We rely on 100+ volunteers each week to make our mission a reality.

Ready to get involved?

Class Volunteer - TRI relies on volunteers to serve as side helpers and horse leaders. You must be at least 14 years old to volunteer.

Barn Volunteer - Barn volunteers are out in the barn each morning assisting a TRI staff member in tasks such as cleaning stalls, sweeping aisleways, cleaning feed tubs and water buckets and any other assigned tasks. These chores typically run 8:30 – 11am every morning of the week. If barn chores are your thing, this is a great opportunity for you!

Office Volunteer - TRI utilizes the help of office volunteers to complete various administrative tasks that need to be done. This is a great opportunity for those who would prefer an indoor job or have a knack for data entry or crafting.

Group Volunteer Opportunities - TRI welcomes all service groups or businesses that are looking for hours to volunteer as a group. We have a variety of projects always needing completed around the farm and in the office and appreciate the help!

The Therapeutic Riding Institute is a 501(c)(3) non-profit organization that enhances the lives of individuals in Southwest Ohio with physical, cognitive, and/or emotional challenges through equine-assisted therapies and activities.

We are a PATH International Premier Accredited Center

By adhering to the standards of this credentialed organization, we have established ourselves as one of the top therapeutic riding centers of Ohio.
