

Wright Leader Academy

Application 2024-2025

Name: _____

Title: _____

Department: _____

Supervisor: _____

Hire Date: _____

Date Started Current Role: _____

Please attach the following:

1. A statement from you reflecting the below information:
 - a. Why you would like to participate in the Wright Leader Academy
 - b. How you believe the program will help you and your colleagues grow and support the future of our institution
 - c. Your commitment to staying employed with Wright State University for at least one year after conclusion of the program, if you are selected

2. A letter from your current supervisor reflecting the below information:
 - a. A recommendation for your participation in the program with examples of your high-level performance and leadership qualities
 - b. Recognition of the need for you to be afforded the time commitment necessary for full participation
 - c. Acknowledgment of the need to timely complete the supervisor portion of the Leadership 360 assessment and provide other support to help you put the class learnings into action

3. Your resume or CV

4. Your current availability (to be used to in development of our schedule)
 - a. Please list any particular days of the week and/or dates that you are absolutely unable to attend. We will work around all schedules as best as possible to ensure maximum participation by all cohort members.

If you are not currently a supervisor, program director, or department chair, please include a nomination letter from the Dean, Vice Provost, or Vice President who oversees your area. Their letter should include their endorsement of your participation as well as their experience with your potential for leadership and growth.

In order to be considered for the 2024-2025 cohort, your completed materials must be received by Lisa Ragan (937-775-2919 or lisa.ragan@wright.edu) no later than Friday, March 22, 2024.

If selected for the Wright Leader Academy, I understand my commitment to attending the full-day sessions regularly and completing assigned work between sessions.
