The January 23, 2017 meeting covered a variety of topics including:
- BRIDGE Resolution, the UAPC Credit Hour Policy, budget remediation updates, and curriculum changes. To learn more about the issues discussed, please read below.

From the President’s Report
Dr. Hopkins invited everyone to attend the first Presidential Lecture Series of 2017. The lecture will be Friday at 7:00pm, Tuesday, January 31st at the Nutter Center. [www.wright.edu/sites/www.wright.edu/](http://www.wright.edu/sites/www.wright.edu/)
Dr. Hopkins invited Greg Sample to the podium to address concerns raised by Senator Bobbe Gray at the December Senate meeting regarding the hiring of contactors, vendors, architects, and other outside agen-
cies that have failed to deliver as promised in the past. poor quality work, cost overruns, etc.
Mr. Sample gave the Senate a brief over-
view of the new Management Division, including reduction in personnel, restructuring to bring services closer to end-users, and working with building occupants and stakehold-
ers. In response to a question from the floor, Mr. Sample expressed that facilities management will no longer be divided between the state and Federal guidelines with re-

Innovation and New Technology
In keeping with the objective of finding creative solutions to address campus concerns, the University was recently notified that a $9 million reduction in enrollment is expected this year. Starting in fiscal year 2018, the University will no longer use return on investment to help balance the budget. The university did not plan for State reduc-
tions in the region as identified by the State of Ohio. Central State is the only uni-
versity in the state of Ohio listed as a State of Ohio Corporation due to its wide
Dr. Rosalie Maino, dean of the College of Nursing and Health, has accepted the position of director of academic nursing development for the American Associa-
tion of Colleges of Nursing in Washington, D.C. Dr. Olschum will serve in this role.
As required by law, the university's board of regents is conducting a review of duplicative programs in the region is identified by the State of Ohio. Central State is the only uni-

Executive Committee Report
The Executive Committee presented a report on BRIDGE (Removal of Individuals Who Are Deemed to be a Danger to the University) regarding the status of current issues. The Senate discussion a motion to substitute language also addresses how travel time and distance impact students. The substitute language addresses these issues.

Discretionary Issue
The Wright State Applied Research Corporation has made a $2.4 million investment in two new companies to support the university this fiscal year. The administration is also investigating the impact of tax reform on the university’s revenue. The fiscal yearLabor Library
As a result of the Libraries of the Future Taskforce report received in December, the Senate recommended that the library considers partnering with the VFL and faculty for any future changes in the library’s role in shared governance.
Faculty are urged to make every effort to attend the public forum for each presi-
dential candidate.

New Business
Curricular Items
Course Offerings
The new proposed Engineering Technologies Program, once finalized, will move to building 6 for the Fall semester to begin.
