## Tobacco

Tobacco use is prohibited in all university housing, facilities, and grounds. This includes any product that contains tobacco or nicotine, whether smoked, vaped, chewed, or ingested by any other means.

## Substances

Possession/use of alcohol and drugs may also result in sanctions up to and including loss of housing privileges.

# From the Housing Team

We are excited to welcome you to campus this fall and are working hard to prepare for your arrival.

On Move-In Day, enter campus through the main entrance on Colonel Glenn Highway and proceed to Lot 4 for further instructions. Once you move in your belongings, take time to unpack, meet your neighbors, and settle in. Then, check out the First Weekend event schedule at [wright.edu/engage](http://wright.edu/engage), explore the fitness center (located on the first floor of the Honors Community), take a lap around the fitness trail, or try your hand at disc golf.

We look forward to seeing you soon!

# What to Do Before You Move-In

- View your housing assignment in the Housing Portal found in WINGS Express.
- Register for your classes. On-campus housing is exclusive to students, and registration status is checked regularly. If you are NOT registered for classes, you will not be permitted to move-in.
- Contact your roommate(s) and make plans. Get acquainted and decide who will be bringing what to avoid duplicates of everything.
- Review your dining plan options.
- Review policies, including the terms and conditions, student handbook and student code of conduct.
- Make your payment, you will not be permitted to move in if you have not made payment arrangements for housing.

# Campus Safety

To provide a safe and welcoming community, the Wright State Department of Public Safety, Police Division, strives to build positive relationships and provide excellent service to the community it serves. Campus Police have a robust community policing program. This program includes educational training for faculty, staff, and students, which focus on various safety measures and risk reduction techniques. While the department focuses these programs on specific topics such as alcohol use awareness, sexual assault awareness, general safety tips, and recognizing distressed individuals and violent intruders, officers are always willing to address other current or prudent educational topics. If you are interested in our community resources or programs, please email [wsupolice@wright.edu](mailto:wsupolice@wright.edu).

If you need immediate assistance, contact the Emergency Communications Center. We recommend that you program the Emergency Communications Center number, **937-775-2111**, into your cell phone so you always have it handy.

You will need to purchase a parking permit to park a vehicle on campus and in the residential areas. Visit [wright.edu/student-parking](http://wright.edu/student-parking) and use the My Parking Account link to order your permit. Please note: the university no longer processes permits in person.

- **Single Semester Permits** are valid for the semester in which they are purchased. This permit provides access to all general parking areas.
- **Full Academic Year Permits** are valid for the entire academic year. This permit provides access to all general parking areas.
- **Full Academic Year Rowdy Permits** allow for parking in select premium spaces, in addition to general parking areas, throughout campus. Rowdy parking spaces are closest to all campus buildings.

Permits can be purchased using most major credit cards or by adding the permit fee to your tuition bill.

Physical parking permits are not issued. Our parking management system uses your vehicle's license plate to verify your permit status. You may link up to three vehicles to your permit; however, you may only park one of those vehicles at any given time.

We strongly urge new and returning students to visit [wright.edu/parking](http://wright.edu/parking) to familiarize themselves with parking privileges and other parking policies before coming to campus.

Visit [wright.edu/parking](http://wright.edu/parking) for more information.

# Renter's Insurance

Wright State has partnered with GradGuard, to offer both tuition insurance and renter's insurance. Over 500,000 students nationwide have utilized GradGuard programs. Wright State does not cover the cost of your personal belongings in the event they are damaged or stolen. As such, it is highly recommended that you obtain renter's insurance before you move-in, view [bit.ly/wsugradguard](http://bit.ly/wsugradguard) to learn more.

# Resident Assistant (RA)

Each building (or area) will be assigned a resident assistant (RA). The RA is there to help build community among residents, point residents to the right resources, and enforce campus housing policies. For more information on the community staff, please visit [wright.edu/housing](http://wright.edu/housing) and select Community Directors and Resident Assistants under Meet the Team.
