## From the President's Report

### Community Service

Dr. Hopkins informed the Senate that, for the eighth consecutive year, Wright State has been honored by the President's Commission on Higher Education and Community Service for the university's support of volunteering, student community service, service learning, and civic engagement. Wright State was recognized in the areas of General Community Service, Education, and Economic Opportunity. Wright State was the only university in Ohio named With Honor & Distinction for Education. A total of 13,676 Wright State students were involved in community service or academic service-learning during the 2014-2015 school year, resulting in 1,495,561 service hours.

Dr. Hopkins extended his thanks to Craig This, Sommer Todd, and Jamie Norris for their continued work with Raidersgiving. Raidersgiving started in 2012 with the motto that "no Raider eats alone" and has grown from feeding 12 people in 2012 to over 600 people in 2016.

### Faculty Awards & Recognition

Dr. Hopkins congratulated the following faculty members for recent awards and achievements:

Jim Dunne (CEHS) received the Nuestra Familia 2016 Award from the Ohio Latino Affairs Commission for his work at El Puente Learning Center in Dayton.

Dean Parmelee (BSOM) was recognized with the Alpha Omega Alpha Robert J. Glaser Distinguished Teacher Award from the Association of American Medical Colleges.

Pascale Abadie (CoLA) was honored with the Wright State 2016 International Education Award for her work with the French Ambassador Program.

### Budget Update

Dr. Hopkins informed the Senate that the university had projected no change in SSI payments from the State of Ohio, however the administration was recently informed that the university will receive an additional \$3.1million in SSI funding. Since 2012, Ohio public universities are no longer funded by headcount and enrollment; all SSI funding is now determined by course & degree completion.

### HB48 – Concealed Weapons on Campus

Dr. Hopkins announced that Ohio House Bill 48 was passed by the State Legislature and is now awaiting the Governor's signature. The bill, if signed, would continue to prohibit bringing concealed weapons onto university campuses, however it would allow the Board of Trustees to approve an exception to the law. Dr. Hopkins stressed that the administration does not want the Board to make an exception to allow concealed weapons on campus and urged the Faculty Senate to pass the resolution supplied by the Senate Executive Committee.

Dr. Hopkins announced that he is looking forward to, and encouraged everyone to attend, the College of Nursing & Health Pinning Ceremony at 3:00pm, Friday, December 16<sup>th</sup> at the Nutter Center.

## Executive Committee Report

### EC Report to Faculty Senate

#### Summer Add/Drop Refund Dates

The Executive Committee reviewed the proposed new Summer Add/Drop Refund schedule. As the new schedule makes summer consistent with the regular fall and spring terms, the committee found nothing to object to. The full text of the proposal can be found here: [Link]

#### House Bill 48

In light of the approval of House Bill 48 by the Ohio Senate, concerning concealed carry policies on college campuses and other facilities, the Executive Committee presented a written resolution recommending that the Trustees make no change to the university's current firearm policy. After much debate, a roll call vote was held with 31 of 32 senators present voting in favor of the resolution. The result of this vote, together with the resolution, will be presented to the Board of Trustees at their public meeting on Friday, December 16th; the full text can be found at <https://www.wright.edu/sites/www.wright.edu/files/uploads/2016/Dec/meeting/WSUHB48Resolution.pdf>.

#### Votes of Confidence Procedures

As requested by the Senate in at November's meeting, the Executive Committee obtained a comprehensive list of fully- and partially-affiliated faculty in each department and college. With this new information in mind, revisions were made to the required number of signatures to petition for votes of confidence and units smaller than colleges were omitted from the procedure. The procedure was further revised to include an additional means by which a Senator can call for a general meeting of the faculty for the purpose of holding a vote of Confidence/No Confidence. A draft of the revised procedure can be found here: [https://www.wright.edu/sites/www.wright.edu/files/uploads/2016/Dec/meeting/ConfidenceVoteProcedures\\_ECedit\\_12-5-16.pdf](https://www.wright.edu/sites/www.wright.edu/files/uploads/2016/Dec/meeting/ConfidenceVoteProcedures_ECedit_12-5-16.pdf)

#### Affiliated Entities Review Committees

Members of the Faculty have been selected by the Executive Committee to participate in the first round of administrative reviews of affiliated entities.
