WRIGHT STATE UNIVERSITY
BOARD OF TRUSTEES
OFFICIAL PROCEEDINGS OF THE
THREE HUNDRED AND THIRD MEETING

December 17 and 18, 2015

I. CALL TO ORDER

The meeting of the Wright State Board of Trustees was called to order by Mr. Michael Bridges, chair, on Thursday, December 17, 2015, 4:05 p.m., in the Wright Brothers Room, Student Union. Dr. Robert J. Sweeney, secretary to the Board of Trustees, called the roll:

</tr>
</tbody>
</table>

II. PROOF OF NOTICE OF MEETING

Mr. Bridges reported that this meeting was called by written notification and a quorum was present.

III. DISPOSITION OF PREVIOUS MINUTES

Mr. Bridges called for a motion to approve the October 8 and 9, 2015 minutes as submitted. Dr. Goyal moved for approval, Mr. Montgomery seconded, and the motion was unanimously approved by voice vote.

IV. EXECUTIVE SESSION

In accordance with the Ohio Open Meetings Law, the Board, after a majority of a quorum, determined to hold an Executive Session by offering the following resolution:
RESOLVED that the Wright State University Board of Trustees agreed to hold Executive Session on Thursday, December 17, 2015; and be it further

RESOLVED that pursuant to the Ohio Revised Code 121.22 (G), the following issues may be discussed in Executive Session:

- Legal Report
- Potential dismissal, demotion, or discipline of a tenured faculty member, and pertinent personnel matters
- Purchase of real property by WSU Foundation, Inc., and pertinent real estate matters

Dr. Goyal moved for approval. Mrs. Broner seconded, and the motion was unanimously approved by roll call vote.

V. RECESS

The Executive Session adjourned at 6:20 p.m.

VI. RECONVENE – ROLL CALL

The Wright State University Board of Trustees reconvened on Friday, December 18, 2015, 9:37 a.m., in the Berry Room of the Nutter Center. Dr. Sweeney called the roll:

Chair’s Statement:

Mr. Bridges stated that the Wright State University Board of Trustees is a public body subject to the Ohio Open Meetings Act. It operates on a fixed agenda available to those attending the meeting. Persons wishing to address the Board in its Public Session should submit a written request to the Board of Trustees' office 72 hours in advance of the meeting in order to be placed on the agenda. However, all persons address the Board at the invitation of the Board and are subject to time limitations and other guidelines established to maintain the good order of the meeting.

Conflict of Interest Statement:

Mr. Bridges stated that it is of the utmost importance to ensure that all university decisions are free from any real or perceived conflicts of interest.

Therefore, please be mindful of all obligations with which you have been charged as a Trustee of Wright State University, and take the steps you deem appropriate to perform your duties fairly and impartially.

VII. REPORT OF THE CHAIR

A. Written Reports – Wright State University Board of Trustees
   November 20, 2015

Advancement, Building and Grounds Campus Update, Communications, Enrollment Management, Marketing, Multicultural Affairs & Community Engagement and Research & Sponsored Programs Reports as presented to this meeting be, and the same, hereby accepted. The reports are contained in the appendix.

B. Honorary Degree Resolution

Resolution 16-14

WHEREAS, Wright State University established in 1976 a process by which individuals of outstanding achievement may be honored by the university to recognize constructive value to the university and society; and

WHEREAS, the Honorary Degree Subcommittee and the Executive Committee of the Board of Trustees have received and affirmed the recommendation to award honorary degrees during the Fall 2015 Commencement Ceremony; and
WHEREAS, award-winning educator and writer Sharon Honaker Rab has served the Dayton community with distinction for many years; and

WHEREAS, Sharon Honaker Rab has been the galvanizing force behind the creation and founding of the Dayton Literary Peace Prize; and

WHEREAS, 2015 marks the tenth anniversary of the Dayton Literary Peace Prize; and the twentieth anniversary of the Dayton Peace Accords; and

WHEREAS Sharon Honaker Rab has shown a passion for promoting peace by encouraging people to read, share and appreciate literary works about peace while using their talents for the betterment of all, therefore

BE IT RESOLVED that the Wright State University Board of Trustees hereby approves the granting of the Doctor of Humane Letters degree to Sharon Honaker Rab; and

BE IT FURTHER RESOLVED that this degree be conferred upon Sharon Honaker Rab at the December 19, 2015 commencement ceremony.

Mr. Klaben moved for approval, Ms. Ramos seconded, and the motion was unanimously approved by roll call vote.

VIII. REPORT OF THE PRESIDENT

A. University Update

1. Dr. Hopkins announced that Wright State student Emily Bingham was among 15 students selected nationally to compete on the Jeopardy television show. She will be representing herself and Wright State in the College Bowl Edition in January 2016.

2. Dr. Hopkins recognized the efforts of We Serve U for their Holiday Gift Program. This dedicated group of Wright State staff instituted this project to offer community support. This year 26 needy Greene County families and hundreds of Montgomery County children will be recipients of the more than 800 gifts collected “For the Love of Children”.

3. Tomorrow we are going to celebrate the graduation of almost 1,900 students. This year’s graduation numbers reflect a 4% increase in degree completion over 2014. Wright State received a record number of applications with 16,000 received this year. As of November 30th there was a 15% increase in all new undergraduate
applications, a 21% increase in new direct from high school applications, and a 21% increase in new graduate student applications. This enrollment momentum reflects highly on Wright State's commitment to attract high quality students with the dream, the potential and the drive to succeed.

B. Approval of December Graduates

Winter commencement will be held on Saturday, December 19, 2015, at 10:00 a.m. in Wright State University's Nutter Center.

Section 1.03 of the Wright State University Code of Regulations provides that the Board of Trustees shall grant degrees to qualified graduates after due consideration of nominations by the faculty.

Since applications for degrees are accepted in advance, the recommendation was made that change in the list to correct errors and to add or delete names of persons who unexpectedly will or will not meet all requirements for graduation is permitted. A list of fall 2015 degrees follows, along with comparison figures for fall 2014.

**Fall 2015 Commencement**

RESOLUTION 16-15

RESOLVED that the candidates for degrees for August and December 2015 be and hereby are confirmed and approved.

Mr. Bridges motioned for approval. Mr. Fecher seconded, and the motion was unanimously approved by voice vote.

C. Confirmation of Academic and Administrative Appointments and Changes

Faculty New Hires

Tamela S. Bash, M.S., M.B.A., has been appointed Lecturer and Clinical Laboratory Sciences Program Director, Biological Sciences, College of Science and Mathematics, effective October 12, 2015.

John C. Duby, M.D., has been appointed Chair and Professor, Pediatrics, Boonshoft School of Medicine, effective October 1, 2015.

Luping Huang, M.D., Ph.D., has been appointed Research Assistant Professor, Neuroscience, Cell Biology, and Physiology, College of Science and Mathematics, effective November 1, 2015.

Peter L. Reynolds, M.D., has been appointed Associate Professor, Family Medicine, Boonshoft School of Medicine, effective September 28, 2015.
William E. Venanzi, Jr., M.D., has been appointed Associate Professor, Internal Medicine, Boonshoft School of Medicine, effective August 28, 2015.

**Faculty Promotions**

Judith Helene Ribak, Ph.D., has been appointed Associate Professor, College of Nursing and Health, effective August 1, 2014.

Thomas A. Sudkamp, Ph.D., has been appointed Provost, Office of the Provost, effective October 1, 2015.

LaPearl Logan Winfrey, Ph.D., has been appointed Dean, School of Professional Psychology, effective October 19, 2015.

**Faculty Separations**

Arun Aggarwal, M.D., M.B.B.S., Assistant Professor, Pediatrics and Director of Motility, Gastroenterology and Nutrition, Boonshoft School of Medicine, effective September 14, 2015.

Janice Duke, M.D., Professor, Obstetrics and Gynecology, Boonshoft School of Medicine, effective November 20, 2015.

J. Layne Moore, M.D., Professor, Neurology, Boonshoft School of Medicine, effective October 31, 2015.

Carlton Williams, D.Min., Research Assistant Professor, Substance Abuse Resources and Disabilities Issues Program, Boonshoft School of Medicine, effective September 29, 2015.

**Unclassified New Hires**

Catherine M. Anderson, B.S.M., has been appointed Marketing Coordinator, Computing and Telecommunications Services, effective September 1, 2015.

Misty N. Benjamin, has been appointed Community Health Advocate, Center for Healthy Communities, Boonshoft School of Medicine, effective November 16, 2015.

Julie L. Bertsos, M.A., has been appointed Special Event Support Coordinator, Event Services, effective September 9, 2015.

Destinee N. Biesemeyer, M.S., has been appointed Coordinator for Health Promotion, Counseling and Wellness Services, effective November 16, 2015.
Christina E. Borchers, M.S., has been appointed Research Associate, Pharmacology and Toxicology, Boonshoft School of Medicine, effective September 24, 2015.

Morgan R. Borders, B.A., has been appointed Research Assistant, Substance Abuse Resources and Disabilities Issues Program, Boonshoft School of Medicine, effective November 1, 2015.

Andrew M. Caldwell, Sr., B.S., has been appointed Budget Analyst, Budget Planning and Resource Analysis, effective November 16, 2015.

Eric Carroll, M.S., has been appointed Admissions Recruiter, Admissions/Alumni Relation, effective October 19, 2015.

Karmen Y. Clay, Psy.D., has been appointed Postdoctoral Research Fellow, School of Professional Psychology, effective October 1, 2015.

Kenneth P. Coon, B.S.O.E., has been appointed Director of Client Services, Computing and Telecommunications Services, effective November 1, 2015.

Lisa M. Danner, B.S., has been appointed Administrative Assistant, STEM School, College of Education and Human Services, effective October 19, 2015.

Courtney L. Donovan, M.B.A., has been appointed Student Internship Coordinator, Office of the Dean, Lake Campus, effective November 7, 2015.

Eric N. Drewes, A.A., has been appointed Multimedia Production Analyst, Marketing and Communications, Boonshoft School of Medicine, effective November 16, 2015.

Craig M. Farmer, M.A., has been appointed Academic Advisor, College of Nursing and Health, effective November 16, 2015.

Nelson Elliot Hernandez, B.S., has been appointed Men's Basketball Administrative Assistant, Intercollegiate Athletics, effective October 1, 2015.

Emma Jane Hovarter, B.S., has been appointed Athletics Ticket Sales Account Associate, Intercollegiate Athletics, effective November 2, 2015.

Delores A. James, B.S., has been appointed Director of Major Gifts, Office of Advancement, Boonshoft School of Medicine, effective November 2, 2015.

Nathan T. Jones, B.S.Ed., has been appointed Assistant Men's and Women's Tennis Coach, Intercollegiate Athletics, effective September 1, 2015.
**Unclassified New Hires (Con’t)**

Stephanie L. Kays, M.L.I.S., has been appointed Archivist, Special Collections and Archives, effective November 16, 2015.

Jeremy Gifford Kress, M.S., has been appointed Research Scientist, Biomedical, Industrial, and Human Factors Engineering, College of Engineering and Computer Science, effective October 1, 2015.

Kia N. Lear, has been appointed Community Health Advocate, Center for Healthy Communities, Boonshoft School of Medicine, effective September 14, 2015.

Michael A. Manzler, J.D., has been appointed Assistant General Counsel, Office of General Counsel, effective October 14, 2015.

Elizabeth Marie Mersch, M.S., has been appointed Human Factors Engineer, Wright State Research Institute, College of Engineering and Computer Science, effective November 16, 2015.

Melinda S. Nungester, M.S.Ed., has been appointed Programmer Analyst, Computing and Telecommunications Services, effective October 5, 2015.

Rosalyn S. Pace, M.S., has been appointed Research Assistant, School of Professional Psychology, effective November 16, 2015.

Tariq R. Qureshi, Ph.D., has been appointed Research Engineer, Wright State Research Institute, College of Engineering and Computer Science, effective September 21, 2015.

Daniel J. Rohrbach, Ph.D., has been appointed Research Scientist, Biomedical, Industrial, and Human Factors Engineering, College of Engineering and Computer Science, effective October 1, 2015.

Teresa M. Roth, B.A., has been appointed International Student Coordinator, University Center for International Education, effective October 5, 2015.

Raeven M. Smith, B.A., has been appointed Community Health Advocate, Community Health, Boonshoft School of Medicine, effective November 2, 2015.

Justin Ternent Wittenbach, M.S., has been appointed Transfer Articulation and Degree Encoder, Office of the Registrar, effective October 12, 2015.
Unclassified New Hires (Con’t)

Krystyna B. Wieczerzak, M.S., has been appointed Laboratory Technician, Neuroscience, Cell Biology, and Physiology, Boonshoft School of Medicine, effective September 14, 2015.

Valerie Neff, Ph.D., Research Associate, Lifespan Health Research Center, Boonshoft School of Medicine, effective November 30, 2015.
**Unclassified Separations (Con’t)**

Amy T. Neidhard-Doll, Ph.D., Research Associate Professor, Wright State Research Institute, College of Engineering and Computer Science, effective October 31, 2015.

John R. O'Hair, Ph.D., Senior Scientist, Wright State Research Institute, College of Engineering and Computer Science, effective October 31, 2015.

Daniel F. Palczynski, Commercialization Program Manager, Wright State Research Institute, College of Engineering and Computer Science, effective October 31, 2015.

Jerry L. Rees, M.A., Associate Director, National Center for Medical Readiness, College of Engineering and Computer Science, effective October 26, 2015.

Michael C. Reynolds, M.S.E., Director, STEMM Support Services and Outreach, Office of the Associate Provost, effective September 30, 2015.

Mark A. Robey, Desktop Support Technician, Wright State Research Institute, College of Engineering and Computer Science, effective October 31, 2015.

Jyothirmayee Aravind Sasidharan Nair Sasikala, M.S., Postdoctoral Research Associate, Chemistry, College of Science and Mathematics, effective August 15, 2015.

Jeffrey R. Smigelski, Ph.D., Research Engineer, Wright State Research Institute, College of Engineering and Computer Science, effective October 31, 2015.

Theodore W. Terrell, Jr., Senior Project Manager, Engineering and Construction, effective September 30, 2015.

Michael Weisend, Ph.D., Research Scientist, Wright State Research Institute, College of Engineering and Computer Science, effective November 30, 2015.

Keith A. Wurzbacher, M.Ed., Research Associate, Community Health, Boonshoft School of Medicine, effective September 30, 2015.

**Classified New Hires**

James E. Calloway, has been appointed Custodial Floor Care Technician, Environmental Services, Physical Plant, effective November 16, 2015.

Stacy Rae Crable, has been appointed Temp Custodial Services Worker, Physical Plant, effective September 21, 2015.
Robert J. Fowler, B.S., has been appointed Account Clerk 3, Biochemistry and Molecular Biology, Boonshoft School of Medicine, effective October 5, 2015.

Maegan Nicole Gillogly, has been appointed Records Technician 2, University Center for International Education, Office of the Provost, effective September 8, 2015.

Hatta Hazel Hall, M.S.A., has been appointed Administrative Specialist, Teacher Education, College of Education and Human Services, effective September 30, 2015.

Ryan M. Hartman, has been appointed Custodial Services Worker, Environmental Services, Physical Plant, effective September 21, 2015.

Paul D. Hines, has been appointed Custodial Floor Care Tech, Environmental Services, Physical Plant, effective October 5, 2015.

William A. Sams, III, has been appointed Grounds Maintenance Worker 2, Grounds Maintenance, Physical Plant, effective October 19, 2015.

Lauren F. Wolfe, B.A., has been appointed Administrative Specialist, Political Science, effective September 21, 2015.

**Classified Promotions**

Richard D. Montgomery, has been appointed Maintenance Worker, Environmental Services, Physical Plant, effective November 7, 2015.

Pamela Y. Reid has been appointed Human Resources Assistant, Human Resources, effective November 2, 2015.

**Classified Separations**

Kevin Liddell, Custodial Services Worker, Environmental Services, Physical Plant, effective September 26, 2015.

Jeffery T. Midkiff, Custodial Services Worker, Physical Plant, effective September 11, 2015.

Jeffrey H. Roberds, Delivery Worker, Materials Management, Physical Plant, effective October 31, 2015.
RESOLUTION 16-16

RESOLVED that the academic and administrative appointments, changes, retirements, departmental reporting, resignations and terminations submitted to this meeting be, and the same hereby are approved.

Mr. Bridges moved for approval. Mrs. Broner seconded, and the motion was unanimously approved by roll call vote.

D. Report of Investments

Since the last Board meeting, investments reports for October 2015 have been received. This report has been distributed to the trustees and is filed with the official Board of Trustees’ records.

E. Ratification of Contracts and Grants

Wright State University has recorded $24,127,205 in external funding for 127 awards for the time period of July 1, 2015 through September 30, 2015.

Recently funded projects include $7,049,590 from the US Department of Defense’s Office of Economic Adjustment to Mr. Dennis Andersh (Wright State Research Institute) to diversify the economy of the Dayton Metropolitan Statistical Area (MSA), and lessen the region’s dependence upon the Department of Defense while strengthening the Wright Patterson Air Force Base’s status in the Dayton MSA. Dr. Jeff Cigrang (School of Professional Psychology) received an $878,979 award from the US Department of Defense’s Army Medical Research Acquisition Activity for efforts to further develop a marriage checkup tool for at-risk military couples to be integrated into primary care settings. Ms. JoAnn Ford (Community Health, SARDI) received $1,199,984 from the US Department of Health and Human Services’ Substance Abuse and Mental Health Services’ Administration to expand and enhance offender re-entry program services with substance use screening, treatment referrals, peer mentoring, case management, and rehabilitation services.
RESOLUTION 16-17

RESOLVED that the contracts and grants submitted to this meeting be, and the same hereby are ratified.

Mr. Bridges offered the motion. Dr. Goyal seconded, and the motion was unanimously approved by roll call vote.

<tr>
<td>Continuation</td>
<td>Trending: Social Media Analysis to Monitor Cannabis and Synthetic Cannabinoid Use</td>
<td>08/01/2015</td>
<td>DHHS, National Institute on Drug Abuse</td>
<td>Daniulaityte, Raminta Carlson, Robert G. Nahhas, Ramzi Sheth, Amit Thirunarayan, Krishnaprasad</td>
<td>$461,348</td>
<td>The overall goal of this study is to apply cutting edge information processing techniques for semi-automated processing of real-time social media data to identify emerging trends in cannabis and synthetic cannabinoid use in the U.S.</td>
</tr>
<tr>
<td>Federal Grant</td>
<td>Updating Skeletal Maturity Methods for U.S. Children</td>
<td>08/01/2015</td>
<td>DHHS, National Institute of Arthritis and Musculoskeletal and Skin Diseases</td>
<td>Duren, Dana L. Chumlea, W. Cameron Doom, Travis E. Nahhas, Ramzi Sherwood, Richard J.</td>
<td>$331,172</td>
<td>The primary goal of this study is to provide up-to-date race-specific modules to the FELS method for skeletal maturity assessment.</td>
</tr>
<tr>
<td>Continuation</td>
<td>Mechanisms of Reciprocal Inhibition Development</td>
<td>09/11/2015</td>
<td>DHHS, National Institute of Neurological Disorders and Stroke</td>
<td>Ladle, David R.</td>
<td>$319,375</td>
<td>This project will examine the development of a specific neurological circuit, the one responsible for reciprocal inhibition, with the intent of understanding how this process relates to cerebral palsy and other movement disorders.</td>
</tr>
<tr>
<td>Federal Grant</td>
<td>Evaluating the Effectiveness of Online, Portal-Based Vocational Rehabilitation Services</td>
<td>09/30/2015</td>
<td>DHHS, Administration for Community Living</td>
<td>Wilson, Josephine F. Ford, JoAnn Williams, Julie L.</td>
<td>$199,988</td>
<td>SARDI will evaluate the effectiveness of online, portal-based VR services by comparing the outcomes and cost effectiveness of online to vocational rehabilitation services with the outcomes and cost effectiveness of traditional VR services offered in Ohio, Illinois, and Kentucky.</td>

<td>Continuation</td>
<td>Antioxidants and Retinal Gene Expression Profiles</td>
<td>07/01/2015</td>
<td>Ohio Lions Eye Research Foundation</td>
<td>Organisciak, Daniel T.</td>
<td>$18,500</td>
<td>The goal of this project is to develop antioxidants designed to slow the rate of ocular changes and usual cell loss in late stages of AMD or to prevent progression of disease to the advanced stages altogether.</td>
</tr>
<tr>
<td>Non-Profit Grant</td>
<td>Platelet Activating Factor and Epidermal Cytotoxicity</td>
<td>09/04/2015</td>
<td>DHHS, National Heart, Lung, and Blood Institute</td>
<td>Travers, Jeffrey B. Sahu, Ravi P. Cool, David R. Li, Gengxin</td>
<td>$385,606</td>
<td>The information derived from this study will result in improved understanding and novel therapeutics for patients suffering environmental skin injuries in the setting of ethanol exposure.</td>
</tr>
<tr>
<td>New Federal Grant</td>
<td>Community Health Workers First</td>
<td>07/01/2015</td>
<td>Ohio State University</td>
<td>Cauley, Katherine L.</td>
<td>$208,690</td>
<td>The Community Health Workers First project focuses on encouraging more community colleges to offer an Ohio Board of Nursing authorized community health worker certificate program, recruiting and training students to enroll in and complete the CHW certificate program, and be part of a team in primary care ambulatory facilities servicing a high volume of Medicaid patients.</td>
</tr>
<tr>
<td>New Non-Profit Grant</td>
<td>Quantifying Healthy Birth, Growth and Development Knowledge Integration</td>
<td>07/28/2015</td>
<td>Bill &amp; Melinda Gates Foundation</td>
<td>Czerwinski, Stefan Aleksander Lee, Miryung</td>
<td>$184,917</td>
<td>The HBGD knowledge integration initiative will integrate data sets from diverse, focused studies into a larger body of knowledge. The purposes of integrating multidisciplinary data are to understand fully the effects of risk factors on growth outcomes and develop effective solutions.</td>

<tr>
<td>New Federal Grant</td>
<td>Environmental Pro-Oxidation Stressors and Imunosuppression</td>
<td>07/01/2015</td>
<td>DHHS, National Institute of Environmental Health Sciences</td>
<td>Sahu, Ravi P.</td>
<td>$162,517</td>
<td>This project proposes that ultraviolet-B radiation generated oxidized lipids exhibiting platelet-activating factor agonist activity due to their ability to suppress host anti-tumor immunity could compromise the effectiveness of melanoma immunotherapeutic approaches.</td>
</tr>
<tr>
<td>New Educ. Inst. Subagreement</td>
<td>Improved Head-Neck Finite Element Model for Dynamic Head Impact Simulation</td>
<td>07/07/2015</td>
<td>Johns Hopkins University</td>
<td>Sherwood, Richard J.</td>
<td>$102,301</td>
<td>This project will seek to characterize morphology of the cervical vertebra in a normal population over a period of late adolescent growth into adulthood. These data will provide a baseline by which pathological changes to the vertebra may be identified and, hopefully, mitigated.</td>
</tr>
<tr>
<td>New State Grant</td>
<td>Impact of Inter-Facility Transfer and Secondary Over-Triage on Trauma Care in the State of Ohio</td>
<td>07/01/2015</td>
<td>Ohio Department of Public Safety</td>
<td>Parikh, Priti Whitmill, Melissa Lynn Hendershot, Kimberly M. Parikh, Pratik Woods, Randy J.</td>
<td>$75,790</td>
<td>The research goal is to identify the burden of inter-facility transfer of trauma patients in the State of Ohio and provide insights into how the overall care access and quality experienced by a trauma patient can be improved.</td>
</tr>
<tr>
<td>New Industrial Grant</td>
<td>Testing Antioxidant Efficacy in an Animal Model of Photo-Oxidative Retinal Damage</td>
<td>07/28/2015</td>
<td>Eyepex Formulas</td>
<td>Organisciak, Daniel T.</td>
<td>$34,000</td>
<td>This project will test new ingredient combinations in vivo under oxidative stress conditions to identify nutrient combinations that are more effective for potential therapeutic use in age-related macular degeneration (AMD).</td>
</tr>
<tr>
<td>New Educ. Inst. Subagreement</td>
<td>Genetic Epidemiology of Ocular Health and Disease</td>
<td>04/16/2015</td>
<td>University of Texas Health Science Center at San Antonio</td>
<td>Towne, Bradford</td>
<td>$30,467</td>
<td>The proposed study will collect measures of eye health and vision acuity from members of the Jirel ethnic community in eastern Nepal.</td>
</tr>

IX. REPORTS OF THE COMMITTEES OF THE BOARD

A. Academic Affairs Committee

• Provost Report

Dr. Tom Sudkamp, provost, announced that the Center for Urban and Public Affairs (CUPA) has completed the required approvals and process to implement a name change to one that more accurately reflects their mission. As of November 20, 2015 CUPA will now be known as the Applied Policy Research Institute.

Other administrative items include the January 1, 2016 promotion of Mr. Jeff Ulliman to vice president for business and finance & chief financial officer following the departure of Mr. Mark Polatajko. Presently underway is a search for the vice president for legal affairs and general counsel position. A separate search will begin in January for the dean of the College of Science and Mathematics.

Stephen Foster, associate vice president for international affairs, will be retiring in February. A review of the policies and infrastructure is currently underway following the three-fold growth in the population of international students at Wright State over the last five years. This 360 degree internal and external review will guide best practices and the creation of a new strategic plan for international student support.

There are a number of reaccreditation activities underway at Wright State. The College of Education and Human Services recently completed their reaccreditation review as did the College of Nursing and Health. The College of Business will undergo their AACSB reaccreditation after the first of the year, and in March, the university will have their ten year reaffirmation and accreditation visit from the Higher Learning Commission.

1. Undergraduate Course Credit for Completion of International Baccalaureate Diploma Program

Dr. Sudkamp reviewed requirements of House Bill 64, Section 3345.38 (effective 9/29/2015) that require action by the Board of Trustees.
Undergraduate Course Credit for Completion of International Baccalaureate Diploma Program

Language of Am. Sub. H. B. No. 64, Section 3345.38 (effective 9/29/2015)

A. The board of trustees of each state institution of higher education shall adopt and implement a policy to grant undergraduate course credit to a student who has successfully completed an international baccalaureate diploma program.

B. The policy adopted by each institution under this section shall do all of the following:

1. Establish conditions for granting course credit, including the minimum scores required on examinations constituting the international baccalaureate diploma program in order to receive credit;

2. Identify specific course credit or other academic requirements of the institution, including the number of credit hours or other course credit that the institution will grant to a student who completes the diploma program.

International Baccalaureate Credit

RESOLUTION 16-18

WHEREAS, Am. Sub. H. B. No. 64, Section 3345.38 requires the Board of Trustees of each state institution of higher education to adopt and implement a policy to grant undergraduate course credit to a student who has successfully completed an international baccalaureate diploma program; and

WHEREAS Wright State University has strongly supported programs that allow high school students to earn college credit while in school including Advanced Placement, College Credit Plus, and the international baccalaureate program; and

WHEREAS Wright State’s policy for awarding credit for international baccalaureate courses

1. Specifies the courses for which credit is granted;
2. Specifies the minimum scores needed to receive credit;
3. Specifies the number of credit hours and equivalent Wright State courses;
4. Allows for periodic review to update the course list and required scores; and

WHEREAS, the Wright State policy for granting credit for international baccalaureate courses satisfies the conditions of Am. Sub. H. B. No. 64, Section 3345.38; therefore be it

RESOLVED that the Wright State University policy for granting credit for international baccalaureate courses hereby is endorsed.

Mrs. Broner moved for approval, Dr. Goyal seconded, and the motion was unanimously approved by roll call vote.

- **College Credit Plus Program: Current and Future**

  Ms. Mary Ellen Ashley, vice president for enrollment management, provided an update on Ohio’s College Credit Plus Program. This partnership with area high schools is designed to allow high school juniors and seniors the opportunity to take college courses applicable to a future degree free of charge while still in high school. Interest in the program has grown over the last year.

- **Student Success Center Update**

  The Student Success Center building has been open for about 11 weeks and according to Mr. Tim Littell, executive director of student success, students are actively seeking out support services and utilizing the collaborative learning areas. The Writing, Math and Tutoring Centers have benefited from their centralized location and have seen an increase over last year’s comparable usage with more student visits and earlier intervention requests.

- **Classroom Modernization Project**

  The State of Ohio provided $5.5 million in capital funds to Wright State for the update and modernization of classrooms. A classroom condition and usability study was completed to rate and rank room priorities. Over the next 2 years identified rooms will be refurbished and outfitted with new technology to better support active student learning. Dr. James Menart, chair of the faculty senate’s buildings and grounds committee, outlined the four phases of the project and the goals to be accomplished with each phase.
Credit for Military Training

For a number of years the American Council on Education has offered colleges’ recommendations on transferability of credit for courses taken by active service members and military veterans. A House Bill now requires all Ohio colleges to have measures in place to grant specific course credit for prior military training. Dr. Carl Brun, assistant vice president for curricular programs, explained how matching experience to specific degree requirements could aid military members and veterans by reducing time to degree attainment. Wright State has advisors in place in the Veterans and Military Center, Transfer Center, and Prior Learning program to review and collaborate with the academic departments to facilitate this process.

2. Emeritus Requests

The following recommendation was presented to the Board of Trustees for their approval:

RESOLUTION 16-19

WHEREAS, faculty members who have served ten or more years as fully-affiliated and full-time members at Wright State University will automatically be granted the emeritus title upon retirement and upon written request by the faculty member to the provost; and

WHEREAS, Janice Duke, Associate Professor of Obstetrics and Gynecology, served the university from 2000-2015 in a fully-affiliated and full-time status and has requested emeritus status; and

WHEREAS, Kathleen Malloy, Professor in the School of Professional Psychology, served the university from 1998-2015 in a fully-affiliated and full-time status and has requested emeritus status; and

WHEREAS, Eileen Self, Associate Professor of Human Services, served the university from 1974-2015 in a fully-affiliated and full-time status and has requested emeritus status; and

WHEREAS, Richard Wantz, Professor of Human Services, served the university from 1991-2015 in a fully-affiliated and full-time status and has requested emeritus status; therefore be it
RESOLVED that the requests for emeritus status for the aforementioned faculty members, as submitted to this meeting be, and the same hereby are endorsed.

Mrs. Broner moved for approval, General Moore seconded and the motion was passed by voice vote.

B. Building and Grounds Committee

1. Comprehensive Six-Year Capital Plan Resolution

Dr. Mark Polatajko, vice president for business and finance & COO, outlined the process for creation of the Comprehensive Six-Year Capital Plan. In October the Ohio Department of Higher Education, formerly known as the Board of Regents informed the IUC that the state was in their comprehensive six-year planning cycle for capital expenditures. State institutions requesting capital funds were required to submit a report as of November 16, 2015 outlining capital requests. Eight funding guidelines and priorities were offered for the creation of this request with the highest state priority allocated to basic renovations and/or deferred maintenance of existing buildings and infrastructure.

The development of this report included input from the Cabinet, Council of Deans, Faculty Senate and a variety of key stakeholders. Other important considerations in building this request included the Facilities Master Plan, funding gaps in current projects, and deferred maintenance list items.

The draft report (submitted pending final approval of the Board of Trustees at their December meeting) was submitted to the state on November 12th. This request included 9 key projects for the Main Campus for the 2017-2018 Biennium totaling $16.5 million and two projects for the Lake Campus totaling around $9 million.

The following resolution is being presented for Board approval.

RESOLUTION 16-20

RESOLVED that the Comprehensive Six-Year Capital Plan for the period of 2017-2022 as submitted to this meeting be, and the same hereby is approved.

Dr. Goyal moved for approval, Ms. Ramos seconded, and the motion was unanimously approved by roll call vote.
**Project Updates**

Wright State University will be hosting the first national Presidential Debate on September 26, 2016. Dr. Robert Sweeney, executive vice president for planning, outlined the timeline for preparation and renovations of the Nutter Center needed prior to hosting this event.

Mr. Dan Papay, associate vice president of facilities management and services, offered the Board an update on campus projects. The Salt Barn project has been completed. The Classroom Modernization Project is progressing on schedule and will include extensive construction revitalization of room 112 Ohlman to repurpose this large lecture hall into three interactive learning classrooms.

Members of the facilities management team will be going room to room over the next seven weeks to personally conduct a Space Inventory to verify the accuracy of the information contained in Wright State’s space management database. This updated information will be helpful for understanding utilization of space and determining future space renovations.

**C. Finance Committee**

**Vice President’s Report**

Dr. Mark Polatajko, chief financial officer and vice president for business and finance, has accepted a position at Kent State University and will be leaving Wright State on January 1, 2016. He thanked Dr. Hopkins and the Board for their support. Effective January 1st, Mr. Jeff Ulliman will assume the position of chief financial officer responsible for oversight of finance, campus auxiliaries/ business services, and business intelligence.

**Financial Reports**

- Mr. Jeff Ulliman, associate vice president financial & business operations, and Ms. Tina Heigel, university controller, reviewed the statement of net assets, revenues, expenses, and changes in fund balance and cash flows as reflected in the draft financial statement which was filed on October 15, 2015.

- Mr. Ulliman reported on Wright State University’s compliance with the Board’s financial policy and with the state’s Senate Bill 6 review.
1. **Approval of Contracts $500,000 and Above**

   **RESOLUTION 16-21**

   WHEREAS, in order for the university to conduct business on an on-going basis, and provide products and services in a timely manner, purchases must be made; and

   WHEREAS, these expenditures may exceed $500,000; therefore be it

   RESOLVED that authorization is granted for the accompanying contracts now before the Board of Trustees be, and hereby are approved.

   Mr. Fecher moved for approval, General Moore seconded, and the motion was unanimously approved by roll call vote.

- Mr. Ulliman reviewed the university’s expenditures of $250,000-$499,999. No action was required.
- Mr. Ulliman shared the university’s investment report for the period ending October 31, 2015.
- These financial records have been distributed to the trustees and will be filed with the official Board of Trustee’s records.
D. Student Affairs

- **Vice President’s Report**

  Dr. Dan Abrahamowicz shared updates on recent activities and initiatives within the Division of Student Affairs. Chief David Finnie and Officer Nelda Mattison of the University Police Department introduced Jenkaa, the new narcotics canine. The Wright State Raiderthon dance marathon, held on November 21, 2015 marks the third anniversary of this event. Over $100,000 has been raised for Dayton Children’s Hospital in its first two years.

  Wright State will celebrate the 25th anniversary of the Nutter Center with a full week of events starting with a reception on December 2. Mr. Jim Brown, executive director of the Nutter Center, provided an overview of the activities. Sixteen students were inducted into Omicron Delta Kappa, one of the nation’s most prestigious leadership honor societies. Inductees included Student Trustee Ryan Pignatiello, Student Government President Gavin Doll, and Student Government Vice President Kayla Muncie. Student Trustee Hailey Billings is also a member of the society.

  Mr. Chris Taylor and Mr. Christopher Hogan reviewed the Office of Community Standards and Student Conduct. They discussed the Code of Student Conduct and the training provided to staff and students who hear student conduct cases. They also discussed the Title IX investigation process pertaining to situations involving allegations of sexual misconduct. In recent years, 7-8 of the 800-900 conduct cases per year have involved sexual misconduct, with 7 such cases this year to date.

  In intercollegiate athletics news, a women’s basketball record was set by Ms. Kim Demmings, who became the new top scorer in Wright State University women’s basketball history.

- **Student Government Report**

  Student Government president Gavin Doll and SG vice president Kayla Muncie provided an update on Student Government’s initiatives. SG took a stand against the Safe-Campus Act of 2015, which required victims of sexual assault to file a formal police report before on campus proceedings could occur. Student Government supports Ohio Senate Bill (SB) 205, which seeks to ensure exterior means of egress from upper floors in certain residential buildings.
Student Government revisited their recommendations pertaining to healthy vending. Using standards from the American Heart Association, they aim to increase the number of healthy options in vending machines.

Other current SG initiatives include relocating the “Visions” (aka “bacon”) statue in the amphitheater outside of the Medical Sciences building to enable students to use the space for outdoor performances; working toward the goal of endowing the Student Government Scholarship; and participating in Open Mic Night at W.O. Wright’s to raise funds for College of Liberal Arts scholarships.

- **Updates**

Mr. Bob Grant, Director of Athletics, discussed the role of the Athletics Department in supporting student-athletes and the challenges of maintaining a Division I program. The culture of the Athletics Department at Wright State focuses on student-athletes as people first, students second, and athletes third. Some of the department’s unique practices to build emotional investment among athletes were highlighted in a recent NCAA magazine article.

Whereas the Athletics staff faces some hurdles in recruiting students to Wright State, the annual student-athlete survey revealed that 90% of all athletes would choose Wright State again. Wright State’s student-athletes have maintained a cumulative grade point average of 3.0 or higher for the past 36 academic terms. Additionally, athletes and coaches frequently engage in community service and outreach.

Wright State has the smallest athletic budget of the 11 public universities playing Division I sports in Ohio. An internal audit found that expenses fall below NCAA and Horizon League benchmarks by 16% and 7%, respectively. Average Athletics expenditures for NCAA Division I-AAA (non-football schools) represent approximately 6% of total institutional expenses; whereas, they represent 2.9% at Wright State.

The value of the publicity generated by Wright State Athletics that appears in print and online newspapers typically ranges from 7 to 10 million dollars. Last year’s valuation, however, was 20.5 million dollars due to the extremely successful baseball season.
E. **Student Trustee Report**

Mr. Ryan Pignatiello offered highlights of some of the many activities happening on campus. November marked the third annual Raiderthon; a 15 hour dance marathon to raise money in support of Dayton Children’s. Students, faculty, staff and departments raised $46,500 for the hospital all without the assistance of any corporate donors.

Raidersgiving was held on November 26th. From its humble beginnings of 12 students gathered to enjoy a Thanksgiving meal, this event has now grown to over 1,000 participants and has met its goal of “No Raider eats alone”.

This year marks the 25th Anniversary of the passage of the American’s with Disabilities Act. Senator Tom Harkin, instrumental in crafting this legislation to protect the civil rights of millions of Americans with disabilities, recently spoke at the Nutter Center as part of the Presidential Lecture Series. Wright State University is nationally ranked as one of the most handicapped accessible campuses in the nation so it was only fitting to bring in one of the foremost individuals on the subject of ADA legislation to help celebrate this anniversary.

Wright State has a great many students who give of their time and talents to support the community and various charitable organizations. Mr. Ian Kallay, member of the WSU cross country team, is one of these students making a difference. Last summer Ian started a campaign to end human trafficking and rode his bike for 37 days from Dayton to San Francisco to raise over $10,000. This summer, Ian hopes to swim the length of the Ohio River (981 miles total) with a goal of raising $1,000,000 to develop a reintegration center for the victims of sex trafficking.

2015 has been an outstanding year for Wright State. This weekend marks Commencement and the completion of studies and degree attainment for hundreds of students. Our Baseball team made it to the NCAA Regional Final and the Nutter Center recently celebrated their 25th anniversary. Coming up in September 2016 Wright State will host the first Presidential Debate which we are very excited about. It has truly been a great year.
F. **Faculty Senate President’s Report**

Dr. Carol Loranger, president of the Faculty Senate, offered a report on the activities of the Senate during Fall semester. In routine business, a number of new courses were approved, others were modified, and new courses of study were reviewed.

The Senate is working to prepare for the reaffirmation of accreditation visit by the Higher Learning Commission (HLC). A number of academic policies are under review for completeness, clarity and consistency.

The Admissions Requirements for the College of Nursing and Health RS-BSN and the College of Liberal Arts Direct Admissions Standards were both recently revised.

The Senate also offered feedback on the University Master Plan and has been working with the College of Business as they develop a Transfer Articulation Agreement. The process used to prepare the agreement has become the guiding process and a model for future articulation agreements.

The Libraries of the Future task force is reviewing how library services will be delivered in the future. Two new task forces have been created. The Distance Education On-Line Accessibility task force is charged with removing barriers for students with disabilities to on-line coursework. The Select Committee on Research Initiatives at Wright State is looking at what faculty oversight is needed for applied research.

X. **PRESENTATION AND POLICY DISCUSSIONS**

Dr. David Goldstein  
President of the Dayton Regional STEM School Board  
Professor and Chair, Biological Sciences

The Dayton Regional STEM School: Raider Country Starts Here

Dr. David Goldstein, president of the Dayton Regional STEM School Board, spoke about the importance of the partnership between Wright State University and the Dayton Regional STEM School (DRSS).
Superintendent Ms. Robin Fisher gave a brief history of the growth of the school from its humble beginnings in 2009 with 70 students to the over 620 students now attending. Students from seven counties and 33 regional school districts attend the Dayton Regional STEM School.

Ms. Hope Strickland, the principal of the Dayton Regional STEM School, shared details about the school’s purpose to increase the STEM workforce pipeline for the region.

DRSS utilizes a career exploration model with all their students to prepare them with 21st century skills for a global economy. Mr. Arch Green, community outreach director, highlighted some of the unique opportunities afforded the students which include career fairs, job shadowing, and power lunches with industry leaders.

A group of DRSS students expressed their appreciation for the unique, hands-on learning opportunities they were afforded. Opportunities included internships with Wright State and others, projects for area employers, extracurricular activities like “Math Counts” and “Science Olympiad”, science symposiums, industry leading guest speakers, TEDx presentation opportunities, and the “Cyber Patriots” team competition.

As this year’s theme attests, there really are “Great Things” going on at the Dayton Regional STEM School and its partnership with Wright State University.

XI. UNFINISHED BUSINESS
None

XII. NEW BUSINESS

1. Commencement - December 19, 2015, Wright State University Nutter Center Arena
2. Beavercreek Night – January 14, 2016, 5:00 p.m., WSU Nutter Center
3. Committee Day- January 22, 2016
4. Fairborn Night – February 4, 2016, 5:00 p.m., WSU Nutter Center
5. Next Board Meeting – Executive Session, February 11, 2016
6. Public Session – February 12, 2016
7. President’s Lecture Series will present Amy Purdy on February 12, 2016. - Public reception 5:30 p.m., Lecture – 7:00 p.m., Apollo Room, Student Union Apollo Room
8. Adventure Summit – February 13, 2016, Student Union
XIII. ADJOURNMENT

The meeting adjourned at 10:30 a.m.
XIV. APPENDIX - WRITTEN REPORTS

2. Wright State Foundation Financial Report

3. Development Report

4. Comprehensive Campaign Report
Event Updates:

**Homecoming:** Alumni events on Friday, Oct. 9 and Saturday, Oct. 10 had a total event attendance of 1,220. Last year’s total attendance for the same events was only 875. Some of the highlighted events with attendance numbers are listed below:

- **Oct 9th**
  - Organizational Leadership Alumni Wine Tasting/Networking Event - 50
  - Annual Alumni Association Achievement Awards (by invitation only) - 104
  - CEHS Trivia Night - 287
- **Oct 10th**
  - Alumni Association Scholarship Brunch (by invitation only) - 67
  - Homecoming Festival overall attendance – 700

Alumni were also able to participate virtually through a social media Virtual Alumni Homecoming Court app. Couples who are Wright State wed to wed were able to enter the contest, all alumni and friends were able to vote for their favorite Wright State couple.

**Rise.Shine mini launches:** 6 of 7 Rise.Shine mini launches have been completed this year with over 550 attendees and lots of great feedback from alumni who were glad that the campaign was brought to their community. Rise.Shine. Cincinnati will be hosted at Music Hall on November 13 with an anticipated attendance of 150.

**Alumni Network and Society Scholarship Fundraising Updates:**

- We currently have 20 networks and societies. This number has more than doubled in the past five years. Of those 20, half currently have a scholarship or are raising money to start a scholarship.

- **Social Work Alumni Society:** Social Work Alumni Society held their annual Beer tasting/silent auction on Sept. 9 and raised $2,264 for their already endowed scholarship fund.
Alumni Communication:

- We are working on a redesigned and responsive website that should be launched in early 2016.
- We will be conducting an alumni survey to measure the effectiveness of our marketing, communication, and events. Questions are currently being developed and the audience sample is being determined.

Upcoming Wright State Alumni Events: (Find more information at wrightstatealumni.com)

- Nov. 4 – 2015 Meet the Teams
- Nov. 7 – GOLD/FSAS Walking Brew Tour, Oregon District
- Nov. 7 – CONH Alumni and Donor Reception
- Nov. 12 – Lake Campus Celebrity Waiter Night, Bella’s
- Nov. 13 – Cincinnati Rise.Shine., Music Hall
- Nov. 19 – Cleveland Happy Hour, Sapori Italian Grille
- Nov. 20 – Wright State Men’s Basketball vs. UK pregame tailgate
- Dec. 5 – Wright State Alumni Day Trip to Chicago (Lake Campus)
- Dec. 8 – Wright State Men’s Bball vs. Xavier pregame Happy Hour
- Dec. 14 – SWAS Holiday Party
- Dec. 17 – NLAAS Holiday Party
- Dec. 17 – Senior Night at Wright State Men’s Basketball
- Dec. 19 – Cleveland Happy Hour, Johnny’s Bar on Fulton
- Jan. 16 – Alumni Day at the Game
- Jan. 16 – AAAS Annual Meeting
- Jan. 21 - CONH Alumni Society Wine Tasting
- Feb. 20 – Annual Beer tasting
- Feb. 27 – Rowdy Gras
- March 5-8 Men’s Basketball Horizon League Tournament
- March 10 – CONH Alumni Society CEU
- Aug. 6-7 – Alumni College
- Aug. 29 – Legacy Scholarship Golf Outing, Walnut Grove Country Club
Volatility in the financial markets led to significant losses in the Foundation’s endowment portfolio during the first quarter of FY16. August and September were especially brutal as the portfolio returned a negative 5.44% for the period. The return lagged its composite benchmark by 37 basis points. Private equity returns added 38 basis points to the overall return for the quarter resulting in a total loss of 5.06%. Equities lost nearly nine percent during the quarter, with U.S. securities outperforming non-U.S. shares. Large cap equities outperformed small cap. Fixed income and alternative assets both produced total losses of just over 1%, with private equity and one of our hedge funds earning positive returns. Two of our multi-asset strategy funds also countered larger losses experienced in other parts of the portfolio. Long-term returns continued in the black, although all below the stated target return of the portfolio (8%). The endowment portfolio ended the quarter with a market value of $74.9 million. Portfolio allocations approved by the Foundation’s Investment Committee late last year were nearly complete by the end of September; full execution of the reallocation is expected shortly.

Like the endowment portfolio, the Foundation’s unrestricted net asset position suffered significant losses during the quarter, as well. This was on the heels of an 18% loss in FY15. We view our unrestricted net assets as our reserve; it allows us to react to contingencies and to respond positively to requests for funding by the University. The reserve ended the quarter at just under $6 million after losing $1.6 million for the period. Most of the loss relates to negative investment returns. Fortunately, losses can be reversed and we are hopeful that will be the case before the fiscal year closes. However, our ability to react to contingencies and requests for funding was greatly restricted at the end of the quarter.

The Foundation’s current endowment target allocation, actual allocation, and market values as of September 30, 2015, are presented below:

- -13.3%
- N/A
- 3664.7%
- 719.7%
- 181.5%
**Planned Giving Update**

Results for FY2015

A total of 18 new planned gift commitments were secured in FY15 for a projected gift value of $3,489,383. Included was one charitable gift annuity and one new life insurance policy. The remainder are bequests.

An additional 11 planned gifts are in discussion with an estimated projected value of $4,160,000. There are 33 more potential planned gifts that are in early stage discussion.

**Annual Giving Update**

Annual gift solicitation (gifts of up to $10,000) will be more significant during the broad-base appeals made during the public phase of the Rise. Shine. Campaign. Besides enabling the broad constituency base to participate in the Campaign and build toward reaching its overall financial goal, this effort will build the platform for future fundraising efforts by engaging more donors, increasing current individual giving levels, and identifying new major gift prospects.

**Fall Phonathon – September 12 – November 12**

The nine-week campaign began on September 12. Students will be trained and make calls seven days a week (with double sessions on the weekend) to reach a goal of $395,000 this fiscal year. For the third year the services of consultant Wilson- Bennett Technologies are being employed to manage this year’s two Phonathon campaigns. Phonathon raised nearly $265,000 in FY15 with an improved fulfillment rate of 75%, which is up about 10% over FY14.

Strategies moving into FY16

- Two additional weeks during fall and spring Phonathon
- In the spring the call center will not call during spring break as in the past it has not netted much
- Evaluating energy spent on non-donors who have received calls from WSU over the last four Phonathon campaigns and continually decline to make a gift

**Fall Direct Mail Appeal**

The annual fall direct mail appeal will begin on October 30. It will be customized with students in each academic area who received the appeal and branded with the Campaign’s *Rise. Shine.* markings.
New initiatives included:

- Encouraged donors to jump up to the next giving society
- Strategic donor amounts suggested based on their previous giving history

**Phonathon and Fall Appeal – Multi-Channel Strategy**

New in FY16 will be a multi-channel approach for identified segments. Three segments in the fall will pilot our multi-channel strategy: Accountancy, Lake Campus and Alumni Association. Fall appeal direct mail for these segments dropped on October 12, and Phonathon began its calls to these segments on October 22 with very specific scripting related to the mail piece.

**2015 CSIC**

FY15 results $523,138, an increase of nearly $23,500 compared to FY14 at the end of the fiscal year. In addition, at the end of the fiscal year 2015 participation was 57% from full time faculty and staff.

2015 CSIC results will be calculated through December 31, 2015: 2014 CSIC raised $842,678, 60% participation.

**Student Giving**

Increasing student understanding of philanthropy and student giving to Wright State will receive particular emphasis again this academic year.

In 2015/2016, we will continue to build our GivingTuesday and Tunnel Takeover activities to increase student philanthropy at Wright State. #GivingTuesday will take place on Tuesday, December 1 with a similar approach to 2014, alumni giving campaign and an on campus event targeted towards the education of philanthropy with our students with a fun event during the lunch time on the 1st.
Advancement Committee Report
Rise. Shine. The Campaign for Wright State University
November 2015

Comprehensive Campaign Activity

- Gifts and pledges of $121,453,121 have been recorded as of 9/30/2015. An additional $3.2 million is awaiting gift agreement signatures—verbally committed

- Current presidential ask proposals total $85+ million

- College/school proposals outstanding represent $36 million in asks

- Tracking of the four donor classifications includes these totals:
<table>
<thead>
<tr>
<th>Donor Classification</th>
<th>Amount</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Alumni</td>
<td>$27,644,734</td>

</tr>
</tbody>
</table>

FY ’16 Year-End Goal: $150,000,000

Campaign Impact to Date:

- 27,928 individual gifts have been received (also includes foundations & corporations)
- Boonshoft School of Medicine has raised in excess of $20 million!
- First-time gifts to Wright State were received from 14,859 donors

Campaign Emphasis:

- One remaining campaign launch in Cincinnati on 11/13/15 at Music Hall
- Analyzing the successes of each launch site to measure how many new contacts have been made and how many total gifts have been raised from each region
- Initial analysis demonstrates over $26 million has been raised from regional locations!!
- Developing strategies to keep alumni involved on a long-term basis
- President’s Campaign Cabinet meeting on 11/13/15 in Cincinnati

Tom Hanks Visit:

- Collaborating with the Hanks’ team to secure spring dates for his campus visit
- Planning a multiple-day visit with Wright Brothers experiences and University experiences
University Buildings & Grounds Campus Update
November 20, 2015

Creative Arts Center. Phase II, which included the site work and steel frame for the building addition, is complete. Phase III, the completion of new addition and renovation work in existing building, has commenced with entire project scheduled to be completed summer 2016.

Student Union Renovations. Jerome Scott was selected as the architecture/engineering firm to renovate the Student Union second and third floors for the Student Gateway project. Program of Requirements is being verified.

ODOT Shared Services. The project is complete and move in has commenced.

Classroom Modernization. The project is in progress. Two prototype classrooms were completed summer 2015 with the goal of soliciting feedback this fall semester from a cross section of faculty. Package to convert tiered lecture hall in Oelman to 3 classrooms and to renovate Fawcett Hall lecture hall was bid with very favorable results. Additional bid packages for renovations including finishes, technology and classroom furniture upgrades will be issued in spring 2016 with the project concluding by the end of 2016.

Tennis Courts. Project design is finalized; however, based on initial contractor estimates, the project scope is being revaluated. Bid out is planned for this winter for construction to begin spring 2016.

Campus Master Plan. This project is ongoing with expected completion fall 2015.

Pedestrian Bridge. The pedestrian and bike bridge over I-675 connecting Wright State and the Mall at Fairfield Commons is now open and operational. “Wright State Way” signage will be erected on the bridge this spring.

Russ Roof Replacement. Project is in design and will be bid this winter for spring/summer construction.

Life Safety Projects. A number of life safety projects have been initiated and are in planning or design. These include the addition or replacement of several EM generators, replacing the fire shutters separating the Library and Library Annex, fire lane upgrades, evacuation signage etc.
Office of Communications

Public relations, media relations and internal communications play a vital role in university operations and branding. Communications staff view interactions in each of these disciplines as invaluable opportunities to strengthen how people view Wright State. Our strategy is to build our brand through repeated positive mentions in the news and social media platforms (earned media) and by increasing university-wide awareness through the sharing of impactful positive news and stories through internal channels (owned media).

Public Relations

Office of Communications staff fulfill this role in large part by highlighting brag points and feel-good stories through high-quality articles posted to the Wright State Newsroom and distributed across university websites and on university social media channels. Newsworthy stories are identified by staff and leveraged as pitch tools to external media.

Data point:

The September—October 2015 public relations metrics are as follows:

Debate-related
- Media Clips: 1,347
- Positive advertisement value: $1.1M

Non debate-related
- Media Clips: 207
- Impressions: About 12.63M
- Positive Advertisement Value: $215,433.42
- Negative Advertisement Value (related to federal investigation): -$24,353.15
- Verbatim Stories and Video: 21

Media clips: Defined as stories about Wright State (most often) or stories that mention Wright State.
Impressions: Defined as the total non-unique estimated viewership, listenership, readership and page views.
**Positive Advertisement value:** Media coverage that results in positive exposure for Wright State's brand, the value of which is derived by the amount in dollars that Wright State would have had to pay to advertise in the same space or time that our clips were used in the news.

**Negative Advertisement value:** The inverse of Positive Advertisement value. Media coverage that is unquestionably negative for Wright State's brand, the value of which is derived by the amount in dollars that Wright State would have had to pay to advertise in the same space or time that our clips were used in the news.

**Verbatim stories:** Stories written by Communications staff that were printed or posted exactly as they were written by external news sources. Video shot and edited by Communications staff that was used exactly as provided to external news sources.

**Media relations**

The Office of Communications views all unexpected media inquiries as opportunities to strengthen or protect the brand of the university. As such, Communications has adopted an organizational structure that allows Wright State to be hyper-responsive to media, which has improved the university's output of earned media.

**Data point:**

*Media made about 36 requests of Wright State in September and October 2015 that were positive in nature. The Office of Communications successfully fulfilled 30 or about 83% of the requests. Those fulfilled requests resulted in positive coverage with an estimated advertisement value of about $67,154.78.*

*Notable positive coverage included the announcement that Wright State will host a presidential debate at the Wright State Nutter Center in September 2016. Within the first 48 hours, Wright State benefitted from over 1,300 stories or mentions of Wright State worth an estimated $1.1 million.*

*Notable negative coverage included the continuing but decreasing coverage of the federal criminal investigation into H1B visa fraud, which has resulted in 4 stories or mentions both in the market and at times other markets in the region. Those stories during this time have an estimated negative advertisement value of -$24,353.15.*

**Internal communications**

Communications staff members write, edit and post Newsroom stories that post to websites across campus. Stories are also shared through university social media channels. The office also distributes campus-wide email messages from the administration, crime warnings and emergency messages, among many others.
Data point:

The Office of Communications sent 50 campus-wide email communications from September—October 2015. About 35 of those messages were on behalf of colleges, units and other campus organizations. The rest of the messages were sent on behalf of the president, administration or police.

University Initiative Participation

The Office of Communications is also an active participant in university-wide initiatives, which include the 2016 Presidential Debate Planning Committee, Tobacco Free Campus Committee, Emergency Management Committee, Enterprise Print initiative, Total Compensation Advisory Committee, Internal Communications working group, and the Horizon League Ad Hoc Strategic Messaging group.
1. Undergraduate Recruitment

- On Saturday, October 10, the department hosted its first Green & Gold Day in conjunction with the Homecoming activities. 99 students attended the event, with a total of 300+ visitors. 10% of the parents that returned evaluations stated that they were WSU alumni, with an additional 10% of the students having an alumni connection to campus. 22% of the students attending the event also attended Homecoming activities.

- Undergraduate Recruitment hosted 121 visitors on campus on Columbus Day and 167 visitors on campus Friday, October 16, between the Honors Visit and our other Admissions visitors. Athletic Training Day on Friday, October 23 was another huge success with 29 students and 90 total guests.

- Our largest fall recruitment event will be Raider Open House, which will be held on Saturday, November 7.

2. Enrollment Processing & Financial Aid

- During the week of October 5, 2015, Academic Performance Scholarship awards were being made to newly-admitted undergraduate students for the Fall Semester 2016 recruitment cycle. This is the earliest that scholarship awards have been communicated to new prospective students. The hope is that the earlier notification will impact the overall matriculation rate of the fall 2016 class.

- The Office of Financial Aid received the annual notice for audit from the Ohio Department of Higher Education on October 12, 2015. The audit will take place during November. This is an annual audit of all Ohio state-funded grant programs.

- The implementation of a new CRM (Constituency Relationship Management) system is now underway. Business Process Review was hosted and included cross-functional teams from across campus to evaluate current
processes and discuss the implementation of the new system. Target for launch is April 2015.

3. Early College High School Programs

- There are 349 students participating in the College Credit Plus (CCP) Program with Wright State University Main Campus and 160 participating with the Lake Campus this fall. Visits are being made now to local schools to develop new partnerships for Fall 2016.

- Early College High School Programs is partnering with ACT to offer a College Readiness Workshop on October 29. The program will highlight services and programs available through ACT to help students become college ready. Over 65 area high school counselors will be attending.

- Early College High School Programs is working with the Greene County College Success Partnership to put together a Strategic Plan that will allow for sustainability in helping Greene County students achieve their higher education goals. Graduate students from Wright State are working with the committee to have a full report completed by December.

4. Raider Connect

- Raider Connect will host 6 Raider Registration Sessions throughout the month of November. The sessions are designed to assist new graduate and undergraduate students in registering for courses on line through Wings Express. These sessions are widely marketed in UVC courses, and through academic advisors, with the goal of getting more students registered early and on line.

- Raider Connect has reached out to more than 100 local high school Guidance Offices offering to facilitate financial aid awareness presentations and FAFSA (Free Application for Federal Student Aid) completion workshops for high schools in Champaign, Clark, Greene, Miami, Montgomery, and Warren Counties. More than 25 schools have already responded with requests for the fall and winter. Our goal is to visit more than 40 local schools and community groups.

Raider Connect will host the OASFAA (Ohio Association of Student Financial Aid Administrators) Counselor Workshop on Tuesday, December 8, 2015, 9:30am-12:00pm. This annual workshop, sponsored by OASFAA, is intended
to provide local H.S. counselors with financial aid updates and ‘hot topic’ (financial aid) information.

5. Transfer Student Resource Center (TSRC)

- Finalized 5 new semester articulation agreements with Southern State Community College. Attended Southern State’s “Connect to College” event in Hillsboro, OH on October 9.

- Participated in the Ohio Values Veterans: Train the Trainer Program from Ohio Department of Higher Education (09/23, 10/06, 10/13, 10/21).

- Represented Wright State at the Recruit Military event at the Great American Ballpark in Cincinnati on October 8.

- Held two transfer information sessions for Mathile Foundation Scholars at Sinclair on September 30 and October 15.

- Sponsored and attended Sinclair Community College’s Phi Theta Kappa induction ceremony on October 15.

6. Orientation

- Developed and facilitated a new Final Summer Orientation session designed to register and connect out-of-state students and students who were not able to attend Fall Orientation. The program served 71 students and their families who would normally not have been included in an Orientation program.

- Created a First Year Advisory Board for first year students to provide feedback about the Orientation and Transition Program and to engage new students in their transition. Applications are due November 6.

- Designing a new Spring Semester Orientation Program for January 8 to serve new Direct from High School students beginning their Wright State Experience in the Spring Semester.

December GI Jobs BSN for Veterans Recruiting print ad

Publication Highlights
We are currently working on a 12-page insert for the Dayton Business Journal that will run in December.
The Advocate magazine for the College of Nursing and Health is at the printer.
The print team has done a lot of work this fall for CELIA revolving around the Peace Accords and the Dayton Literary Peace Prize, next spring’s Sultans of Swing events, and for the regional Shakespeare conference they will host next fall.
We redesigned the College of Education and Human Services’ annual report into a magazine format.
Also we did numerous projects for University College ahead of the opening of the Student Success Center.
Total publications produced since mid-September: 70.

Web Highlights
Presidential Debate
http://www.wright.edu/event/debate
- New event website completed for the debate announcement
- Will be an evolving project for the year
- Worked closely with administration for final edits and approvals before being made live
Center for Teaching and Learning
https://www.wright.edu/center-for-teaching-and-learning
- New site, complete rebuild and rewrite from static
- New functionality for registering for events through the calendar events
- Supports backend reporting of registrations and email confirmations
- Integration of previous Wordpress blog

Career Center
http://www.wright.edu/career-center
- Complete rebuild
- Improved navigation
- Refreshed in brand identity
- Reduced content to improve UX
- Implemented current job feeds for site out of authenticated system.

Audit and Consulting Services
http://www.wright.edu/university-audit-and-consulting-services
- New site migrated from static
- Updated branding

Air Force ROTC
http://www.wright.edu/air-force-rotc
- Combined three disparate sites into one comprehensive site
- Worked with them to move authenticated cadet content into Office365

Aerospace Professional Development Center
http://www.wright.edu/center-for-workforce-development/activity-centers/aerospace-professional-development-center
- Migrated from 3rd party servers
- Integrated into the Center for Workforce Development

About
http://www.wright.edu/about
- Complete overhaul of top level about section
- Will be an evolving area of the site
- The last section of the top level nav to have been revamped in the last couple years

iTunesU Branding
http://www.wright.edu/itunes
- Worked closely with CTL to improve iTunesU branding
- New standards for iTunesU necessitated an update
Nursing Research
http://nursing.wright.edu/research
- Worked with Nursing faculty to add a top level research section to the COHN site
- Wrote/edited much of the content to provide a single voice

Artsgala Refresh
http://www.wright.edu/artsgala
- Getting the site ready for this year’s Artsgala!

Social Media Highlights

Growth

The universities main accounts have grown to 118,924 fans, connections, and followers, growing 17.5 percent so far in 2015. Wright State now has 165 social media profiles connected to our social media management enterprise system. Compared to last fall, our operations are generating a lot of positive sentiment and relationships. The university’s social media content has connected with more than 63,000 individual users, generating nearly 27 million impressions, up 85 percent over last fall. Additionally, embedded links in our content are directly responsible for nearly 38,000 organic clicks through to the Wright State website, not including clicks generated via paid advertising on social media platforms.

August 31–October 25, Year Over Year*
2014 2015 Change
Interactions 56,766 80,345 + 42%
Unique Users 37,971 63,266 + 67%
Impressions 14,607,181 26,955,278 + 85%

Social Media Managers Group
The social media managers group now includes 275 individuals from across both of our campuses, representing virtually every Wright State college and division.

Presentations and Training
The Office of Marketing hosted four general training sessions across both the Dayton and Lake campuses to assist campus social media managers with engagement and Sprout Social integration. The social media team has also conducted 20 one-on-one general social media training sessions with various campus personnel over the last two months.

Social Media Management Platform Contract
Our 12-month contract with Sprout Social ends on November 30, 2015. The Office of Marketing is working with the Office of the President and Purchasing to explore our options moving forward, as the investment ($2,250 per month) has resulted in reaching nearly twice as many
individuals, netting approximately 136 million organic impressions—a cost of $0.00018 per impression ($0.182 cost per thousand, CPM). To compare, the average CPM for social media advertising is $1–4 (source: SiteAdWiki).

December 1–October 25, Year Over Year—Before and After Sprout Social*
Before After Change
Interactions 300,647 353,447 + 18%
Unique Users 142,294 258,454 + 82%
Impressions 80,387,263 135,938,997 + 69%

*Definitions:
Interactions: Combined number of Facebook stories, Twitter mentions, and retweets that were sent to connected accounts or included our username(s)
Unique Users: Combined number of unique users who sent the interactions
Impressions: Combined number of users who saw an interaction with our username(s)
The following are a few highlights of the activities undertaken by staff in the Division since our last report to the Board.

Welcoming Students, Faculty and Staff Back to Campus
To help create a sense of belonging and to promote a culture of inclusion on campus, in September offices within the division held several open houses and a multicultural welcome event. The Asian and Native American Center, Women’s Center, Bolinga Center and LGBTQ Affairs offices all held open houses that provided an opportunity for those new to campus to learn about the services they provide and for those returning to reconnect, network and become acquainted with those new to our campus community.

The Division held its annual Multicultural Welcome that was well attended by representatives from across the University. The event opened with a Native American flute performance. Dr. Hopkins shared remarks and two awards were presented. The first was the Goldenberg Quest for Community Award which is given each year to a campus organization/unit that demonstrates commitment and success in the enhancement of the campus climate for diversity. The 2015 recipient was Wright State University’s Allies, an organization for gay, lesbian, bisexual, transgender, questioning and ally faculty and staff. The Division honored one of its own, Women’s Center student assistant, Michelle Conner, with the Wright Stuff Award for going above and beyond in providing customer service and modeling inclusion.

Ohio Consortium of Multicultural Centers Meets on Campus
On October 11, representatives from 18 colleges/universities in Ohio spent the day at Wright State University who served as the host institution for the Ohio Consortium of Multicultural Centers in Higher Education (OCMCHE) Fall 2015 Conference. The theme was "Topics of Diversity to Inform and Educate." The OCMCHE was founded in 2008 by Mai Nguyen, director of Wright State University's Asian and Native American Center. She served as its first president. The mission of the OCMCHE is to partner with colleges/universities in Ohio to share information and to enhance our work in diversity for the benefit of our institutions and our respective local communities.

The Vice President for Multicultural Affairs & Community Engagement welcomed conference participants while the Director of LGBTQ Affairs provided one of the thought provoking workshops held during the day.
Year of the Active By-Stander Events

Jackson Katz, one of America’s leading anti-sexist activists and internationally recognized for his groundbreaking work in gender violence prevention education, spoke at Wright State on Oct. 13 as part of the University’s Year of the Active Bystander program. Katz’ talk was entitled “Men, Women, Sex and Violence”.

An educator, author, filmmaker and social theorist, he is co-founder of the multiracial, mixed-gender Mentors in Violence Prevention (MVP) program at Northeastern University’s Center for the Study of Sport in Society. Founded in 1993, MVP was one of the first programs to use the “bystander“ model for gender violence prevention. Katz is one of the key architects of the bystander approach.

Elaine Diaz Rodriguez, a Cuban blogger and educator, also visited WSU in September as part of the Year of the Active Bystander. Elaine discussed changes that are currently happening in Cuba and what normalization between the U.S. and Cuba after more than 50 years of embargo means to the people of the island of Cuba. Her talk on “Cuba, in an Era of Changes” drew about 100 people at WSU. Besides Elaine’s talks at WSU, she also spoke at the Dayton World Council.

Community Engagement

A few highlights of our numerous community engagement activities:

The Director of the Bolinga Black Cultural Resources Center reported that student organizations associated with the Center provided the following community service during September and October:

- The student campus chapter of the NAACP helped build homes with Habitat for Humanity
- Association of Black Business Students provided tutoring, mentoring and social support to youth participating in the Boys and Girls Club of Dayton
- The African American Residential Caucus participated in the Alzheimer’s Walk
- All of the associated student organizations participated in the Hunger Cup Campaign, a fundraising competition between WSU and UD that involved collecting food and funds to help end food insecurity, helping Wright State win the competition
- The Kappa Alpha Psi Fraternity volunteered with youth in Daybreak Dayton, an emergency shelter for runaway and homeless youth

Precollege programs distributed parent assessments of the Discovery/Odyssey program, residential camps and institutes, Exploring STEM and Upward Bound in September. Results
will be included in the program’s annual report. They also conducted orientation sessions for parents, students and instructional staff involved in fall workshops, tutoring and cultural enrichment activities that are part of the Upward Bound program, a federally funded grant program designed to help would be first generation, low income students aspire to and succeed in post-secondary education.

Workplace Diversity Award

On October 26 at the annual Friendship Dinner of the National Conference for Community and Justice of Greater Dayton, Wright State University was presented with the 2015 Workplace Diversity Award by the president of the Dayton Area Chamber of Commerce.

Planning

The Division held two, one-day planning retreats. The first was held for Division directors in September at the Vice President’s home. It addressed team building, refocusing on the mission and vision of the University and Division and setting priorities for the academic year. In October approximately 60 administrators, faculty and graduate students from around the institution spent the day at Aileron conference center examining diversity data about where we are now in terms of goals in this area, visioning where we would like to be and doing a gap analysis. We ended the day by generating some innovative strategies for closing the gap and making progress on our goals in order to help accomplish the University’s strategic plan and vision. Next steps will be to distribute a draft 3 year plan of action related to diversity and community engagement for comment by the University community, then finalize the plan and implement the plan.
Office of the Vice President for Research

The Office of the Vice President for Research continues with the important changes to research and the research compliance leadership team. Significant effort has taken place to align and strengthen the Wright State Research Institute (WSRI) and the Wright State Applied Research Corporation (WSARC) with the University. As a result, Mr. Dennis Andersh now serves as the Executive Director of the Wright State Research Institute and CEO of the Wright State Applied Research Corporation. The University’s commercialization efforts were further strengthened by Mr. Hugh Bolton working on both the commercialization efforts at WSRI, and now assisting with the efforts of Ms. Elana Wang in the Office of Technology Transfer. As Director of Research Development, Dr. Jason Parker, is working with faculty and teams across campus and at WSRI to further grow the research initiatives of the University. Mr. Matt Grushon, Director of Research Compliance, is part of the critical reorganization to improve University oversight and leadership of research activity and is responsible for research compliance oversight of all faculty and staff. Mr. Grushon, is in the process of hiring an Export Compliance Officer and HIPAA/Privacy Office to assist in further strengthening the compliance efforts of the University.

The Vice President for Research has briefed Faculty Senate, the Audit and Compliance Committee of the Board, the Faculty of the College of Engineering and Computer Science, and, in collaboration with Mr. Andersh, the staff of WSRI at two major meetings. Additional meetings are planned with faculty and college leadership and WSRI staff.

Research funding awards and proposals show significant growth in the first quarter compared to previous years.
