Effective March 1, the Faculty Senate requires the university to show it aligns its operations with the current Senate policy on hiring consultants. There will be a campaign to remind faculty and administrative units of the University Senate Statement through multiple means, including institutional e-mails, campus media, and thelakecampus.com website. A reminder will be made to all units to follow up on any positions that have been identified by the University Senate as positions that do not align with the policy.

Proposed motion: Dr. Steven Zucco, chair, will be appointed as a consultant. However, the policy governing the consultative role of Dr. Zucco has not been finalized. The Senate continues to work with the administration and the Provost’s office to finalize the policy. If we consider the question on a pure efficiency basis, it only makes recommendations then they are considered to be a consultant.
