

# SEMINAR NOTICE

**Department of Neuroscience,  
Cell Biology and Physiology**

**Corey Smith, Ph.D.**

**Associate Professor**

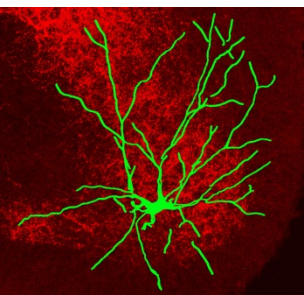

**Department of Physiology**

**Case Western Reserve University**

**School of Medicine**

**Cleveland, Ohio**

***“Molecular regulation of the secretory fusion  
pore and differential transmitter release in  
mouse adrenal chromaffin cells”***

2:00 P.M., Friday  
November 1, 2013  
165 Brehm Lab
