CHECK-IN PROCEDURE
Residence Hall Students,

When you enter campus follow the signs and park in your building’s designated parking area. (More information can be found on page 2.) Traffic guides will assist you to your designated area.

Make sure to have a member of your moving party report to the community’s dispatch tent. The dispatch tent will be clearly marked. At the dispatch tent, wait in line until a driver and a golf cart are assigned to assist you. The golf cart is assigned to you until your vehicle is clear of all belongings.

While a member of the party waits for the golf cart service, the resident student can go to their assigned floor to begin the paperwork process. Follow signs to locate the floor’s Resident Assistant (RA) who will explain move-in paperwork and distribute a set of keys. With the new set of keys, meet up with your party and begin to move your belongings to your room.

The driver, golf cart, and moving party member will return to the vehicle to help unload. The cart will go to the resident’s assigned building with the resident’s belongings.

The Residence Life & Housing staff is identifiable by a white t-shirt, so please feel free to go to them with any questions you may have!

*A resident is fully responsible for their keys once they are issued!
