

Non-WSU User Accounts for CaTS Computer Facilities

Temporary campus accounts are required for use in many facilities at Wright State University. This account provides access to email, WINGS, and the Internet. Account sheets with passwords should be collected and returned to CaTS immediately upon completion. Reservations are the responsibility of the requestor.

CaTS requires FIVE working days' notice to verify, generate, and print these accounts. Accounts should be picked up and signed for at the Help Desk in **025 Library Annex**. Requests may be faxed to (937) 775-3331.
