“Elder Care: A Coordinated Team Approach to Improve Outcomes”

December 9, 2016
8:30am -12:15pm

Madison Lakes Learning and
Conference Center
581 Olive Road
Dayton, Ohio
(Free parking)

Registration, refreshments and resource tables open at 8:00 am

- Did you know that 10,000 Americans turn 65 every day?
- Are we prepared for the “Silver Tsunami”?
- How is this demand on elder care affecting our community?

Objectives

1. Describe an approach to building a geriatrics team.
2. Explain how to develop a template for conducting weekly team meetings.
3. Discuss and critique examples of cases addressed by the team

This seminar will provide professionals with information related to cross discipline consultation and coordination of care. Professionals will use this information to assist clients and their families. In addition, participants will learn about transitions in care and medication reconciliation related to improving overall care when multiple providers and facilities are involved.
