separate application form is required for this award and may be obtained by contacting the offices of Campus Recreation or Disability Services

Gerald and Rita Kurdila Scholarship: Available to full-time or part-time African American students pursuing a degree in the College of Liberal Arts. First preference will be given to music majors for their academic performance. Amount varies.

The Michael Emrick Scholarship: The award is given to a student who demonstrates outstanding leadership skills in adapted athletics and adapted recreation. The scholarship, which was established in 1988, awards \$1,000 and is administered through the Dayton Foundation. A separate application form is required for this award and may be obtained by contacting the offices of Campus Recreation or Disability Services.

Sharon K. Sutton Memorial Scholarship (Jerome P. Sutton): For a non-traditional female student who has made consistent progress toward a bachelor's degree for at least two consecutive quarters prior to selection. Recipients must demonstrate financial need and have a 3.0 or higher cumulative grade point average. Amount Varies.

Ervin B. Lacy, II Memorial Scholarship: Available to an African American or female with declared major in Environmental Health Sciences. Amount varies. All eligible applicants will be considered.

Gillispie Family Scholarship: Established to support the efforts of needy African American students wishing to complete their bachelor's degree from the Raj Sooin College of Business.

Graduate Tuition Scholarship Program: The Graduate Tuition Scholarship Program will identify students who are considering a WSU College of Ed & Human Services (CEHS) graduate level program and have at least a 3.0 accumulative grade point average as an undergraduate. Students who met the minimum GPA requirement and are under represented in the college's graduate level programs are especially encouraged to apply. The demographics of the professions represented by the CEHS programs indicate a critical need for minorities, especially African Americans. Women are under represented in the educational leadership roles, the mathematics and sciences teaching fields, and in the area of physical education. Men are under represented in early childhood education, middle childhood education and the human services fields. People with physical challenges are under represented in all of the college's majors. These populations will benefit from this scholarship program.

Society of Women Engineers Scholarship: All SWE scholarships are open only to women majoring in engineering or computer science in an ABET-accredited college or university or a SWE-approved school. Sophomore, junior, senior, and graduate scholarship applicants must have a grade point average of 3.5/4.0 or above. Varying amounts of \$1,000 to \$5,000

Organization for Black Faculty and Staff (OBFS) Scholarship: This scholarship to students of an underrepresented group with a minimum cumulative GPA of 2.6. **Submit an additional essay** of no more than 250 words that explains how this award will assist the applicant. Amount varies.

African and African-American Studies Scholarship (College of Liberal Arts): Available to African and African American Studies majors and minors with a minimum GPA of 3.0 and demonstrated financial need. **Two letters of recommendation** from an instructor. In essay be sure to explain the value of a college education/experience, career goals, how you see yourself contributing to society, where you would like to be five years after graduation, etc. **Also submit a paper written for one of your current or past classes.** Amount varies.
