As a result of last month’s Senate discussion:

From the Provost’s Report:

Legislative Initiatives

- There are issues in higher education that are state-wide in nature. Who are they published?
- How are the specific sets of deliverables where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
- Where are they published?
