- All students with declared Medical Laboratory Science major are automatically admitted as Pre-Medical Laboratory Science students.
- In order to be admitted fully as a medical laboratory science major at Wright State, students will need to achieve a cumulative GPA of a 2.7, demonstrate proof of MLT certification [by the American Society of Clinical Pathology (ASCP)], and apply for admission to the Medical Laboratory Science program with three letters of recommendation (2 science professors and 1 employer or advisor) by November 1 of the junior year/year three. A personal interview will be required.
- Students are required to begin their Wright State Medical Laboratory Science program in summer term of the fourth year/year four if accepted.
- Students must earn a C or higher in all courses in biological sciences, chemistry, and mathematics.
- Though MTH 1280 College Algebra is not a required course for the bachelor's degree, a competency in college algebra will help students successfully complete BIO, CHM, and MLB courses at Wright State. Students may demonstrate the competency through math placement test through Wright State.
- 127.5-129.5 hours minimum are required for a BS degree at Wright State.

Wright State processes applications as they are received. To help you make a smooth and timely transition, we recommend you submit your application by the following dates:

Fall Semester: **April 1**  
Spring Semester: **October 15**  
Summer Semester: **February 1**

Students must apply for undergraduate admission one semester prior to completing their studies at Sinclair College.

Students must demonstrate proof of MLT certification in good standing with the American Society of Clinical Pathology (ASCP) by the end of spring semester of their third year/year three (prior to taking MLB courses at Wright State).

In order to become eligible for the medical laboratory science (MLS) program at Wright State, students will need to achieve a cumulative GPA of a 2.7 and earn a C or higher in all courses in biological sciences, chemistry, and mathematics.

Students must apply for admission to the Medical Laboratory Science program with three letters of recommendation (2 science professors and 1 employer or advisor) by November 1 of the junior year/year three. A personal interview will be required.

Students accepted into the MLS program are required to begin their Wright State MLS program in summer term of the fourth year/year four.

The MLT transfer guide for the BS degree, Medical Laboratory Science program enables students who are certified (ASCP) MLTs to become eligible for the MLS (ASCP) certification exam. To be eligible for this exam, students must be certified as an MLT, obtain a bachelor's degree from an accredited institution, and have at least 3 years clinical lab experience within the last 10 years. Experience must be in all areas of the lab.
