4/13/2016
Welcome to Wright State University (WSU)!

The University Center for International Education (UCIE) is excited that you have chosen to study here at WSU. We are looking forward to see all the great things you will accomplish this year and the years to come!

We hope that you will have a tremendous experience while studying at WSU and we wish you the very best. Always remember that we are here for you.

Enjoy your first semester!

Sincerely,
Your UCIE Team
WHAT TO BRING TO ORIENTATION

When you come to Orientation, you will need to bring the items below in order to expedite your check-in process and ensure a smooth start to your experience at Wright State.

- Your Admission Letter
  - You can access a copy of the letter on your Admissions Portal
- I-20 or DS-2019
- I-94 (print most recent)
  - You can print your most recent I-94 through the U.S Customs and Border Protection website
- Your Passport
- Official Transcripts and Scores – if applicable
  - You may need to submit ACT/SAT/TOEFL/IELTS scores
- Any other outstanding documents that you’ve been asked to submit to International Admissions
- Comfortable clothes and shoes.
- Sweater or light jacket as some buildings can be chilly due to air conditioning being set on low
- Money for dinner and snacks. UCIE will provide breakfast and lunch for both days of orientation. You will be on your own for dinner.

***We recommend that you leave your valuables such as iPads and laptops at home***
THINGS TO DO AFTER YOUR CHECK-IN SESSION:

- **Login into Wings/Wings Express**
  You should have your login information on your Admissions Portal that you used to apply to WSU. If you have any trouble accessing this information, please contact Computing and Telecommunication Services (CaTS | 937-775-4827 | 025 Library Annex).

- **Local Address**
  Upload your local address on your Wings Express account. For any questions, contact CaTS at 937-775-4827 (025 Library Annex).

- **Wright1 Card**
  Get your Wright1 Card (Wright One Center – 238 Student Union).

- **Medical History Form**
  Submit a completed medical history form to the Student Health Services (located in 051 Student Union).

- **Bank Account**
  Set up a bank account. Wright-Patt Credit Union is located on the first floor of the Student Union for your convenience.

- **Class Registration**
  Contact your Academic Advisor or the Advising Office for your college to schedule an appointment to register for classes. You can access advisor information on Wings Express under the “View Student Information” tab. Most advising centers require that you schedule your advising appointment at least one day in advance, so plan properly.

- **Placement Testing - For Undergraduate Students Only**
  Take the Writing and Math placement test. Check with your advisor if you need to take them. The writing placement must be taken online, at least 10 days prior to start of classes. The math placement testing should be taken in-person and on-campus. Check out Testing Services website for more info: www.wright.edu/university-college/testing

- **Orientation**
  Attend the mandatory UCIE International Student Orientation. Note that if you do not attend orientation, you will be charged a $100 fine with a hold placed on your student account.

*Remember to take your admission letter (I-20), I 94, and passport back home with you. Keep these documents in a safe place!*
UCIE INTERNATIONAL STUDENT
CERTIFICATE OF UNDERSTANDING

Maintaining Your Student Status

1) Mandatory full-time enrollment:
   a) 12 credit hours for undergraduate.
   b) 6 credit hours for graduate students.
   c) If certain conditions are met (final term, medical, first term problems), student must request permission to go under the full-time requirement by submitting a Reduced Course Load (RCL) form to the UCIE.

2) Maintain academic standing with a passing grade point average (GPA):
   a) Undergraduate: minimum 2.0 GPA.
   b) Graduate: minimum 3.0 GPA.
   c) Academic probation/dismissal: Falling below the minimum GPA requirements will result in academic probation. If the GPA is not raised above the minimum during a probation period, students will be subject to dismissal and have to leave the country.

3) Update personal information in WINGS EXPRESS within 10 days of any changes.
   a) It is an immigration requirement to have a current local address in WINGS EXPRESS.
   b) Do not travel outside the United States without receiving the necessary endorsements on your USCIS form (I-20 or DS-2019) by the international student advisor a minimum of 5 days in advance of your trip.

4) Renew immigration documents.
   a) I-20 and DS-2019 program extensions: Apply at UCIE minimum 30 days before end date.
   b) Passport: Must be renewed 6 months before expiration date and submitted to the UCIE.

5) Manage and pay university and living expenses by due dates, including tuition, class fees, international student fees, health insurance.
   a) Payment arrangements must be made in advance with the Raider Connect office, located in 130 Student Union.
   b) Students that receive government sponsorship to pay for university expenses must submit a current financial guarantee to the Raider Connect office by the end of the second week of the term.
      Any late payment fees or health insurance charges that result from not submitting a current financial guarantee are the student’s responsibility. Late payments will result in holds, which may affect your ability to register for classes or order transcripts.

6) Employment/work authorization:
   Students must apply for a work authorization through the UCIE and receive written approval before working.
   a) LEAP students are not eligible for employment.
   b) On-campus employment must not go over 20 hours per week during the academic term or 28 hours per week during breaks and summer semester. Submitting over hours may result in visa termination and is a serious immigration offense.
   c) Students are eligible for off-campus employment only if they meet the specific requirements for CPT or OPT, including paid or unpaid internships related to the student’s field of study.
   d) If you are about to graduate (or otherwise complete the activity for which you came to the U.S.), and you want to remain in the U.S. for further study or some other activity (for example, practical training), you must apply before you complete your current activity for whatever authorizations or visa-status extensions you need in order to remain in the U.S. legally.
   e) Immigration warning: Working without a work authorization violates F-1/J-1 student status and will result in the loss of future employment in the United States, the ability to apply for a program extension, and may jeopardize the student’s ability to stay in the country.

7) Health insurance:
   Students and their dependents are required to maintain continuous WSU health insurance coverage. Health insurance will be billed to the student’s account. Students are responsible for these charges unless they have received a written approved waiver from the UCIE.
   **Health insurance waivers are approved only if:**
   a) Covered by parent or spouse working in the United States.
   b) Must submit a waiver form by the end of the second week of each semester.
   c) Must show proof of medical evacuation and repatriation coverage - Intl. SOS.
   d) Your country has made a specific agreement with WSU to provide insurance.
   e) Must submit a current financial guarantee to Office of the Bursar by the end of the second week of the semester.
CLASSROOM ETIQUETTE

• Arrive to class on time
• Stay for the entire class time unless you’ve made prior arrangements with the professor
• Introduce yourself to the professor. Address your professor by saying (Professor, Dr., Sir/Ms.)
• Visit your professor during “office hours” to ask questions after class. Students must take the initiative to make an appointment when they need help.
• Do not copy assignments from other students. You MUST do your own work during exam time
• Ask questions and express your opinions when appropriate during class. Participation is often a part of your grade. Asking questions shows that you are listening and trying to understand the material.
• Unless you are expecting an important phone call, turn your phone off or put it in silent mode. Do not text while in class.
• Read the laptop policy on the class syllabus. Some instructors encourage the use of laptops, while others strictly prohibit it. When in doubt, ask your professor if laptops are allowed.

ACADEMIC INTEGRITY

At Wright State University, we expect our students to be trustworthy and honest, to submit their own work, and to acknowledge the work of others. When these principles are violated, students commit something called “academic integrity violation” or “plagiarism”. Students found accountable for plagiarizing could receive an “F” grade for the assignment, and “F” grade for the class, and if it is a repeatable offense, the students could be dismissed from the university. Below are some tips on avoiding plagiarism:

- Be honest at all times.
- Act fairly toward others. For example, do not disrupt or seek an unfair advantage over others by cheating, by talking, or by looking at other individuals’ work during exams.
- Take group as well as individual responsibility for honorable behavior.
- Do not turn in the same work in more than one class unless permission is received in advance from the professor.
- Unless permitted by the instructor, do not collaborate with others on graded course work, including in class and take-home tests, papers, or homework assignments.
- Know what plagiarism is and take steps to avoid it. When using the words or ideas of another, even if paraphrased in your own words, cite the source(s).
- Know the policy-ignorance is no defense. If you have any questions regarding academic misconduct, contact your instructor. Those who violate campus policy are subject to disciplinary action.
# IMPORTANT TERMS

- **Academic Probation**
  This is a status for students earning a GPA below the minimum requirement. Probation makes a student’s continued enrollment dependent upon academic improvement. *Minimum GPA for undergraduates is 2.0, and for graduates is 3.0.*

- **Dismissal**
  A student on probation who fails to achieve the minimum required GPA will be eligible for dismissal.

- **Hold**
  An action taken against a student’s account due to low academic standing or non-payment which will disable the student from registration and ordering official transcripts.

- **Add/Drop Course**
  Students may add courses anytime throughout the published add/drop deadline. For courses designated "Instructor Approval Required" or “Department Approval Required”, students may register or add only with the appropriate approval. *After the published add/drop deadline, instructor approval is required for all course enrollment. Students registering after the term begins are responsible for all late fees and missed assignments and cannot expect that due dates will be altered.*

- **Withdraw**
  Students may withdraw from courses during a semester, but there are established procedures for doing so. Written approval from a university official must be secured, and some fees must be paid. Check with UCIE to see if you are eligible for withdrawal.

- **Credit Hour**
  The number of hours assigned to a specific class. This is usually the number of hours per week you are in the class. The number of credit hours you enroll in determines whether you are a full-time student or a part-time student.

- **Non-Credit Course**
  These are classes or courses that do not meet the requirements for a certificate of a degree at a given institution. *Non-credit courses may serve one of several purposes: to explore new fields of study, increase proficiency in a particular profession, develop potential or enrich life experiences through cultural and/or recreational studies.*

- **Prerequisite**
  A course required to be taken before another course (i.e. Math 101 should be taken before Math 102).

- **Syllabus**
  A description of a course which also lists the dates of major exams, assignments, and projects.

- **Honors Program**
  An academic program where students work with faculty on projects above and beyond normal coursework. Students may declare their intent to take a course for Honors.

- **Tutor**
  A person, generally another student, who has completed a course or subject, and is able to provide instruction to another student. Tutors usually help students better understand course material and make better grades.

- **Official Transcript**
  An official record from the school indicating the list of courses completed by a student along with final grades and dates.

- **Financial Aid**
  It is a grant or scholarship offered to a student to cover college expenses. Scholarships are generally provided by federal and state agencies, colleges, foundations, and corporations. International students do not qualify for grants or financial aid.

- **Academic Advisor**
  School official, usually assigned by your college or university, who can help choose your classes and make sure you are taking the right courses to graduate.

- **Commencement**
  Day of the graduation ceremony.
CULTURAL ADJUSTMENT

Suggestions for Adjusting to the New Culture

❖ Learn and observe: Learn about your host culture and your new environment.

❖ Think positively: Try not to focus on the negatives in your host culture. Do not hang around people who have negative attitudes.

❖ Keep your sense of humor: Look for the funny side of embarrassing situations.

❖ Speak English: Don’t worry about making mistakes. Practice, practice, practice!

❖ Go out: Attend programs sponsored by UCIE! Student organizations provide the opportunity to get involved and to meet other students.

❖ Get involved in the community: Make American friends! Attend city festivals, volunteer at non-profits, and be part of student associations and clubs.

- Excellent foreign exchange rates.
- Ability to track where the payment is (an email after the deposit occurs).
- For more info, visit their website at [www.flywire.com/pay/wright](http://www.flywire.com/pay/wright)

**Payment Plan Options**

Paying for tuition can get expensive. If you are looking for an affordable way to pay for your educational costs, you can sign up for one of the payment plans available to WSU students:

- **Option 1:** Enroll in the 4-payment plan for $25 application fee  
  Student registration can be maintained with a 5% down payment plus the application fee if enrolled by the due date below. The remaining balance is divided into equal monthly installments

- **Option 2:** Enroll in the 4-payment plan with Prior Term Balance for $50 application fee. The 4-Pay Plan with Prior Term Balance option should only be selected if you have a prior term balance of up to $999.99 and want to pay this amount along with current term charges over four installment payments. This plan requires paying 5% of the total charges owed (current term plus prior term balance) plus the application fee at time of enrollment. The remaining balance is divided into equal monthly installments.

SEXUAL VIOLENCE

Sexual violence is any kind of sexual contact against a person’s will and without consent. Some commonly heard terms:

- **Sexual Assault**: Any unwanted sexual contact, including intercourse, touching, or oral sexual stimulation that is performed without consent, often through the use of threat or force.
- **Rape**: Any kind of sexual intercourse - vaginal, oral, or anal - that is committed against a person’s will or is committed with physical force or the threat of force. *Intercourse during which the victim is drunk, unconscious or otherwise considered unable to consent is also rape.*
- **Sexual Abuse**: Any action performed by a person in order to feel sexually stimulated without the other person’s consent, such as watching, touching, or sexually assaulting the victim, or speaking to the victim in a sexual nature.

If you or someone you know would like more information on advocacy options or other services available to students dealing with sexual violence, please call the POLICE at 911.

IDENTITY THEFT

It is estimated that over 13 million people will fall victim to identity theft this year. Criminals use a variety of methods to steal Social Security Numbers (SSN), driver’s license numbers, credit card numbers, ATM cards, telephone calling cards, and other pieces of information like your birth date or address.

Types of identity theft:

- Account takeover: stealing credit account information and purchasing products or services by using your card via physical swipe, phone call, or through an online checkout.
- Application fraud: stealing your SSN and other information to open new accounts in your name.

*You cannot completely protect yourself from identity theft, but you can reduce your risk of fraud!*
TIPS TO REDUCE THE RISK OF IDENTITY THEFT

• Do not carry extra credit cards (Social Security card, birth certificate or passport) unless it is absolutely necessary.

• Do not leave your property/documents unattended at any time.

• Reduce the number of credit cards you actively use. Cancel unused accounts. Don’t fill out credit applications just to get the “free gift”.

• Always put your credit card receipts in your wallet rather than in the shopping bag.

• Keep a list or photocopy of all your credit cards, bank accounts, & investments in a secure place. Make sure you have the phone number to call to report stolen card.

• Never give out your SSN, credit card numbers, or other personal information over the phone, by mail, or on the Internet unless you have a trusted business relationship and you have initiated the call.

• Check your credit report at least once a year. If you become a victim of identity theft, you can catch it early by checking your credit report regularly.

• Remove your name from the marketing lists of the four credit reporting bureaus: Equifax, Experian, Novus/Innovis, and Trans Union. Call 1-888-5-OPT-OUT (1-888-567-8688). This will limit the number of preapproved credit offers you receive, and remove a potential target for identity thieves who use them to order credit cards in your name.

• If your credit card is stolen, cancel it immediately to decrease the damage that can be done. If the credit card was stolen on campus, file a police report immediately by calling (937) 775-2111. If the credit card was stolen from an off campus location, call the jurisdiction that it was stolen in to file a report immediately.

• If your Social Security Card is stolen from on campus, file a police report immediately by calling (937) 775-2111. If the Social Security Card was stolen from an off campus location call the jurisdiction that it was stolen in to file a report immediately. Then contact the Social Security Office and advise them of the situation.

**DRIVER’S LICENSE & STATE ID**

**Driver’s License**
- With valid international or another US state driver’s license, you may drive a car in Ohio for up to one year from the date of your arrival in the U.S.
- Your I-20 or DS-2019 must have been issued for a duration of time that exceeds one year in order to obtain an Ohio driver's license.

However, if you purchase a car and register it in your name, or if you do not have a valid driver’s license from Ohio, the procedure for obtaining an Ohio driver's license is as follows:

1. Get a copy of the Digest of Ohio Motor Vehicle Laws from any Bureau of Motor Vehicles or online at [www.bmv.ohio.gov](http://www.bmv.ohio.gov)
2. Go to the nearest Ohio Highway Patrol driver’s license exam station to take a vision test and a written test on Ohio motor vehicle regulations and traffic signs. After you pass the written test, you will be issued a temporary instruction permit, which authorizes you to practice for your road test only when there is a licensed driver seated in the front seat.
3. When you have developed your driving skills well enough, contact the nearest exam station to schedule a road test.
4. In order to be issued a license, a foreign national must bring:
   - Valid passport.
   - U.S. visa.
   - I-94 card.
   - One of the following: An I-20 or a DS-2019 along with original letter from a recognized Ohio business or institution stating that the individual is affiliated with (i.e. employed by or attending), or a dependent of the institution or business.
   - The foreign national must show he or she will reside, or has resided, in Ohio for 12 months, which can normally be proven using the above documentation.
   - Each applicant must state whether or not a permanent Social Security number has been assigned. However, a permanent number is not required to be issued a driver’s license.

Foreign nationals who will not reside in Ohio for more than 12 months can drive on an international driver’s license.

More detailed information about getting an Ohio driver’s license and license plates can be found in the Digest of Ohio Motor Vehicle Laws.

Please make sure you purchase auto insurance. **It’s against the law to drive without auto insurance.**

**State ID**
- Identification card in place of passport
- Official Government ID

The cost for a new or renewed Ohio identification (ID) card is $8.50/
Valid driver’s license will make the State ID invalid.

To obtain a State ID you can visit one of the branches below:

EMployment and Social Security Number Processing

As a full-time student at WSU, you are eligible to apply for a Social Security Number (SSN) only if you have an Employment Verification Letter from your employer and Employment Authorization Form or a G.A./T.A. contract.

To apply for an SSN, you need a letter from the UCIE confirming your status as a full-time student. Once you have the Employment Verification Letter from your employer and the Employment Authorization Form or a G.A./T.A. contract, you need to request a Social Security Letter and Work Authorization from the UCIE. You will need to attach the following information to your request:

- Student Employment Authorization Form from Career Services or G.A./T.A. letter from the School of Graduate Studies
- Employment Verification Letter from your employer.
   Must have provided your new local address to the Registrar’s Office by changing it on WINGS EXPRESS (wings.wright.edu) and have registered full-time for the term you are seeking work authorization.

HOUSING

On-Campus Housing
To correspond directly with the University Residence Services Office. Visit: www.wright.edu/housing

Off-Campus Housing
Off-campus apartments are not the responsibility of Wright State University and limits the amount of assistance we can provide in this area.

Off-Campus Housing Cost Tips
• Compare prices before settling on an apartment.
• Ask other students about the apartment’s reputation.
• Drive around in the area for unlisted rental offers.

For prices ideas visit:
www.ApartmentGuide.com
www.PlaceOfMine.com
www.PadMapper.com
www.ApartmentList.com
www.wright.edu/ucie

Off-Campus Housing Lease & Tips
• Security deposit is usually required. This deposit is kept in case you cause damage after you leave or in case you leave earlier than the assigned date.
• Read your lease carefully before you sign it.
• Your lease is a legal contract with rules that you agree to follow.

Check these items to make sure you and the landlord agree:
• What is the cost per month?
• What is the length of the lease?
• Who is responsible for the payment of utilities – heating, electricity, water, garbage collection, etc.?
• What is the cost of the security deposit and is the deposit refundable?
• Who is responsible for repairs to the apartment while you are living there?

For more off-campus housing, check out the Student Support Services webpage:
www.wright.edu/students/studsupport/

The UCIE also offers video tours of the popular apartments around campus through the official YouTube page at www.youtube.com/wsuUCIE
LIVING WITH A ROOMMATE

• You should draft a Roommate Agreement.
• Agreement will ensure that those not on the lease are legally bound to the apartment and the lease contract.

Contact Student Legal Services for additional help.

The UCIE Facebook page is a great place to find roommates or post vacancies: www.facebook.com/groups/

The university will also post any roommate requests on a designated bulletin board in the Student Union: https://secure.wright.edu/student-support/roommate

Before you sign a lease, make sure
❖ The apartment is clean.
❖ You feel safe there.

While you are living in the apartment
❖ Clean your apartment regularly.
❖ Do not cause any damage to the walls, ceilings or floors.
❖ If you damage the apartment, you may be asked to move, and your security deposit may not be refunded to you.
❖ Make sure to understand who is responsible for providing the appliances and furniture.

There may be additional costs requiring you to purchase your own bed, sofa, and more.

ANIMAL POLICY

• If animals are not allowed in the apartment, permission from the apartment’s owner is required.
• If you have an animal without permission, you could be asked to move out, and you may have to pay a fine.

Some apartments require you to pay for “utilities” separately (electricity, water, etc.).

Call DP&L to get your apartment electricity connected:
(937) 331-3900 or 1-800-433-8500.

You will be charged rent even if you do not have electricity yet.

Call SBC/AT&T at 1-800-660-1000 to get your apartment phone connected.
