- What is sex trafficking?
- Why does it matter?
- How does sex trafficking impact our community?

## Objectives

1. Describe the organizational structure of sex trafficking business model to include subculture terms and definitions.
2. Recognize red flags of sex trafficking and how to respond effectively.
3. List local sex trafficking trends and information and how it differs in each community.
4. Identify local resources to assist clients affected by sex trafficking.

This seminar will provide professionals with information related to sex trafficking in the Miami Valley. In addition, participants will learn about locally available resources related to sex trafficking and how to respond when a victim is identified. Professionals will use this information to assist clients and their families.
